2 people bought it, but none commented on performance. They only stated the
packaging looked nice and that it arrived. That is not a product review.
Get that in to your head first.
If you want to blame lack of interest from selling a product no one needs or
even wants on "hard and uncertain economic times" then you are a fool ! You
are 20 years too late as all modern radios have speech processors built in.
My Uniden 2830 I bought in 1988 had an excellent speech processor built in.
Most other radios did.
No matter how much you SPAM this newsgroup and others with "for sale"
adverts, no one wants what you're selling. 2 sales is terrible, you are a
complete failure by the look of it.

Do us all a favour - stop spamming the groups.

We know, it has been ripped apart on this newsgroup a few times. It's not a good product. If fitted without using the correct alignment procedures and test equipment it will ruin performance and cause splattering over the bands and generate harmonics. Not many people who have the "really loud = really far" mentality will know how to use test equipment, they tend to be the ones with a lack of knowledge. Maybe the type who believe polishing the aerial will lower the VSWR!
The circuit has no RF filtering for a start, it is not screened in any way, it has a light that you will never see once the radio is put back together and it will have no benefit over the microphone that was designed to operate with the radio. It will cause distortion and harmonics unless the radio is realigned using test gear. If you use that on AM/SSB you will sound terrible, it is a waste of time. There is no way that the circuit differentiates between a voice and background noises, so raising the level many times and keeping it at 100% will mean that the sound will just be a "noise". Compare that to a normal mic, audio nearer to it such as the operator voice will be louder than what is in the background.
The product is out of date, has no market and probably would have been better 20+ years ago.

I certainly wouldn't recommend it, from a radio engineers point of view.

I have never heard of any audio AGC circuit that doesn't have some measure of overshoot. You claim to have invented an audio agc circuit with zero overshoot..? When at least thousands of engineers have been trying to approach the equivalent results for well over a half century.

There's a different in heavily compressed everthing audio and actual usable audio level without all the background level/noise. Care to tell us how you do it with such a basic circuit... even in generic terms is fine with me.

|That's a clipper all right...

|------------------

No it is not.

D1 and D2 rectify the audio from the second opamp stage. This then
provides a varying DC voltage that is fed to the base of Q2 which in
turn if fed to the gate of Q1, the controlled stage. One half of the
dual opamp, the diodes and Q2 form the feedback path.

Any engineer should know that by looking at the design.

Why, because I believe that a customer has the right
to know about the product they are buying?
You think that makes me a socialist?

Maybe all the products in all the shops should be in
plain black, unmarked boxes - be cause wanting to
know details of what we are buying makes us a
stupid socialist... huh?

Don't forget, it was Griffter who first mentioned the
legal requirement. He suggested that my Web site
needs to meet the standard (which was incorrect),
knowing that his product does not.
Does that make him a "stupid socialist", as well as
a hypocrite?

Maybe you need to take a look at an English dictionary.

The person who doesn't want to know before parting
with their money is the supid one.

> Who fucking cares?

Those who get ripped off may care.
The CB shops in this country do not sell illegal CB equipment,
because they know what happens... from experience.

The law in this country appears to go heavier on someone
selling an illegal (even if harmless) product than it does
on paedophiles (who may get off with community hours
or a telling off).

It may be a crap system, but people and dealers should
at least be informed if something is not legal.

People like myself are absolutely targeted. It's easy to hook up. That is not

I was composing a point-by-point response to this when I had a power

I am no fan of Telstar and his spam marketing on these groups and many
of his claims are BS.

he.

Appears to be another rehash of a common AGC controller amplifier
circuit with way too much preamplifier gain parked in front.

And you claim it can keep a 100 modulation level with zero output
level overshoot? Why you've done what audio engineers have been
trying to do for decades.

:-)

Anything special about this circuit we should know about or is it
just another common audio agc circuit like the many we've seen
in magazines through the years? Doesn't have anything special going
on to to know the difference in unwanted background noise/audio does
it?

curious minds would like to know...

cheers,
s.

I conclude that the VOICEMAX issue has died, has had the funeral and now should be buried.

Those who advocate high distortion levels and poor quality signals can spend their $$$ and buy it.

Those who prefer low distortion and clean sounding signals won't.

Let the trip to the cemetery begin.

: This design has two major problems. One is a show-stopper. Without any
: shielding... this unit squeals like crazy in any RF environment.

Normally this type of board would be mounted inside a shielded box or radio cabinet. It's a normal pc-board pretty much just like the radio pc board would be setup inside a box.

: The other problem is inherent in this clipper design. Clipping a sine
: wave audio signal is undesireable and causes distortion in the form of
: harmonics. The more you clip... the more distortion/harmonics. This
: design has a low-pass filter incorporated in an attempt to reduce some
: of the harmonics. Unfortunately, the filter is not very effective...
: leaving the audio sounding very fuzzy.

Acceptable audio clipper circuit designs have been built and used for multiple decades. The traditional method of trailing a clipper with a low pass filter is considered standard form.

The filter in the cbc circuit might not be great... but it's not hard to make a simple low pass filter that does a good job. I received one of these units from a friend and like most low end compressor and clipper circuits... it's not very well thought out.

Same thing with an agc circuit... there is no way to keep the background level under control when the front end audio gain is way out of line (excessive).

First why don't you address the spam marketing part?

Then you can simply look the word "hype" up in a dictionary. It's a
simple word with a more precise meaning than "fuzzy audio", for

I have a Brand NEW SGC MAC-200 200 watt Automatic Antenna Tuner I bought for a project a couple months ago. The project was canceled and the tuner was never used.

This is a 200 watt Automatic Antenna Tuner that has inputs for 5 antennas. The tuner will either automatically find the best antenna or you can switch the antennas manually. The unit is about two months old and the one year warranty is still in effect. The unit requires a small 13.8 vdc power source. I will find one and include it at no extra cost.

This is a great companion for the SG-2000 or the SG-2020 transceivers. Click on this link for more information on this unit - http://sgcworld.com/MACProductPage.html - .

I paid about $269 for it and I will sell it for $239 plus 9.85 shipping in the lower 48 states. Alaska, Hawaii and International shipping is more. It comes in the original box with the manual. Please contact me at: - iamw7gsa@gmail.com - .

Thanks, Bill.

Correct. The diode function is intuitive. One should very easily recognize the voltage doubler that D1 and D2 perform. One should also understand from his minimal text that any diodes used in a feedback loop are not for "clipping" but to rectify an AC voltage to produce a DC voltage. From reading the text it should be quite obvious that the circuit is a compressor. You do not need feedback loops in a clipper stage. You do need feedback to control gain as in a AGC circuit or a compressor.

Voltage doubling techniques using two diodes if very well covered in technical training. But I will tell you this that D1 and D2 form a half wave voltage doubler.

here is a link that may help you and your good buddy audio to understand what a half wave voltage doubler is.

http://www.tpub.com/neets/book7/27m.htm

Furthermore this doubler feeds tothe base of Q2 which acts as an inverter to feed the inverted rectified audio voltage to the gate of the FET Q2. Q1, the FET, acts as a variable resistor. Q1, MPF102, is a N channel depletion mode Junction Field Effect transistor (FET). N mode depletion FETS require the gate voltage to go positive with respect to the source voltage. Once the gate voltage goes below the source potential, the device turns off. The the path from drian to source approaches a very high resistance, approxiamately 1 megaOHm. When the gate voltage is higher than the source voltage then the drian source path become a very low resistance. The actual resistance depends more on the channel widths of the device but usually in the 1 to 10 Ohms range.

So D1 and D2 form a voltage doubler that takes the output from the op amp thro ugh C6. This voltage is 100 times what is fed to the radio. Rectifies it so that it is now a DC voltage at ~200 times the radio

voltage. That DC voltage is fed to Q2, and common bipolar transistor, which is in a common emmitter configuration. That inverts the DC voltage fed to the MPF102, FET.

Brian, you profess to be very knowledgable. Even a average tech from a reputable tech school or even with military training should be able to recognize how this circuit works. It is rather simple and straight forward. The more you post just further convinces me that you have no more skill than the average screwdriver techs that proliferate the CB band.

Yeah disconnecting is a good habit to get into. Years ago I had lightning strike my antenna with the coax disconnected from the radio and the bolt came across the family room and snapped at the TV. Scared the hell out of me.

How well it works depends on how well you hacked the design from this
link I posted (while pointing out some of the many problems with your
earlier splatterbox):

http://www.ifwtech.co.uk/g3sek/tr-bias/tr-bias1.htm

> I was able to set set class AB bias (I chose about
>200Ma) on the power transistors... and hold +/-5% collector current
>changes from -40 to +100C heat sink temp during amp operation.

That's interesting. Previously you said your bias scheme can "hold the
500mA bias to 10% from -30 to +85C". It's funny how many times you
have changed the specs. I especially enjoyed the time when you changed
the power output specs three times in one week after you were caught
fabricating them instead of actually measuring them. Oh well, such is
the life of an internet-educated hack.

But alas, there's still one unresolved issue here, Brian.... where's
the schematic?

No, you do not.

First of all, where is the output taken from?
That's it, the first amp stage.

Now, where are the diodes?
That's it, after the output... in a feedback circuit. This feedback
circuit is yelling out the word "compressor", you need to take
your head out your ass so you can hear it.

C6, D1 and D2 form a rectifier circuit.
D2 rectifies the signal, applying it to Q2.
C6 is simply DC blocking, and D1 passes current through
C6 on the negative part of the signal.
Without D1, C6 would only be able to conduct on the positive
half of the signal... you would be expecting a capacitor to
conduct DC.

This arrangement is used in many CBs to rectify the signal
for RX meter, RF meter, squelch, AGC and demodulation
purposes.
Some examples for you to study:

Uniden PC-404
C75, D5, D6.
Modulation meter circuit - rectifies the audio to drive
the meter.

Lincoln (PB-111)
C37, D117, D118.
Signal rectified and applied to amp (IC-101).
C24, D111, D112, Q108.
Demodulator. Q110 switches off the demod, by
disconnecting the diode to ground.

Cobra 148GTL-DX (PB-010)
C189, D101, D102, VR8.
RF meter circuit.
C35, D11, D12.
Signal rectified and applied to amp (IC1).

Cobra 148GTL-DX (PC-879)
C19, D9, D11.

Signal rectified and applied to amp (IC1).
C102, D33, D34, TR24.
Demodulator. TR24 switches off the demod, by
disconnecting the diode to ground.

Cobra 148GTL (PC-412)
C145, D47, D48, VR6.
RF meter circuit.
C64, D21, D22.
Demod.

The Lincoln and PC-879 demod circuits show why the second
diode (to ground) is required. By disconnecting it, the whole
circuit ceases to function.
Some circuits use a resistor in place of the second diode.

Cybernet circuits, such as the PTBM125, do not bother with DC
blocking. Without the capacitor, the grounded diode is not
required.

If the circuit by N1HFX could survive without the DC blocking
(C6), then D1 would not be required... and maybe you would
not be confused.

Regards,
Peter.

Bloody 'ell, no wonder... you are looking at the wrong circuit.

The reference was given from the start, this is what they
are discussing:
http://www.rason.org/Projects/speech/speech.htm

That, OM is a compressor circuit.

As much as I would love to use the word "wrong" on
James, it really is an audio compressor circuit.
The fact that Griffter cannot understand a simple processor
circuit is a fine display of his lack of electronic understanding.
Would you buy a product designed by someone who does not
understand the basic theories that apply to the product?

Peter.

I think you are looking at the wrong circuit. This is the one:
http://www.rason.org/Projects/speech/speech.htm

Now, with that in mind...

The output is taken from the first amplifier.
This output is also fed to the feedback amplifier (IC1, second amp). The amplified signal is rectified (D2) and applied to Q2 which controls the attenuator (Q1).
A larger signal will cause Q1 to conduct less, reducing the overall gain.

As a capacitor will not pass DC, D1 is included to allow C6 to conduct on both halves of the signal.

Regards,
Peter.

I see that you are still dodging the tricky questions about legality,
any *electronic* qualifications and whether you designed the circuit
or are just putting your name on a product that someone else designed.

I am sure it will make customers feel better; knowing that, while
they suffer the result of buying and selling illegal goods or making
their equipment illegal, you will be laughing at them.
That laughter must have quite an echo, with the place you have
your head.

You refused to state whether you are qualified for electronic
design, but you have made the answer extremely clear with
your confusion between an audio clipper and compressor circuit.
The Web page even tells you what it is, and you still did not know.

Knowing that everyone who reads this group now knows that you are
incapable of electronic design should be wiping any smile from your
face.

But, with where you have your head, maybe you have not noticed
all the people laughing at you. You certainly never saw that
banana skin.

Peter.

We get plenty of food recalls.
Did you hear about Cadbury and their salmonella issue? They
knew about the leak, and most likely knew about the
contamination, but decided to continue with production
while they considered repairs.
The recall must have cost them millions, not including the
loss of customer trust.

I have seen other companies let products go, fully aware
of issues. Maybe they consider it cheaper to deal with the
problems as they occur, rather than stop the whole batch.
I have also heard that, in some cases, it may even be cheaper
to pay out compensation than to redesign or fix products.

Big businesses really can take it, althouogh small ones can be
completely finished by such issues.

Peter.

No, but it does clearly tell you that it is an audio compressor
circuit...

"If desired, the level of compression can be made adjustable

Level of compression... just how easy does the guy have to

If you don't know what's inside, then you cannot claim to
know the quality.
It is up to people to decide for themselves which product
they see as most suited to their requirements.

Which is more important, seeing how pretty the board will
look (even though it will be inside a casing) or knowing
about the designer and company?

Some facts about Spectrum Communications:
Full names of owners given on Web site.
Full address given on Web site.
Established 1978.
Many products, including Amateur radio circuits.
Old products still going strong.
Products available through CB shops for many years.
Clearly states speech processor for SSB and AM.

Qualifications of designer stated clearly on Web site.

Now Telspam:
No sign of a full name of owner.
No sign of a full address.
Running "5 years", but as a part-time "hobby" with
periods where no product available.
One product, aimed at CB (non-technical) users.
Old products dropped, with periods where nothing on offer.
Trying to get CB shops to offer products.
Tries selling speech processor for FM CB.
No clear statement of relevant qualifications - issue
consistently dodged.
Cannot identify a basic compressor circuit (as shown below).

Wrong.
This circuit is clearly a compressor circuit.

If you cannot tell the difference between clipping
and compressing circuits, then you clearly have not
got the required knowledge to design such a circuit.

You claim to have designed, built and tested the VoiceMax speech
processor, yet you cannot identify and understand the most
basic of circuits.

Take a look at C6, D1 and D2. Have you really never seen this
arrangement before? It can be seen being used to rectify
signals in many American CB radios.

Griffter wrote:
> > Hate to tell you... but rectifier diodes are always in series
> > with the signal.

I hate to tell you, but D2 is in series... and in a feedback
circuit.

OK, in basic English so you may (hopefully) understand...

D2 rectifies the signal and applies it to the base of Q2.
Q2 controls Q1, controlling the overall gain.
C6 is DC blocking, coupling the audio signal to the rectifier
diodes.
D1 is in series with C6, and conducts on the negative part
of the signal. Without this, C6 would become charged
and remain so - blocking the feedback path at that point.

Come on, the truth now... did you really design the VoiceMax
or are you taking the credit for someone else's work?
I would certainly not trust a design by someone incapable
of recognising basic electronic circuits.

> james wrote:

He is trying to sell "his design", but keeps displaying his
lack of electronics knowledge in a public place.
Does that class as dumb?

The intelligent option would have been to just keep
out of technical issues - or admit that he is just a
salesman, not the designer of his product.

Peter.

No, it is exempt - it does not need to comply. The same will
apply to many of the Spectrum Communications circuits.
If Lou were to design a new compressor version, to compete
with the SplatterMax, it would need to comply to be sold here.

Certain exemptions exist, and for good technical or practical
reasons.

His refusal to consider standards, rules and laws suggests someone

What is the fine over there for illegal CB use, and does that
put people off?
Some people just have this idea that they will never be the one,
they are untouchable and indestructible.

Even the offer of death will not put some people off, you only have to watch "Jackass" type TV shows to see that.

Hello Steveo:

The way to do it is to have a disconnect on the ground rod that has a lightening protector on it. When the weather turns nasty you just unconnect the connector and roll the coax up towards the house, removing the path to inside the house. And duct!

Hello Dana:

I use to have a Maverick 250, it worked great with a General Radiotelephone Super MC-11A driving it, and it drove a Moonraker 4 beam antenna.

I paid 20 dollars for burt up one with flame marks extra. I am sure they go for more money on E-Bay if working, see:
http://electronics.listings.ebay.com/Ham-Radio_Amplifiers_W0QQfclZ3QQfromZR11QQsacatZ48700QQsocmdZListingItemList

I have removed all the tubes and old transformers and now installing a pair of 4CX250B Tubes and a external power supply. Hopefully this will be a Maverick 1250.

usually, the FCC starts at like $5,000 per infraction and goes up from there
(fines vary depending on the segment of the cfr they use).

the FCC also tends to lower them if the respondant can prove in claims of
financial hardship (usually with a promise not to do so again).

You really do not know who I am (and for that, I pity you).
I can see from all the postings that perhaps you are very wrong (I have read the reports of 2 qualified and verified engineers who say you are wrong).

Yet you used it in your previous amps. You even defended the design,

you came up with your last hack job.

I don't see two diodes in parallel. Time to lay off the sauce, Brian.

Of course he didn't. I'm sure he does now, but you'll never get him to

has yet to admit -- this is just another one to add to the list.

Hello JS:

The Maverick 250 is a Base Linear Amplifier, does 250 watts easy. Uses Sweep tubes in a well designed circuit. I have a poo dunk 10 watt Yaesu radio, that will drive the modified Maverick 1250 with no problem. The Tetrodes tubes will have a broad band toroid matching transformer and a resistive load, used in many Tetrode Amplifiers. So I will be able to get all the bands even 160.

I have never had a Bodaous Mobile set up like yours. But did put in a 150 amp alternator in the 4x4 truck. It powers a all band 8 pill amp just fine. I don't go in for extra batteries, just a big alternator.

you obviously are not an engineer.
there is a difference man (and clipping isn't in the same regime as
compression).

there is even the dictionary definitions for both terms you used to
consider.

so? does anyone want to buy a product from one who demonstrates his
ignorance everyday? Answer: no

will your continued spam gain any new customers? answer: possibly (only the
truly dumb ones).

will you ever get the hint that you are wrong? answer: unlikely

if you are an Engineer or technician, you have done a very poor job of
demonstrating that fact.

Now, I am not an Engineer myself, but I have had the benefit of 10+ years of
field experience with radios, computers and other electronic devices. I
have seen all kinds of clippers, clampers and compressors. clippers and
clampers are related circuits. compressors are not, in any way related to
the previous 2 (and if a diode is in the circuit, its for ac rectification
as a dc level control feedback).

Please demonstrate to us how compression is *the same* as clipping (you may
have to prove this by both math and logic).

Griffter Man removed the reference, but it is there to be seen.
Now, taking the circuit clearly referenced, check it against the
description given:

Lou's circuit does not even have a Q1 and Q2. The amp in Lou's
circuit is a quad op-amp, not the Dual op-amp in the circuit being
descibed.
That should have given you a hint that you were looking at the
wrong circuit.

Stop trying to worm your way out of it. You said the circuit was
a clipper - and not a compressor. So, don't now try to worm out
by suggesting they are the same... they are not, and you never
treated them as such in your previous (and very incorrect) statements.

Most things are a form of some larger group of products, but
that does not make them the same. Everything with a diode,
transistor, etc. in is a form of electronic circuit, but that does
not allow you to call one circuit by the name of another and
still be correct.

That circuit is a compressor, NOT as you claimed:

"Just another "clipping" type processor with very high
harmonic distortion."

When told it was a compressor, you said...
" Nonsense... "

Face facts Brian, you cannot identify a basic compressor circuit.
Worse than that, you cannot even tell the difference between a
clipper and a rectifier circuit.
You could not even tell what D2 was there for... you appear
to believe that DC can be passed through a capacitor.

So, Griffter Man, don't try to turn it around like you are
the teacher... when I was the one who had to explain to you
how that basic circuit works.
You did not even know the function of a simple diode until
I explained it to you.

Considering that TelSpam Electronics is based on you and
your knowledge alone, that does not look very good. I
would not trust a product claimed to be designed by a
company with no technical knowledge of the field.

Regards,
Peter.

Ignorance on your part does not cannote a lack of understanding on mine.

and you were wrong. clipping and compression are two distantly related technologies, but in the context of speech modification, they do not operate in even the most remote of ways... next...

negative. AGC is a form of LEVEL CONTROL, not compression.

> They accomplish the same task with different methods.
this is the only statement you have made that even remotely approaches fact.

> Both methods have strengths and weakneses.
> The clipper is simple (advantage)...
that is true.

> but in order to get a worthwhile level of compression...
> you get quite a bit of harmonic distortion (disadvantage).
compression cannot be used in this context.
clippers work by "clipping" off the tops of the sign waves (thus creating square waves and loads of harmonics). essentially, this is the base circuit in an analog square wave generator.

> On the other hand...
> the AGC method is more complex (disadvantage) but can produce a
> signal with very low levels of harmonic distortion.
true amplification with variable feedback capability. any standard AGC has this. nothing new here

> As you know, harmonic distortion can be heard...
at low enough frequencies, yet (you can hear them in square waves @< 500 hz). However, many things can cause harmonic distortion (such as non-linear circuitry, a diode junction, poorly tuned circuits, too much drive, etc.)

> and in a radio transmission...
tends to cause splatter, usually it multiples of both the audio range frquencies (and in other circuits) at multiples of the RF signal generated at the output of your rig (in the case of clipping at the audio stages, this can have both effects)

> will deteriorate the intelligability of the signal at the receiving end.
this goes without saying, so why did you say it?

> This said...
> ifone wants to improve their transmission...
> they would be well advised to keep this harmonic distortion to a minimum.
common sense.
now, can you *prove* by laboratory testing (at an accredited lab) that your circuit does NOT generate any distortion or would otherwise cause the equipment you install it in to generate distortion?

lets see. in all of the above, you danced around the issue, threw out a couple of smart-assed remarks, tried to divert the point, failed to address the original point, AND ON TOP OF IT ALL, demonstrated your complete lack of knowledge and understanding of both audio and rf circuitry operation and design.

again, I ask you to prove your design. show the math, show the thesis and show the logic (and skip all this mumbo-jumbo). until you can do that, you have no business being in business.

You have finally come to this conclusion. I derived that a while back.
At best he has some technical training. Maybe from the military which

Got a hold of a gorgeous Robyn T-240D Yellowbird which needs repair on the receive. I have question regard microphone wiring.

I have an amplified Astatic D-104 with the older T-UG8 stand. The Astatic manual says to use a .01 cap in line with the white wire, and to use High impedance mic only, which I assume it is.

The Gemtronics GTX-5000 (which I thought was thew same radio), does not require it. Am I missing something?

The Gemtronics GTX-5000 is essentially the same radio, yet the guide doesn't
same the same about it.

So you claim it doesn't work because one diode will "hog" the current?
Well, that's the point! D1 "hogs" the current and establishes a fixed
voltage for the base of TR1!!! But alas, it only works if your ground
plane is 9 square feet.......

So where's that schematic, Brian?

I am not really familiar with either radios. Without seeing the input
circuit my first inclination is to do a DC block and secondly to do
some simple form of impedance matching.

As for the second radio not requireing the cap, that could be due to
the radio not being manufactured at the time the T-UG8 stand was made
so that Astatic did not know of it. Also the mic input maybe a bit
different despite the rest of the radio circuits being identical. A
lot of radios were made to work with dynamic mics and required low
impedance inputs. The D-104 line works well with tube rigs which are
usually high input impedance.

I am thinking DC block. One of the pins has hi voltage. I have to see if it
jives with the white wire.

Except it isn't true, the first 500,000 watt station was WLW in
Cincinnati Ohio, owned by Powel Crosley Jr. It went on the air at
500KW in 1935.

the military has better programs than that (and often has better people).

You don't need a super power TX to create this kind of chaos. At KOEL, we were a 5kw regional with the major lobe squirting the power north. Off the north end of the site, close enough that the guy ran right to the fence, and on the other side, a developer built a high end subdivision. Well, high end for that area. And the first house was less than 50 feet from the fence.

About once a month we had to go out and detune refrigerators, water pipes, bathtubs, toasters and especially the chain link fence...all of which were making quite audible music from our transmitter.

The biggest problem we had was with the house by the fence. The owner had cleaned up the garage and put in flourescent lighting....that he couldn't turn off.

He had to remove the tubes in order to get dark in his garage.

Night was no better. The pattern was less than 5 degrees wide, concentrating on a few houses adjacent to the property. We got calls almost every night.

Amazing. Two major bungles within one month. First you couldn't
recognize a simple voltage multiplier, and now you show that you can't
even understand the basic principle of diode biasing of a transistor.

The General consense from about 3 people, is that it is a DC block. I can verify it by seeing if the corresponding pin has the 200+ volts I hve been reading about. The problem was the Gemtronics threw me for a loop.

|As usual Frank you are missing the important point here. That point
|being that you can't simply parallel two diodes... and have them share
|currents. This would have to be done in order for any tracking between
|the two. The problem is that one diode will always turn on before the
|other... and take all current. Now I ask you... where is the sharing/
|tracking in that scenario? The answer is: there is no sharing/
|tracking... because one diode with the lowest drop will hog the entire
|current... and the other diode will be off. this is why the gentleman
|on the web page link that YOU provided says it that scheme works like
|crap. He's absolutely right!

Bovine excrement. Ever heard of equalizing of current through a series
resistance? Often called a ballast resistor. Used quite often in power
transistors where there are several base/emiter pn jumctions.

No Brian

He is quite on topic. You are failing to comprehend a very simple
basic understanding of the biasing of a transistor.

The topic is the concept of using a diode to bias a transistor, a
concept understood by any first-year electronics student.

But not you.

The BE junction stays at or above quiescient current BECAUSE the diode
is hogging the current. It even says that in the article (that you
obviously didn't understand).

Two diodes..... sheesh..... I'll bet you've never seen a Vbe curve,
either.

>You have suceeded... end of conversation with you.

Well, since that's the closest thing to an admission of ignorance that
you are capable of, I'll take all nine square feet...... ROTFLMMFAO!!!

Let's see, you are 5'6 and 300 pounds, Davies.

Considering that Roger is only 5'4" tall.....

Wrong again, Fatty.

oh come off it! unless you know source html programming, you are nothing
more than an "appliance user".

I know a blind kid in Kansas who earns REAL MONEY programming webpages. you
know what he uses? NOTEPAD. thats it, just notepad. Here I see you using a
$69.00 replacement for Microsoft Frontpage.
<rant off/>

perhaps you need to quit bragging man. you've already flubbed as a "claimed

Hmmm - that title sounds a bit like the first Twilight Zone episode!

Since the new moderated group was created (whose mission was to
improve communication and raise the bar on decency over the Policy
group), everyone seems to have disappeared. The moderated group is
virtually dead, containing primarily bulletins from Amateur groups
around the world and the odd post hare and there....and the Policy
group has degenerated into a "Mark vs the World" quagmire - quite
unfortunately for Mark.

With the exception of Dave Heil, who pops up from behind the ramparts
here occasionally to take a well placed shot at his old nemesis Mr.
Wiseman, no one seems to be left from the old crowd who regularly
discoursed in this group. Even N2EY's regular "ARS Numbers" posts
seem to have vanished into oblivion.

Just wondering - what's up with Len, Mike,Dave, Jim, Brian, Steve,
Dee, Kim, and the rest of the old regulars on the group? Hope all is
well!

73, Leo
They went to gav's place.

Not a bad looking WEB page Brian.

Are you sure that Mouser is your partner?
I stopped by and ask them, they never heard of you.
They did say the you definitely weren't their partner.

You mean AOL? <snicker>

But seriously, I haven't broken any laws, so good luck with that whole "reporting" thing.

Excellent. Continue to do so... as opposed to bitching at me just because somebody crossposted
one of my posts into your group.

Don't worry about that, hun. I'll forward this little memo of yours over to them, RIGHT NOW.

See? All the work will be done for you. :) You're Welcome.

Mr. Wannabee Tough Guy (aka dxAce) is at:

Steven R. Lare
824 West 25th St.,
Holland, MI 49423

Surely at LEAST one of the many men he has insulted and attacked while hiding behind his computer screen will be delighted to know his exact location.

Good luck. :)

seems
obsessed with changing his nic to by pass filters and spam, cross post off topic
and basically harass multiple newsgroups with repetitive message's of no meaning.
I have included some of the dozens of screen nics along with the headers of the

Codswallop

I have worked for manufacturers, service agents and service departments... and they all have had oscilloscopes available and in use. They have also a range of other test equipment, including analyzers and some rather basic equipment, in use. One was still using some old tube type test equipment... it may have been older than me. The task it was used for could also be done with much more modern and expensive test equipment but, equally, it did not need such equipment.

Other test equipment, such as analyzers, can be seen in use by factory production staff who have absolutely no electronic qualifications. These staff cannot tell one end of a diode from another, but they are cheap labor.
Lack of knowledge does not stop them from using such equipment for it's purpose.

I have never known a company or their staff select a piece of test equipment based on whether they can use it. In reality, the choice of test equipment comes down to other factors such as cost and requirements for the job.

Not only are there the purchase costs, but then the regular calibration costs. More expensive equipment generally costs more to have calibrated or serviced.
A company will generally have a range of equipment available, each for it's own purpose. If an engineer ties up an expensive piece of test equipment to carry out a simple measurement, he is likely to get his ass kicked when someone complains it is not there and they really need it.

You also have to remember that time is money. If you can get the reading quickly on a basic peice of test equipment, why waste time?

Was you aware that the CB legal specification, MPT1382, actually states that an oscilloscope should be used for certain tests? Any UK CB must pass these tests before it can be placed on the market.

> Then why bother with this group?

The answer is out there to be seen. Even the Griffter caught on to it, and did his homework.

I can see how it could be difficult for some people to understand - those who only use the group to play games with CB users, rather like a cat plays with a mouse before leaving it for dead.

Are you one of those people, who only come here to mess with the minds of those genuinely interested in CB?

Regards,
Peter.

its supposed to be a PAID replacement for Microsoft Frontpage Express (it
has similar functionality).

However, if you are looking for a real web design app, you may have to look
at the likes of Adobe and some others.

Every time you change your screen nic and do those stupid posts, saying
the same thing a dozen times or more.

>
> you have been sending these emails for what 2 years or is it 3? I
> honestly don't know, or much care

Actually, only once or maybe twice, but again see above.
As for you caring??? That's obvious, if you cared, you would not do
that crap.

>
> my point is course that it is insane to keep under taking to same
> course of action and expecting a different result

Not really. It took at least four years of Geo harassing people and changing
his screen nic before his ISP yanked him, so goes the course with you.

>
> if you want the inane not insane posts of mine to stop then you have
> to deal with the SOURCE of the problem those making the truly insane

What makes you think I don't? Same goes for them, but one person sending
emails is nothing, but a bunch of people means something.

>
> til then you are wasting your time, and showing your insaninty

Each to their own Mark. By all means keep posting 20 to 30 times a day
with the same nic, but the minute you do the same thing and change you
nic to by pass filters, I'll email them.
People on Rec.Radio.CB are getting fed up with this BS, just like when
Geo was doing it. It took emails from more than one person each time he did
the same thing, then I got a response from his ISP announcing the suspension
of his account.

Again, keep posting, but stop changing your screen nick to by pass filters, you can't use the lame excuse you need too because of posting limits (Teranews doesn't use your screen nic to track you).

|OK James... less not discuss ballasting... because that has no bearing
|in this particular discussion. Maybe you can tell us how the diode
|method of biasing shown at http://www.ifwtech.co.uk/g3sek/tr-bias/tr-bias1.htm
|(bad circuits section) works. And since you think that circuit works
|well. Please tell us why.
|www.telstar-electronics.com
|------------

Actually quite simple if you understand nodal analysis. Per Kirchoff's
Laws the total current leaving a node must equal the current entering
a node. The particular node that is of interest is in bad circuit A,
is the junction of VRI, D1 and the base of the transisitor. For DC
analysis the cap is an open circuit and the RFC is essentially a
short. The current through D1 is set by the value of VR1, the supply
voltage and the internal pn junction of the diode. The voltage drop
across D1 is determined by the current flowing through the diode. In
turn this sets the Vbe voltage of the base/emmitter PN junction. The
instantaineous base/emmiter current varies with RF drive level. Should
this current exceed 1/10th the current through D1, then D1 starts to
loose regulation. This is the basic workings of a shunt regulator. Any
good first year tech should know this.

For either circuits, bad A and B, to work properly, the D1 diode
current should be ten times the peak instantaineous base current of
the RF power transistor. This type of biasing is good for low power RF
devices. When dealing with large power devices, ie in the 100W and
more class, this is not a good bias as the wasted heat in VR1 and D1
is very inefficient and prone to failure. Also there is no protection
should a voltage spike on the DC supply propogate through. Most
bipolar RF device do not like more than about 4 VDC base/emmiter
voltage. Both circuits have no provisions for limiting the bias
voltage in such a manner to cause permanent damage to the base/emitter
junction.

|Holy shit..... Brian flunked first-year techie school!!!!

I am not sure he got far enough to flunk first year. Maybe after teh
first half of the first year. Yes he seems to not understand a basic
shunt regulator circuit or Kirchoff's laws.

Why did you cut all that useful, on topic information?
WTF are you talking about lies? Don't bother to answer,
I left this screen nic out of the bozo bin just for the two
responses. I am going to continue to post that very same
info each time you decide to by pass filters to spam newsgroups.

Hello,
The individual that I am including his post (with headers) is abusing your service
to both
spam and basically harass entire newsgroups. I have this plus the included screen
nic's
kill filled for this reason, but yet he seems obsessed with changing his nic to by
pass
filters and spam, cross post off topic and basically harass multiple newsgroups with
repetitive message's of no meaning.
I have included some of the dozens of screen nics along with the headers of the
same
message posted & cross posted among dozens of newsgroups. I hope that you will ask
this person to cease & desist such posts and stick to on topic discussion and stop
spamming the newsgroups per your very own TOS.

Believe what you want, but there are basic principles of electronics
that you can not deny. Also try and read spec sheets. They don't put
maximum base emmitter voltage in them for the pure heck of it.

I think anyone can win it in the AL. The Tribe has an excellent balanced lineup, and 2 studs in the rotation. But I'll be happiest with 2 choices:

1599. Power Line Noise

Hello All:

I thought you all might like to hear how i got rid of some major power line noise.

The local cb'ers, hams and I have always had severe power line noises. Any where from below the AM Broadcast Band into the VHF Hi Band.

Calls to the power company went in vain. From all the kings men and horses.

Well after one good call to the power company accusing them of purposely installing noisey power grid system, and having Aligns from the planet Cone Head work for them, I hung up in discuss.

Saturday morning I woke up to the Rosters Call, at about 5 AM, the alarm clock was dead no lights no power! I turned on the scanner near the bed, yep no power!

The house is a little cold but livable with a jacket. My emergency back up no shit flashlight is deader then flatten snails in the driveway. Oh good! I turn on my battery operated shortwave radio, runs off 115 VAC or D Cell Batteries. Nothing about anyone loosing power or any major power grid problems off the radio....

So I get the bright ideaer to drive around and see all who ain't got power. A few mins later I realize its just my street and all the rest of the streets have power to the tower. Looking to where my street high voltage lines hook up to the main high voltage wires down the street, I see the Circuit Breaker Coily looking thing dangling a wire about a foot long, indicating the circuit breakers blew open, both of them. Then I am thinking one of the step down transformers must have shorted or blown up, or something went real wrong, on my street. Or someone has a Dooms Day Linear and I don't know about it!

On my old phone (doesn't need wall power to work) calling the power company. Then I notice the power company out there with a crew of guys working the power lines, I hang up not wanting to listen to the power company machine answering system any more.

These guys removed and replaced 3 step down transformers, and added in a very large high voltage capacitor across the high voltage lines.

As power was turned on about 10 AM, I turned on the radios, man what a clean NO noise reception. Usually hearing a S3 to S6 noise level, now the S meter sets on Zero. I could hear a electric fence in the background there somewhere. Stations from Los Angles where now heard in the clear.

160, 80, 40, 20, 15, and 10 11 meters had no noise! Bitchen!

The point off all this is, Its a good call to know the circuit your on, that is the high voltage run, the highest wires that feed the large pole transformers that step down the 14 KV VAC power to 220 VAC for house use. If you know how its laid out you can drive around and sample noise levels. As the other streets didn't have the noise, just my street. Just the one little system of high voltage run was noisy than all get out. But now is super quiet. Not real hard to make a map of the different high voltage circuits in a neighborhood.

Hello Steveo:

I don't really think so. Its pissing in the wind technology. Its a add on goof ball scheme, that getting more attention then BPL has done good. Anytime you modify a system for something other than it was designed for your going to run into big problems. Right off the Bat the ARRL is measuring the RF Signal/Interference levels from BPL and even sueing the FCC over all this. Look at http:www.arrl.org for more details.

A power grid system has a number of maintenance crew who keep it running. What are the equipment, installation, training, test equipment, maintenance costs? And they are going to compete in a home internet sever business, that get $9.98 a house?

And what about the nut balls that are going to shoot out the BPL equipment, and then mistake a brand new transformer like I got, for BPL equipment? Oh man! What about near by interference from a ham or cb operator, you know some of the boys run pretty impressive steam.

With new fiber optics and who know what else is coming that is new and will pass high speed electrons even faster that the Fiber Optics pass photons. Maybe even a wireless system will be put into use.

I found it kind of funny reading some of the material on BPL, kind of like some of those guys all ready have their mind made up before its all up and running. Any new design must be tested and under real world conditions, like noisy transformers, lightening, drunks running into

telephone poles, High Voltage leaking into their equipment, rain, snow high winds with ice, Ham Radio Mucho Power Inc types, and a bunch of other things.

If the countries power grids are in bad shape I'd say that even makes things worst. Remember the power outage in NY City a while back. They will have state and federal authorities breathing down their necks with more power outages.

I would list BPL, in with the Edsel, Probation, X wives, Pissing into the wind, flat spare tires, morse code learning tapes, AOL, Lead Paint, quick sand, trusting polications, 9th grade european history, losing your car keys, having nut cake hackers copy your computer data over BPL to buy them a new car, Ordering new LMR 400 coax and getting date code 1968 Radio Shack RG58C coax, buying that new linear off E-Bay and only measuring 125 watts out after the guy told you it would do 550 watts on his Mickey Mouse Dorsey CB'er guy wish watt meter, and much more.

Hello Jay

Oh man you got long winded that time and it got better with every
sentence/paragraph. I hope you're right about the flat spare tire BPL
analogy. It boils down to how much cash can they pocket from it and to hell
with the amateur radio enthusiast complaining about it.

I understand it sounds like a bee hive in your ear.

I have for sale an SGC SG-2000 ADSP2 (Digital Singal Processing) 150 watt HF transceiver.

This Unit is for both Amateur radio and Marine radio use.

It transmitts and receives CONTINUOUSLY from 1.8 Mhz to 30 Mhz with no gaps. USB, LSB, CW & AM.

The unit is electronically perfect, the front panel is perfect. There are a few scratches on the top of the case.

It comes with the mic, DC power cord, all metal base and quick start card.

I will ship internationally.

The price is $1,150 plus actual shipping charges.

You can email me at: w7gsa@yahoo.com (w7gsa at gmail.com) or you can phone me at 904-821-5055 9am to 9pm eastern time.

For more detailed information go to: - - http://sgcworld.com/Publications/Manuals/ADSP2Head.pdf

Ok a hole lot more in here in the power line system noise issue.

A local ham that has a rather impressive antenna farm here just down the raod, and one street over from me, I have early morning coffee at the local due drop Inn with a few of the boys. So that Dx Frequencies, Ham radio and CB things can be hashed out. You would have to be there I guess to get the full jest.

I asked him to listen in on all the ham bands and see if there was any less noise on the bands, since the the power company fixed my street bad power transformers. He called me up after coffee section, and invited me over for a listen in to 20, 15, and 10 meters. He has all these mono beams up on those bands.

We could hear DX Stations rolling in and around 14.200 Mc, on his older Yasue FT1000 Radio, with no noise holding up the S-meter. But we did hear inbetween the stations way off lightening, and a different type of noise you hear when the band is kind of open. This was great to hear a noise free radio, and not just mine. So the power company fix really worked great!

We listened in on 15, 10, and 11 meters very quiet, no power line noise. We now wanted the bands to open up, and let the skip condations and DX to run.

James,

You appear to have a low opinion of US military training.

If that is the extent of US military training, America had best
get her troops out of Iraq while there are still some alive.

Define partner.

As a salesman, Griffter Man is allowed some poetic license.
If he has purchased products from a company, as far as he
is concerned, that makes them a "partner".

Maybe, as named partners, they should all get a share in
his profits. Then again, I would it would cover the cost
of mailing a request?

Before all the usual members of this group beg for a pay
rise we should first see if our hard work, making the facts
known, really justifies it...

Not only does he appear to be well below target, but his sales appear
to be dropping and he appears to be paying extra for that drop.

We had better also check for any other effects of this trend...

"Telstar Electronics" <briangriffey@sbcglobal.net> wrote...
>
> We are considering a price reduction to stimulate sales during

Since we have been publishing the true facts; sales have dropped,
costs have risen, and he is having to reduce the price of
remaining units just to shift them.

Now, do you really think he should thank us for revealing
the truth?

At least if he was paying us, he could sack us for telling
people the truth. After all, that is not the job of a salesman
or PR person.
He knows that the best he can now hope for is to try to make
us look even more stupid than he has made himself look.

Considering his lack of real knowledge, and the trend as he keeps yapping, he is more likely to dig himself a deeper hole. But, like the gambling addict, he will not see that the odds are against him. He thinks that the trend will change on the next roll of the dice.
Keep rolling that Dice, Griffter Man, make your enemies very happy people.

Regards,
Peter.

You know nothing about my life, so your attempt at an
insult merely shows your embarassment at the truth
being made public.
You really should have "come out" at the beginning.

> I've been redesigning m web site

You want a medal, or a chest to pin it on?

What is it, another WYSIWYG package, for those who
like to think they can do Web programming?
You can fully design a Web site with nothing more than a
text editor and a standard browser to check it.

> very nice with the CSS.

CSS has been about for a few years now, it's nothing new. It
does not need special tools, CSS can be created with a standard
text editor.
That is, if you really can do Web pages.

Or is it like your electronic "design work"; someone else does
all the work, and you put your name on it. That's what these
"Web design" packages really are - you are simply dipping into
a resource of code someone else created, and claiming the
completed article as your work.

I have also just updated some pages on my site. However, I
use all my own code... including CSS, PHP, Jscript and W3
standard xHTML.
No third-party code and no third-party hosted scripts.

Nothing wrong with using resources, as long as you admit
to just being a salesman. Claiming third-party resources
as your own work shows a willingness to lie in order to
make sales.

Peter.

Is this group about cb radio at all???
I mean I welcome the good old days of people argiung about amplifiers and antennas and all that stuff. Davemade vs noname and anything resembling that.
All you seem to get now is who is the most gay, who sucks cock, who likes transsexuals and of course the ever constant spam of brian griffey who at the very least is on topic and never and I mean never gives up. Have all the real cb folk left and is this group soley gay or dare I say bi-sexual. Since it appears that some here that like cock are also married to a woman that I have empathy for. I mean why this group. There are so many groups and places on the net that support and like homosexual and transsexual topics...
Is it really that hard to stya on topic in this group?
Even if we disagree cant we just disagree on SWR, Antennas, Beam Arrays, Amplifiers and the like????

Signed a very old CB Keydowner that used to have fun on this group back in the early and middle 90's....

Hello Old Knick:

This news group is just like a bar out in the wild west here. There are all kinds of different types here.

If you bring attention to the goof balls there will keep posting. If you ignor them they will go away.

Have you posted any radio related postings?

We need to ignor the goofs, and start posting the good stuff.

Thats cuz you want ice cubes in your booty, wrist flipper. Barry,
Barry, Barry...you can be in QST all you want but you are still a
wrist flipping keyclown.

Hell yeah! I'm game for some kinda gentleman's bet. Maybe a Sig file would work too - like Yankees rule -or- Indians rule. We can work out how long it has to be posted afterwords? It's free and embarrassing!

Do you have the sack to post 'Cleveland Indians rule' in your sig file ?

I would like to join in. I actually like 70cm because the 1/4 wave
antenna is the same length as my dick and can sit on the antenna (up
my ass) and get a charge of HOT RF using a high power KLM amplifier
which allows me to shoot a really BIG load.

Far from that. Electronics training in the military is adequate for
technician level repair and understanding. Not as sufficient for
design work unless the person is gifted.

I see the SplatterMax is going down the same path as your amp; drop
the price bit by bit until you finally accept the fact that nobody
wants your junk, justify it as some sort of economic viability issue,
then beg the groups for new ideas.

Maybe you should just start the brain-picking now. That way you could
have your next magical CB accessory on the market before you run out
of "buyers" for your current entrepreneurial fiasco.

Out of context, my bottom... that was the whole reply to the
question identity.

As I say, that was your complete reply... there is nothing
to put it back in with.

No problem so far, but the following group of words do not
appear to make sense when grouped as they are (or following
the above)...

> have the that duty

Some punctuation may also help.
I guess that should be at the end of the above, as the following
makes sense as a sentence (apart from spelling/typing errors)...

> I person just lump them all under what ever label I
> feel like suing that day

I can cope with typing errors, but I cannot get the meaning of
"have the that duty"

There may also be some ambiguity.
Are you trying to saying that Griffter is not required to guess the
name of his assailant?

If so, then the same applies the other way. Many people appear
to believe that a person using the newsgroup has a duty to give
their full name and address.

Unless someone is wanting to sell you something or asking for personal information, does it really matter who they are? Would Brian be any better off if they gave their other identity, would that mean any more to him than no name?

Regards,
Peter.

I know that CB is a non-tech hobby, but that is taking it
too far :~)

Being called a "dumbass" may carry more meaning if the
accuser showed some grasp of language skills.

A while back, we had some more riots. It would seem that
the Black community believe that the Asian community are
taking all the businesses.
Although the truth is that nobody is taking businesses, they
are legally buying them as anyone else could, I cannot
help but see the funny side of that idea.

That rates nearly as high as a line from a BBC program...
"Racism is where white people discriminate against non-whites"
That was an "educational" program, they were absolutely serious.

Peter.

I am glad to hear that. However, Griffter does not appear to
have even technician level knowledge. My guess is that he has
"screwdriver expert" training, taught through the game of
Chinese Whispers.

Here in the UK, the things he has trouble with are covered
within the first few weeks of any electronics training. Even
an engineer or technician level course, which starts at the
very basic electrical theory, should cover it within about
6 weeks.

I believe that UK schools may now cover basic electronic
theory, kids are leaving school understanding the basics.
Back when I was a lad, schools only taught how to wire a
plug and the basic bulb and battery stuff.

> Not as sufficient for design work unless the person
> is gifted.

Did you say Griffted?

There is nothing wrong with different levels and training,
CB is intended for non-technical people.
What gets to me is when someone uses this non-tech status
of CB to con the users. CB is littered with people who claim
to be technicians, but have no *real* electronic understanding.

They know that they can use any words and phrases that
sound good, and most CB users will believe it. It sure seems
to wind them up when they end up tripping on their own words.

This trickery is not new, salesmen use it to sell whatever makes
them the best profit. For decades, engineers have used
deception to get out of guarantee and rental repairs...
"It's your aerial, Madam"
"It's noisy mains, Madam"
Both well known lines used to get out of a repair.

With claims of knowledge and thousands of Quid worth of
test equipment, such people have ripped off CB users for years.
Here in the UK, most CB "rig doctors" are totally unqualified,
muddling their way through - then turning to a real engineer

when things go seriously wrong.
Regardless of how qualified and experienced someone is, CB repairs do not usually cover the cost of anything more than the basic equipment required for the job.

Regards,
Peter.

Damn PC Brigade will not be happy until they ban the whole of
the English language. Did you know that a UK local government
department banned the use of certain four letter words... like "Lady".

Seriously, it was one of a list of common English words they said
may offend people.

You use the word "war", but was not referring to a war?

So, which war was you referring to and why are you so
bothered by it?

Considering such outbursts, you really need to get a grip. I

Ah, so you hate the British. This is all about some old hatred

much, and spend too much time watching TV.

you *still* haven't responded to my query about acquiring a test unit to
compare to other manufacturer's brands.....
btw, that feedback number looks rather low for someone "making a profit".

Couldn't tell ya if its busy around here. Except for a short period when I threw up a big stick I haven't been on the air since the second story was put on the house 3 years ago. Dont forget that I'm further east than you and there weren't a hell of a lot of operators out here in the sticks to begin with.

You are a disgrace to your religion, and to humanity in general.

You keep posting your constant crappy "quote", which if you were going to "quote it - it should be done correctly given full credit"!

You are constantly blaming someone named "WOGER" for spamming the NG, and I only see your spamming posts, not his!!! (NO - I don't have him blocked)

You need to get a life and stop annoying everybody with your childish garbage!

You're right... the noise gate is a fantastic feature. Without it...
VoiceMax would amplify low-level background noise to intolerable
limits. The noise gate is like a dream come true... allowing
amplification of the voice only.

I have For Sale aN SG-2000 ADSP2 (Digital Singal Processing) 150 watt HF transceiver.

This Unit is for both Amateur radio and Marine radio use.

It transmitts and receives CONTINUOUSLY from 1.8 Mhz to 30 Mhz with no gaps. USB, LSB, CW & AM.

The unit is electronically perfect, the front panel is perfect. There are a few scratches on the top of the case.

It comes with the mic, DC power cord, all metal base and quick start card. Updated manual is available for Free online.
I will ship internationally.

The price is $1,050 plus actual shipping charges.

You can email me at: w7gsa@yahoo.com (w7gsa at yahoo.com) or you can phone me at 904-821-5055 9am to 9pm eastern time.

For more detailed information go to: - - http://sgcworld.com/Publications/Manuals/ADSP2Head.pdf

Please email me for pictures.

I will also consider a trade for a 400 to 600 watt HF amp, like an SG-500 or similar.

Who died and made you the newsgroup cop?
I see that most of your posts are in troll threads, which I
don't bother downloading. Maybe you are trying to be a
cop in those threads, but doing nothing more than adding
to the noise and feeding the trolls.
Or maybe you are one of the trolls, which would explain
the use of several names in the group.

> just a put down of the current generation

Wrong.
First of all, it is just a joke. Some of us can see the funny
side of changes in culture.

Secondly, the kids of today did not decide to come into
this world and do not decide who their parents live
with or marry.

If it is insulting anyone, it is MY generation.
Considering the big mistakes we are making and the way we
treat this generation of children, I would say they are
doing pretty well.

Regards,
Peter.

According to the Collins Cobuild English dictionary*...
Codswallop: Nonsense (informal).

The Collins Cobuild dictionary* describes certain four-letter
words as either "rude" or "very rude".
Codswallop, like many other words that are in everyday
use, is described as "informal".

As you seem unable to tell the difference between informal and
rude, this is how Collins decide which label to give a word:
Rude: Considered taboo by some people, so should be avoided.
Very rude: Considered taboo by most people, should be avoided.
Informal: Used mainly in informal situations, conversations
and personal letters.

This group is an informal situation, and posts are informal, so
informal words are totally acceptable.

Regards,
Peter.

I suppose that it is possible.
They could say that, by calling them "partners", he is suggesting that they are somehow involved in Telspam. Any bad image created by Telspam could affect their image, they could even get complaints and loss of sales.

This kind of reaction can happen. I have known a radio station to get complaints about a dating service that they advertised. The wording of the adverts may have suggested that the radio station was more involved than simply as a supplier of advertising time.

But I would expect that, first of all, they would demand that he removes suggestions of their involvement and places a large notice on his site to inform those who may have seen it previously.

Peter.

Hello Steveo:

Oh yeah sure,

Extra stuff: An extra tower for a 5 element beam. They seeem to give the most bang for the buck. As the cost of the Boom (the most expensive material cost) length at say .75 wavelengths long. As the beam has more elements the cost of the Boom will start to not be a good deal to get a few extra dB.

Hello Tony:

Your e-mail address that you sent me bounced. So I will answer you here.

I use Amidon FT-240-K Toroid Cores that are 2.4 inches in diameter. I wrap two each 12 or 14 gauge Thermaze Wires, taped together, at least 7 to 9 turns for the 10/11 meter band. I use a few more turns for the lower bands 40/80/160. The input or output side doesn't matter which end you use.

The Balun is installed between the coax and the dipole feed point. The coiled wires around the Toroid Core will appear to choke off all current going thru it, but thats not how it works. As the unbalanced currents are applied from the coax into the two windings, the current are allowed to be equal and opposite (just what you after) in the output being connected to the dipole feed point in the middle of the antenna.

Also the Toroid Balun Chokes off currents wanting to travel down the outer side of the coax shield. Without the Balun choking off these currents wanting to run down the coax, these currents will make the antenna work at a lower frequency, and in some case with a much worst SWR at the frequency the dipole is cut for.

Look up Balun on Google and there are a lot of good sites explaining all this.

I have Baluns on the Beams, and I have a cheapie Alpha Delta dipole antenna that I have a Balun on and it works great. I would not try it without a balun.

I see that I've been absent for far too long. I may have to get involved and take steps to get
Roger booted from yet another account.
In the past, Pam Hoffer booted Roger from his Ovis account within one day of receiving the snail mail I sent her of Roger's filthy comments. I was also instrumental in getting him booted from his pre Ovis account. I struck twice, and succeeded in getting Roger booted twice. Part of my letter is below.

"It may interest you to know that Mr. Wiseman used to have an account with Ovis.net, run by a Pam Hoffer. Mr. Wiseman had his Ovis account canceled just prior to signing on with you. The reason he was canceled from Ovis and the provider before that was because of his extremely filthy language and personal abuse of several users, including but not limited to Mr. Davies. Roger even had some very foul things to say about Ms. Hoffer and when she read what he said his Ovis account was canceled the very next day."

What did Roger say, you ask? Well, to be mild, he accused Ms. Hoffer of having an alleged sexual affair with a non-existent black man who was supposedly in her employ at the time. I'm sure there are users hereabouts who can find his direct quotes and who will probably post them for us to see.

I am rather proud of the fact that I was instrumental in giving Roger the proverbial "boot". Of course I must give credit where credit is due, and I am thankful to Stagger Lee who contributed so much by archiving Roger's filthy diatribes.

We succeeded in that we forced Roger to go "underground" and for a long while he posted via proxy servers or through multiple forwarding anon services.

I can see by his headers that he has again become lax with his posts. He can count on hearing more from me in the future.

Thanks.

I am still adding to it, when I get time. There's never enough
hours in the day. I do have some more pages to upload soon.

My focus may, at times, be shifted by what is happening
here. My daughter has just been doing the batteries and
bulbs bit at school, and may soon go on to basic electronics.

I have done a couple of charts for her, using vector
graphics. Unfortunately, in any bitmap format, they would
need to be massive downloads or poor quality.
But I am working on splitting it for Web pages.

My son does not talk of what he is up to at school, although
I know he took his German exam 2 years early so that he
could drop German in favour of specialized math topics.
They plan to get him through that exam in less than a year,
which is still a year before others will do their regular exams.
Mention soccer to him, and that is a different matter.

Regards,
Peter.

You miss the point.
Calling someone dumb, while displaying a lack of basic skills,
makes you look stupid and foolish.

Rather than feeling insulted, they just get to laugh at you.

He has a lot of great movies, The Mighty Ducks, Men At Work, and many
many more.

My favorite is this one called Judgement Night.

What is your favorite Emilo Estevez movie?

I'm guessing that 90% of replies will be the classic Mighty Ducks.

Maximum Overdrive was his best movie.
Young Guns was his best starring role.
His best movie was the Outsiders.

Don Imus could be returning to radio by early next year, according to
published reports, but there are no solid plans in the works to put the
broadcast on television, as was the case with his previous show for CBS
Radio, which was simulcast by MSNBC. (Imus, however, has reportedly had
preliminary conversations with Roger Ailes, head of Fox News Channel and
the Fox Business Network.) Advertising Age indicated today (Monday) that
Citadel Broadcasting, which bought ABC Radio and its stations, is likely to
face advertisers' reluctance to buy commercials for their products on the
ABC stations, given Imus's controversial remarks about the Rutgers' women's
basketball team. But in an interview with the New York Times, Citadel CEO
Farid Suleman remarked that Imus has "more than paid the price for what he
did. I think he should be evaluated by what he does going forward."

Hey pretty baby are you ready for me
It's your good rockin' daddy down from Tennessee
I'm just out of Austin bound for San Antone
With the radio blastin' and the bird dog on
There's a speed trap up ahead in Selma Town
But no local yokel gonna shut me down
'Cause me and my boys got this rig unwound
And we've come a thousand miles from a Guitar Town
Nothin' ever happened 'round my hometown
And I ain't the kind to just hang around
But I heard someone callin' my name one day
And I followed that voice down the lost highway
Everybody told me you can't get far
On thirty-seven dollars and a jap guitar
Now I'm smokin' into Texas with the hammer down
And a rockin' little combo from the Guitar Town

Hey pretty baby don't you know it ain't my fault
I love to hear the steel belts hummin' on the asphalt
Wake up in the middle of the night in a truck stop
Stumble in the restaurant wonderin' why I don't stop

Gotta keep rockin' why I still can
I gotta two pack habit and a motel tan
But when my boots hit the boards I'm a brand new man
With my back to the riser I make my stand
And hey pretty baby won't you hold me tight
We're loadin' up and rollin' out of here tonight
One of these days I'm gonna settle down
And take you back with me to the Guitar Town

That movie Reindeer Games is my favorite, or at least one of them.

Some of these one star movies are actually pretty good.

Yeah! Whats the songs title?

I make my own CD's and play em back over a FM transmitter (sorry a legal one) but I put a better antenna and have about half a block range. So no matter where I am at in the desert (err the antenna range) I have custom tunes. Its important to have the right tunes, country to rock to westen to folk to some power blue grass, to oldies, ect.

My neighboor loves the music I play, but he's old school. Runs a extension cord out to his old truck, a battery charger runs the radio.

Life is good in the desert.

Good one! I like this one too. (i ain't ever satisfied)

I was born by the railroad tracks
Well the train whistle wailed and i wailed right back
Well papa left mama when i was quite young
He said now "one of these days you're gonna follow me son"

Woh-oh-oh-oh-oh-oh-oh-oh
I ain't ever satisfied
Woh-oh-oh-oh-oh-oh-oh-oh
I ain't ever satisfied

Now i had me a woman she was my world
But i ran off with my back street girl
Now my back street woman could not be true
She left me standin' on the boulevard thinkin' bout you

I got an empty feeling deep inside
I'm going over to the other side

Last night i dreamed i made it to the promise land
I was standin' at the gate and i had the key in my hand
Saint peter said "come on in boy, you're finally home"
I said "no thanks pete, i'll just be moving along"

Hi Jay

Who kould argue with those kredintials? (what happened to the big block Ford?)

The song/album is guitar town. great tracks especially if'n you like that country with your rock n roll.

Hi Jay, I don't see anything good about bpl, but I have cable so perhaps
I'm not a good comparison to someone that only has electric lines
someplace.

I will try to *aim* some nasty shit at the bpl as much as I can if it comes
anyplace near me. (i get the feeling i won't be the only one from what i
hear on the air)

BPL would work great, if the electric utility industry didn't seem to think maintenance was an option. As it stands now, most transmission and distribution providers are starving the maintenance departments to provide higher returns for the stockholders. Fine and dandy if you are waiting on a storm to come to you and provide write-offs to rebuild your infrastructure. Not so good if you want to provide good internet service. BPL is not a viable option on a large scale...with the state of the industry now.

Rodgo. Icom is different than most HF radios in that the transmitter feeds
the mic. I have an old SM-5 that seems to work ok for me. I was wondering
if the upgrade to th sm-8 or sm-20 would be worth the $100-150 extra?

I talk to a local guy that did the conversion to the d-104 with an icom and
his audio is good too. Strange bird for microphones.

Just because there is a standard does not mean it will be a major
player in the broadband business. ALl I gleen from this article is
that there are now two competing proposals for a standard.

Still BPL has major hurdles to overcome in that telcos like Verizon,
as well as cable providers, are converting their distribution lines
from copper to fiber. Fiber offers superior advantages over copper and
even power lines for transmission of broadband data.

The major advantage of BPL is that nearly 100% of homes in the US are
already penetrated with power lines. Cable is at about 75% level and
telcos are at about 95% level. That is what they are banking on that
the power lines are already to the house. No added infrastructure in
transmission lines has to be deployed. Only equiptment that is a
rather significant cost factor in rolling out BPL.

For me I would take fiber any day over BPL.

Wasn't initially proposed as a broadband option for rural homes, homes without cable access? It seems like more than just that now.

A real CBer reacts to the sight of channel displays, signal meters and LED bar type meters in much the same way as a real amateur reacts to the sight of a nice pair of 6146s or a heavy metal fan reacts to the sight of an air guitar. They grab a napkin and rush (with a limp) to the restroom.

That, Steve, is why only a real CBer goes blind after seeing so many CBs lit up.

1. Point.
2. Click.

Cheap camera phone, cheapest on the market. 640x480,
poor night mode and extremely poor close up.
It's also very slow reacting. It takes some time to adjust
for the light, and takes a couple of seconds to take the
picture after you press the button.

You should see some of the strange effects. Apart
from adding colours that were not present, it can
make very solid objects look warped.

But it does for what I need. Anything better would
only get stolen.

Peter.

Http://www.theradiolist.com - a new website has launched! find and listen to your favorite radios or promote your own radio.
You can add your radio free for now, the website is currently in a testing period.
There are some cool features like a browser player, with the embed code so you can take the player and put it anywhere (just like youtube videos), free hosting of your .asx .pls .ram files, and many more.

Please insert your COCK in a truck drivers asshole today.

Keep America's truckers happy.

If it was not for the truckers, none of our stores would have food, hardware, clothing, or anything else. Show your support and thanks for our wonderful truckers.

It's lonely out there on the highway and they desperately need some loving and a relase of frustrations.

All truck drivers are homosexuals. In order to get hired as a trucker, they must prove they are gay by butt fucking the hirer.

Only YOU can thank a trucker by inserting your cock in their asshole. It's easy, just pull into any truck stop. Walk over to any trucker resting in his cab, drop your pants, and SATISFY him.

Thank you from the American Truckers Union, and keep on trucking....

This message brought to you by the American Truckers Union.

I'm trying to locate a Sharp CB probably from the late 60's (bought second-hand in 1972). It worked both in-car when inserted into a bracket (a plug in the bracket went into a socket in the back of the radio) and out of the car off batteries in the radio. It had an extensible antenna in the radio, and a fold out carrying handle. It was a crystal set, and must have weighed over 5 pounds.
Has anybody seen or used one of these?

In the beginning, God created the Heavens and the Earth and populated the Earth with broccoli, cauliflower and spinach, green and yellow and red vegetables of all kinds, so Man and Woman would live long and healthy lives.

Then using God's great gifts, Satan created Ben and Jerry's Ice Cream and Krispy Creme Donuts. And Satan said, "You want chocolate with that?"

And Man said, "Yes!" and Woman said, "and as long as you're at it, add some sprinkles." And they gained 10 pounds. And Satan smiled.

And God created the healthful yogurt that Woman might keep the figure that Man found so fair. And Satan brought forth white flour from the wheat, and sugar from the cane and combined them.

And Woman went from size 6 to size 14.

So God said, "Try my fresh green salad." And Satan presented Thousand-Island Dressing, buttery croutons and garlic toast on the side.

And Man and Woman unfastened their belts following the repast.

God then said, "I have sent you heart healthy vegetables, and olive oil in which to cook them."

And Satan brought forth deep fried fish and chicken-fried steak so big it needed its own platter.

And Man gained more weight and his cholesterol went through the roof. God then created a light, fluffy white cake, named it "Angel Food Cake," and said, "It is good."

Satan then created chocolate cake and named it "Devil's Food."

God then brought forth running shoes so that His children might lose those extra pounds. And Satan gave cable TV with a remote control so Man would not have to toil changing the channels.

And Man and Woman laughed and cried before the flickering blue light and gained pounds.

Then God brought forth the potato, naturally low in fat and brimming with nutrition. And Satan peeled off the healthful skin and sliced the starchy center into chips and deep-fried them.

And Man gained pounds.

God then gave lean beef so that Man might consume fewer calories and still satisfy his appetite.

And Satan created McDonald's and its 99-cent double cheeseburger.

Then said, "You want fries with that?" And Man replied, "Yes!
And super size them!"

And Satan said, "It is good."

And Man went into cardiac arrest.

God sighed and created quadruple bypass surgery.

Then Satan created HMOs.

|
|----------------

Yes BPL was invisioned to provide broadband service to rural areas where cable would never be able to do so. As Verizon and cable companies roll out fiber across the nation, BPL will become less attractive. Overall usable bandwidth of fiber can realistically exceed that of BPL. In the long term fiber will be cheaper infrastructure than BPL could ever be and more reliable, especially in high wind areas.

BPL does have its merrits but for long term viability, I do not see it here in the US. May be in emerging countries were the power line infrastructure is in place and the cost of fiber and/or telco copper wire infrastructure is not feasable. One such would be China. China has found that it is cheaper and more efficient to put in wireless phones systems than standard telco to rural areas. There power lines far exceed telco lines for broadband connections.

Nice seeing a team win with fractions of the payroll that the Yankees and
Redsox are used to winning with, eh? -- Baseball needs a salary cap too.

Yeah, even though he was pissed, he still had the class to just say they
didn't treat him right, really a class act if you ask me. Shame, too, he
still has many years left and they had better hope he goes to the national
league.

Hello All:

Here is a link showing the sun spot activity, skip was ah roaring last night, from all over the country.

http://solarscience.msfc.nasa.gov/SunspotCycle.shtml

So maybe skip conditions may be improving?!?!?!?

Also keep an ear open on 28.400 USB, plus or minus a hand full of Kc's as this is now a hot frequency for those who have a no code Technician Lic. And gets pretty active when the skip is running.

No schematic, but it easy enough.

The M6 used a 7 volt battery in a yellow plastic holder that always broke.
The M6B used a 9 volt battery that clipped to the circuit board.

The M6 was louder but the M6B has a connector for the cord for quick
replacement. The same quick cord connector is in my 636L. The 636L is a
noise canceling mike that never needs batteries. There is another version
of the 636 that's for PA use. Don't get _that_ one! :)

" attmosphere condations" have little to do with HF propagation, not even when "atmospheric conditions" is spelled properly. Conditions in the ionosphere do.

James,

Once you realize that every post made is not purely for your
titillation, and that we really can survive without your approval
of any particular post, then you will worry less about it.
I certainly don't have the time to report on every post that
fails to excite me, I just ignore them.

If failure to be impressed or interested is the worst of your
problems with messages on this group, then you are indeed a
lucky chap.
There was a time when following a link on this group could
leave you with much to explain about why certain content has
been found on your hard drive.

Regards,
Peter.

technically yes. But I sure as heck don't want to live up there.

The proper use would have been "atmospheric conditions". Even more
specific would be "ionospheric conditions".

You were the first to post the question. I did postulate that you
intended a response. Usually when one posts an interrogative and is
seeking responses, they should expect both positive, neutral and
negative responses. Mine was intended to be more neutral and I
explained my position. It was not intended to be derogatory. Instead
it was to show that not all responses would be positive.

Now if less than favorable responses are not easily accepted maybe you
should refrain from such behavior in the future.

Trust me there are times when I do not respond to your posts and others, as they are not warranted, I find them less intellectually stimulating, or I care not to go where the thread may ultimately end up. Remember, this is entertainment. It is something that one should remember and often forgets.

To be honest I purge the news reader database from time to time when the partition on the hard drive gets full. Besides if I want to go back and review older posts I can use google. They have archives of the USENET that spans back to 1992 and I don't need to keep large amounts on the hard drive.

OK More attmosphere condations info:

http://www.nwra-az.com/spawx/ssne24.html

We had a couple of days of skip that came in hard and heavy last
weekend. All the bands seemed to be hopping. Nows the time to put up a
beam and listen in..... Its seems to be a better time to listen in as
the skip and condations maybe gettin better, but still have weird
stations coming in from all over, a lot of fun.

I have PC Board material - components and other stuff.

I have "some" parts for older equipment (ham/cb/2way) and even came into some "boatanchors" - inquire with needs. Not all is listed on web site - too much to list! Trying to clear stuff out. Monthly specials also available while they last. If I don't "have" what you need - I can check my resources to try to "find" what you need.

New items also available.

Hello Vienne:

I have a Icom 746, and a 746 PRO, the transmit on the 746 seems to sound
better but this was Bill Goods radio, before he passed away, and I am
its hot rodded.

But the Pro 746 has a very impressive receiver. With the DSP and
adjustable bandpass filters. I have filtered / attenuated out stations
on USB while trying to use LSB. Keeping my ears and eyes open for the
next generation of DSP and digital bandpass.

There was one:

I am not sure if there were any others, but I seem to remember something
about a Midland SSB handheld in the 70s.

I imagine it would be somewhat of a battery hog on transmit. (depending on
the output) I sorta remember one being made back when, but I don't recall
the brand.

Hello Jay

I just fired it up about a half hour ago and San Diego is rolling it fairly
well, talked to two stations out there. I feel bad for those people with
the wildfires burning down their homes out that way.

Hello Steveo:

Yeah Where on the west coast where hammered with stations from all over the country, both from the north and east directions.

The wild fires are a real concerm for many as the fire storms brounght on by the Sanata Ana Winds burned out too many homes.

I keep an ear on the VHF Murs channels, and a bunch of old mostly unused VHF business channels, maybe to lazy to program new frequencies, but out here in the Mojave Desert there arn't too many active frequencies. Every once and while I will hear someone yep yapping. But hearing fire fighter traffic all over the bands even on the VHF Low Band channels. Helo's and spotter fire fighter aircraft fill the airwaves. I have a rell broad band VHF ground plane antenna, made from coffee cans.

Hello Steveo:

No the wild fires are miles and miles away from me. But I can hear the repeaters out of the Los Angles areas most of the times with a beam. Every summer theres always some clowns who have to start fires. Maybe they need to have their Dxxx nailed to the wall on the six o'clock news.

I can't believe the sensational, none journalistic, communist news crews who have to have a close photo of people who have lost their homes. I'd have those basterds arrested.

It was a reply to Steve.
If, in a crowded place, you ask a friend a question, are you inviting
a response from anyone who hears you?

> Now if less than favorable responses are not easily accepted
> maybe you should refrain from such behavior in the future.

I never said that I don't accept them, just that I am so
surprised that you find the time to respond to something
you have so little interest in.

Plenty of posts in this group do not impress me, so I just
ignore them. Most of them don't even get downloaded. It is
not just posts which are off-topic, but also those which do
not interest me.

I certainly don't reply just to say that I am not impressed
or that I don't care. I just don't have the time to bother
with stuff that does not really interest me, I am surprised
that you do.

The same applies to Web sites. Some companies and Web
masters make the mistake of believing that the lack of
negative responses means that everyone loves their site. The
truth is that those who don't like it or cannot navigate it
(because of poor design) simply go elsewhere without so much
as a whimper.
People generally only respond when fired up enough about
something.

Even you only have 24 hours in a day and only so many of them
for idle chatter. Did my failure to entertain you really motivate
you enough to spend some of that precious time responding?
Let it all out, what do you really think of CB, the equipment and
those who use it?

> Remember, this is entertainment. It is something that one should
> remember and often forgets.

The words "pure entertainment" come to mind. Some on the
group may be able to put a name to that quote.

It maybe only entertainment to you, but some do post serious
questions and want answers rather than entertainment.
Some also make posts to inform, and may not even read replies.

I suspect that people who only see this group as "entertainment",
and nothing else, are not really interested in CB. They come here
to be "entertained" by people they would like to see as "lower
lifeforms". Maybe they are bored with Jerry Springer, and will
eventually get bored with this "freak-show".
I may be wrong, but that is the impression I get. People on an ego
trip, desperate to feel better than someone else.

> To be honest I purge the news reader database from time to time
> when the partition on the hard drive gets full.

I thought I was the only one the only one running a system small
enough to worry about disk space.
I continually keep mine down to the minimum. I only download and
cache those of interest, blocking the known trolls and spammers
totally. I have it set to delete old messages, and compress the
files regularly.
For example, below your post, I see a reply by someone called
kb9qrz@amsat.org. My filter has decided it to be bum-fodder,
so it was not downloaded. Saves disk space and bandwidth.

For some reason, this group attracts trolls like flies to fresh
steaming crap. Maybe it's because they get fed here.

> Besides if I want to go back and review older posts
> I can use google.

When it comes to newsgroups, Google sucks. But the trolls seem to
like it, many of the troll posts seem to come that way.

Peter.

Let me help you find a Date for this Weekend!

Hope you tried my Super Powerful TIP-1 to find dates.

use http://tinyurl.com/ywvau9

Great, isn't it?

As promised, here we go with the TIP TWO: Use the Power of Net.

There are many General Social Networking Sites, but you may want to
avoid those.

These sites are more into praising their pets and other (many)
blah..blah....

What we need is a website to provide a platform for Singles to meet
other Singles.

An ideal website would be the one with the following:

1. Free Registration services

2. Shows Photos in the profiles.

3. Let's you search for your partner by Zip.

4. Does Not ask you to pay anything. No Credit Card.

5. Let's you contact the members your are interested in.

6. Does compatibility search based on your

Profile and Interests.

7. Let's you search for the latest posted or updated profiles.

8. Keeps your conversations Private.

9. Gives Unlimited Access to their database for free.

10. And the most important: Has Huge Database of profiles with Photos.

I would say there are very few such websites. You may want to check
this website to see
what I'm talking about:

use http://tinyurl.com/ywvau9

Happy Dating!

F the Pats. Belicheck is a cheating scumbag. And BC is all hype. The Sox
are the real deal though.

For example:

1. It is not for those using FM CB
FM CB requires more bandwidth than AM. Using speech
processors on FM CB only distorts and knocks out other
channels.

2. It is not for those in Europe
It does not meet the RoHS legal requirements, making it
illegal to place on the EU market.

3. It is not for use in UK CB radios.
UK CB rules state a maximum average deviation. As a
processor raises the average deviation, it can make a
UK CB illegal to own or use.
(RoHS rules also make it illegal in UK).

4. It may not be for use in American CB radios.
Modifying a CB radio may make it illegal.

So, what is left?
Does it make a good doorstop?

Regards,
Peter.

Wrong, what an idiot, using compression does not increase deviation on FM
an modulation limiter limits the
Audio MAX.

Again a compressor does not change the deviation, the limiter or clipper in
the radio prevents the over deviation.

I am pretty sure that the AH-100 was not an export. There were further knock offs that may have been - i.e. with FM and expanded frequencies.

VoiceMax speech processor is not for everyone...
It's only for radio operators that want maximum range from their rig.
VoiceMax is no gimmick... it uses proven AGC technology to produce
tangible results. Want to know more?

Are the old Johnsons of any value-collectors or otherwise? I got like 4 here to get rid of. I don't have time to bench test them - too much going on. Am thinking of doing E-bay - but haven't made my mind up - yet.

These are the long units with a square body. If any further info is needed, can get it in the morning,

Thanks!

The whole point of the speech processor is to increase the
average modulation (or deviation with FM).
You really need to read up on the subject, consider ALL the
facts...

First of all, consider the UK FM CB legal limits:
RF power output: 4 Watts.
Deviation ("27/81" standard): 2.5KHz.
Deviation (new sets): 2KHz.
Audio bandwidth: 3KHz
Adjacent channel power: 20 microwatts.

You will find that, at 2KHz deviation, the bandwidth of the
transmitted signal goes into the adjacent channel bandwidth.
But this is only on the peaks, which should be only a small part
of the overall signal.
As long as any encroachment on adjacent channels is only on
the peaks, with the average being kept low, users will not
notice it.

A speech processor will increase the average deviation, increasing
the average adjacent channel power. This can cause serious
adjacent channel problems, and take the radio outside of that
20 microWatt limit.
Here in the UK, we have had over 25 years of FM CB and plenty
of distortion and splatter caused by speech processors and
power microphones.

There are also cases where adding a processor makes no
perceived improvement to the audio at the other end, but it sure
as hell starts wiping out adjacent channels. There are some
UK FM CBs which will not sound loud no matter how much
you boost or compress the audio. Some can wipe out two

channels each way, and still sound quiet.

People who have been sold a processor as a cure to these issues,
without anyone looking at why the radio *sounds* quiet, have
been very disappointed when they still had "quiet" audio, but
now a lighter wallet.
But the problem could have been fixed for pennies, without
increasing or compressing the audio.

>limiter limits

You have to consider that the processor has no concept
of what 100% modulation or 2KHz deviation are. The exact
level will depend totally upon what the user sets it at inside
the radio. Unless they have the (properly calibrated) equipment
and the knowledge, then that limit could be be overmodulating
or overdeviating.

> the Audio MAX.

My power supply is 7Amp maximum, should I run it at that
constantly? How about my CB, which takes 1.6 Amp, should
I use a 1.6A fuse?
Of course not; maximum is exactly that, maximum at peaks.

Fitting an FM CB signal within the 10KHz spacing of CB only
works with a low peak AND average. Increase the average
deviation, and all bets are off.

The changes in our CB standards were made after years of trouble.
Every second channel was unusable, we were down to a maximum
of 20 usable channels.
So the standards were changed; maximum deviation was reduced,
average adjacent channel power was stated and receiver adjacent
channel rejection was set at 60dB minimum.
And, just to make sure, UK CBs had to be submitted for testing
before they could be offered for sale (manufacturers were
no longer trusted).

The UK FM legal requirements set maximum peak and average figures.
BOTH requirements must be met, or the radio no longer conforms
to the required specification.
Increasing the AVERAGE deviation may take the radio beyond the
legal requirements for use within the Citizens' Band. This makes

the radio open to seizure, and the user open to prosecution.
If people want to risk losing their equipment and getting an
on-the-spot fine (as the DTI have decided should now be done),
that is their choice. But they should at least be aware of the facts.

Regards,
Peter.

We will hold a raffle that gives the winning ticket the first shot when bin Laden is executed. With 300 million people in America, I think at least half would pay a thousand bucks for that. There's a start.
After that, we sell pay per view to people who wanna watch the waterboarding at Guantanamo Bay. Ought to pay it off and then have enough money to send every liberal to France to boot.
To get even more money, we can hold an "Adopt a Bomb" campaign. For 100 bucks you get a plaque with your name on it attached to a 250 pound general purpose bomb. 500 bucks gets your name on a 2000 pound laser guided bomb, with a copy of the video as it goes in a Mosque window where there are terrorists hiding behind the walls and shooting our troops to boot.
Beyond that, we could just have all the liberals sell blood plasma and turn the proceeds over to the treasury. I think a gallon of plasma from every liberal would be fair. Then we can send their bodies to China and have them harvest the organs....split the proceeds 50/50 with the Commies.

CAPITALISM ROCKS!

2150. HOW TO PAY FOR THE WAR IN IRAQ

We will hold a raffle that gives the winning ticket the first shot when bin Laden is executed. With 300 million people in America, I think at least half would pay a thousand bucks for that. There's a start.
After that, we sell pay per view to people who wanna watch the waterboarding at Guantanamo Bay. Ought to pay it off and then have enough money to send every liberal to France to boot.
To get even more money, we can hold an "Adopt a Bomb" campaign. For 100 bucks you get a plaque with your name on it attached to a 250 pound general purpose bomb. 500 bucks gets your name on a 2000 pound laser guided bomb, with a copy of the video as it goes in a Mosque window where there are terrorists hiding behind the walls and shooting our troops.
Beyond that, we could just have all the liberals sell blood plasma and turn the proceeds over to the treasury. I think a gallon of plasma from every liberal would be fair. Then we can send their bodies to China and have them harvest the organs....split the proceeds 50/50 with the Commies.

CAPITALISM ROCKS!

Maybe snoop around here:
http://www.f-r-s.org/homepage.htm
There's contact info at the bottom of the page.
I think they're only approved for use in the U.S.

If you really need to divert chipmunks, get moparhoLICK on the case.
he will spread his booty cheeks and squat in the yard, with pumpkin
seeds and pieces of the carrots he stuffs up there laying on the
ground as bait. Then the chipmunk comes to snatch the bait and
moparhoLICK does one of 2 things: Either he lets the cute little
chipmunk crawl up his kazoo, or he grabs it and furnace tapes it so he
and his lover chukkeesukkie, can have a 3 some. Poor chipmunks.

Hello Steveo:

yeah its coming in from the north at times, like it wants to have
condations. Saw a neat show on the discovery channel last night about
sun spots, and how the they are magnetic lines of force being broken as
to different parts of the sun rotating at different speeds. Kind of neat Oh!

I might have found the answer, as its possible some wrong diodes have
been installed. Parts are in the way, Will advise.

Keep an ear out as the condations are trying hard to work for shottin skip!

Something else that I should have mentioned, as it seems to be
overlooked too often...

"Willey" <ww@tx.rr.com> wrote...
>
> using compression does not increase deviation on
> FM an modulation limiter limits the
> Audio MAX.

A compressor does NOT limit output to a set level.
What it does is attempt to keep the output at a preset amplitude,
by noticing when it is above or below that level and then starting
to compensate.

Do you see the implications of the above?
The output DOES exceed the preset level, until the system has
realized and compensated for it.

The *peak* deviation is that due to the maximum output
before the level is reduced again, not that of the preset level.

As standard, an FM CB is set so that it peaks at 2KHz absolute
maximum.
If you fit a processor, and adjust for 2KHz deviation, that will
be set for 2KHz when the AGC has corrected the level. Every time
your audio level increases (it is continually changing), the deviation
can hit several times that 2KHz requirement until the AGC has
corrected for the increase.
Totally illegal, and a serious cause of distortion and adjacent
channel interference.

> Again a compressor does not change the deviation,

Incorrect.
See above and the other reply. There would be no point to
the circuit if it did not change the deviation in any way.

> the limiter or clipper in
> the radio prevents the over deviation.

Incorrect.
A manufacturer is free to fit a clipping circuit, if they
wish to - but it is by no means certain that they have.
Even radios from the same manufacturer, or with the
same model number, may use different circuits.
The list below is not a complete list of UK and EU FM CBs,
just a few where I quickly looked at the circuits...

Some use absolutely no clipping or AGC:
Amstrad 900 & 901, Binatone Breaker-phone,
Mustang 1000 & 2000, Spinneytronic.

Some use basic diode clipping, parallel diodes to
ground:
Fidelity 3000, Lowe TX-40.

Some use clipping with two diodes in series (Like
in Lou Franklin's clipping processor):
DNT B40,
Midland 77-104D, 77-104 (CEPT),
Team Lancaster,
Uniden UK CBs.

Some use an op-amp setup similar to the
K-40 processor circuit:
Colt 295, Maxcom 20E,
Magpie Autoscan,
Maxon MX-1000 & MX-2000,
Midland 4001, 77-104 (UK), 77-805.

Some use AGC systems:
Alpha 4000, Binatone Route 66,
Jesan KT 4004 / 5005 / 7007,
Midland 77-099, 77-250K,
Pama GX19 / 25 / 29 / 1000 / 2000.
Shogun (UK CB, not Emperor).

Now for the big question... if the radio does have some form
of processor (clipping or AGC), why the hell would you wish
to spend money putting another one in?

If the radio has no level control, the VoiceMax will be allowed
to take peaks well over the 2KHz deviation - distorting the
received audio and knocking out channels.
If the radio has clipping, then this comes into play and causes
distortion - the exact type of distortion that Griffter claims
will not happen with his product.
If the radio has AGC, then the excessive peaks from The SplatterMax
will still pass straight through... and why fit another AGC circuit
when it already has one?

Oh, and don't forget that the VoiceMax instructions* say that, if a
limiter is fighting your attempts and keep the radio within the
required limits, just disable the limiter.

Regards,
Peter.

Maybe Mark should help Todd write his response to Riley. That would at least

Wrong

A compressor essentially works by reducing the gain of a controlled
stage after an input threshold has been reached. As the input
increases beyond that threshold the gain of the stage is reduced until
it approaches unity gain. In that aspect a limit is reached.

When using high compression ratios, the compressor will act as a
limiter.

Hello Me:

Yeah thats it, I am a graduate from Los Angles City Schools System, and em not impressed with all the hoo raw it takes to correctly spell words at times.

Many years ago we had big problems with some new machinery at work in heavy construction type stuff. The new physco incredo large and expensive bull dozer was working erratic, and was causing major delays.

They (the big boss) called in the manufacture rep guy. A almost well dressed individual, with a attitude to match. I told the boss's to just let the guy work he doesn't need any extra pressure put on him. They do as I say, mostly. He says "Yeah we don't want any extra BS I have already had my a$$ chewed out at the plant.

This guy is great, he has coffee while looking over a manual and some blue prints on the electrical control on the bull dozer. We get the dozer and make a few measurements, and he hooks up his laptop computer, and goes "Oh sh1t this has the wrong software!

He writes a message on paper, asking for a program on a disk or hard drive, or some sort of control module I think. The big boss and a needle dick office type come out and ask, or I should say drill him on spelling a certain word. The Rep replies, U want good spelling or you want the massive iron thing to work? About two hours later a guy shows up with the right whatever and the dozer is ah hummin.

Big Boss writes on the board "we don't need no good spelling, just keep makin roads"

However when I write a resume I click on the spell check do-dad.

yep chukkee sukkee...whenever you hear anything that has the word
"shootin" in it, outta the basement at mommy's you come. like when you
were gonna bring the 9mm to the findlay hamfest, and like when you go
to the Detroiter toilets to get it in your mouth.

Eh, Blow it out your ass Dougie... You threatened me in e-mail a few
years back, said if I showed up at Maumee Hamfest, you'd kill me and
crap... and what the did you do? Shake my hand. you talk a good number

Hello Steveo:

Yeah I called the Mojave Control Tower and told em to get the skip ah rollin. They rudely hung up on me....

But I get the feeling the conditions want to work, anyway. But as everyone has reported the skip slowly comes in and then snaps off and its gone. Same for 10, 12, and 15 meters.

Yep, it's dead as a door nail over here right now but it may open again at
any time, ya never know.

My brother in-law is supposed to bring over an old Kenwwod 520 SE this
evening, to see if it still works or not. Hopefully we will get a band
opening to try it out, if not we'll just talk to the locals and listen to
some honky-tonk!

Try the X2159 tube. in class C plate modulated configuration the stage
will yield about a 2 megawatt AM carrier. May need a small power
station to run the tube. About 20KV on the plate at about 125 amps.
Need a driver with 6KW output. Screen current is 17 amps and the
filaments are 16.3 VAC at 600 amps.

Beware of having a completely legal 40 channel cb approved by the
FCC.

It happened to me on Friday.

Maybe you better ask where they purchase their discounted drugs.

2236. where do Iget current FCC CB license?

Newsgroup: rec.radio.cb

From: underdog5421@yahoo.com
Message-ID: <1194402472.762772.325030@o80g2000hse.googlegroups.com>
Source record: 235157

This past Friday, I decided to go for a walk on
one of the trails in a public park near my house.

The park is in the neighboring county. I live near the county line.

The ONLY eadio I had in my car at the time
besides the AM/FM radio that is part of the car
was my completely legal 40 channel CB.

legal power and a magnet mount antenna.

I went through a McDonald's drive through first.
Then I got to the park, parked in the legal parking spot for the
public, finished my food from McDonald's, was now ready to get out to
go for a walk, but before I could get out of my
car, one of the local authorities pulled up.

He said it looked suspicious because he's
seen mrr there several times bfore. (although
I didn't know until Friday he had seem me
there several times before).

Today, you go to a park near your house
and get stopped and checked because the
authorities have seen you there before. You
go on vacation to a park far away from your house and get stopped and
checked because
the authorities have never seeen you there
before. What is happening to this country?

He asked for my driver's license and ran my plates.

I was not transmitting and my cb was off.

Anyways, he then asks me if I'm a radio buff
(since he noticed the anteena on my car
before coming up to me and noticed the
radio in my car when he was up at my car
talking to me).I said "yes". He then asked me if I have a license my
amateur radio that's in my
car!!!!!!!

Once again, I have ONLY a legal 40 channel
CB in my car.

I told him "no, it's not an amateur radio, irt's a
CB".

He then asked me if I was studying for the
license to operate it!!!!!!!!!!!!!!!!

I told him I was planning on studying for the
test soon to get the license to operate it.

Then he said "good"!!

Then he told me he would be back later
to check on me. (to check whether I was still there or not).

One of the dumbest things the FCC ever did
was to give the local authorities the power
to enforce CB radio rules.

So now I need a FCC ham radio license showing proof that I'm legally
allowed to operate my completely legal 27 mhz "amateur radio" on the
40 26 and 27 mhz frequencies in the 11 meter band!!!!!!!!!

Where do I get this non-existent FCC license
from?????

On the good side, in my own county, the sheriff and police have seen
my CB antenna on my car and I haven't had a problem here yet.

However, since I live near the county line, even when I'm transmitting
from my own property or my own house, my CB signals might and probably
do go into the next county where I was stopped and checked at.

and then they can say that they're allowed to come into my county and
arrest me (or fine me) for operating my 26 and 27 mhz 11 meter
"amateur radio" without the proper license under the premise that the
precedentt is if they see someone speeding in their county who crosses
into my county, they're legally allowed to follow him into my county
and arrest home, so if they hear radio signals in their county that
are illegal in their county, they're legally allowed to come into my
county where I'm transmitting from and arrest or fine me.

Even though it's nort illegal in my county where I'm transmitting
from.

The local aurhorities in that certain county next to mine are
notorious.

Actually, I'm lucky the conversation with that
one went pretty well. He seemed very nice.

However, and maybe I'm wrong, but after Friday, itt seems to me like
the local authorities don't know the difference between a "cb" and a
"ham radio".

In one city, cb'ers using perfectly legal CB rigs will get busted for
illegally operating a ham radio without a license and in another city,
hams operating perfectly legal ham rigs will get busted for operating
a cb with more power than allowed.

And from what I read elsewhere, people who found theirselves in similar situations and tried to fight it couldn't since the FCC said it wasn't a federal matter since the FCC didn't make the arrest,conviction, or fine, so ithey got thrown back into the local into the local and state courts who usually agree with the officer making the arrest or fine since the state and local courts usually don't know anymore about radios and radio law than the officers making tthe arrests or tickets for the fine.

Once again, the one of the DUMBEST thingd the FCC ever did was to allow local autjorities to enforce the radio rules as law.

I forgot to mention that this happened in the late afternoon when it was still light out.. Around 4 pm or 5 pm.

So it's not like I was there after they were closed, nor even when it was dark.

I was there during normal daylight hours when the park was open to the public.

You do NOT need a license for CB ...

I live near Sacramento, CA. The cops there, sheriff and city police, are about as smart as dirt. They all seem to be about 6+ ft., built like gorillas and have come through the marines to get the cop job. Most likely, they serve their political masters well and this is the reason their masters place these intellectually handicapped individuals into such positions--good for them = bad for us.

This country is "going down the tubes", just as your previous post has implied. Benjamin Franklin once wrote, and paraphrased here, "those who would trade liberty for security deserve neither." From other readings I have done of our forefathers writings, they were ALL in agreement. A cop stopping you and asking you for "your papers" reeks of the total lack of liberty--something which would be better left to dictators and communism ...

We need to renew Americas' commitment to the rights of the individual and irrevocable rights which are granted to each and every American by their creator (and NOT guarantee such to illegal aliens!)

It is time we all band together through our churches and militias and begin to discuss how much erosion of our rights we will tolerate before we need to take serious actions to bring our public servants into line, i.e. president, senators, representatives, state-county-local ...

Warmest regards,
JS

I'd say the guy was right on. His is certainly not the first time
someone has mentioned harassment by authorities ...

Some people have great difficulty in understanding what an usenet troll is.

There's always a silver lining to everything.

Jay in the Great Mojave Desert, ...just down the road ah ways from the
fillin station.

Miss Dinah at the fillin station store is havin another pre winter sale.
Heavy jackets with a lot of pockets, most of the hunters like these big
jackets for keeping a bottle and a gun or amo or just anything. I like em
cause you can carry a bunch of HT radios. My faverote HT radio is a two by
four 6 inches long with a 1/2 wood dowl in it looking like a antenna. When I
talk on it while hinking or hunting they go nuts trying to find what
frequency or repeater I am on, hehehehe
Gas prices going nutz again, darn.

Looks like he is dumping excess stock. I love it where he claim
broker's are getting $20 per unit for the parts. If he bought them

Ok Im not sure where to post other than here.
I found a unit that is called a 124W tin voice processor at a local antique store. They go around the state to peoples houses and buy up what the people dont want anymore and that is usually vintage or old stuff that they buy & sell.
This unit is no larger than a pack of smokes. I bought it and it works. Its powered by a "D" Cell battery. When you ground it out it makes a beep noise. The horn feels like a spring type set up.
What were these things used for.
If anyone needs a picture for better details on what Im talking about just ask. I can post a link up of it.
Im just curious to what they used these for back then and the name on it just doesnt fit imo anyway.

Foxy's Showtime on Capital FM 25/11/98 7.35pm

Certainty level: 100%

This one, I can say with absolute certainty, is about me. It was recorded on my Sony Recording Walkman on the evening of Wednesday 25 November 1998. It doesn't mention me by name, so the objective observer might have trouble understanding why I'm so sure it's about me. I'm sure, because the harassment had restarted over the period when this piece was broadcast, and what Capital transmitted would have been in context with events at the time. (Sorry if that explanation is somewhat opaque, but I don't really want to embarrass myself by giving an explanation in detail, and an intelligent reader should be able to work it out for him/her self.)

This isn't the first time Capital have "got at" me; they were doing so right at the very beginning in summer 1990, when they said, "if he listens to Capital then he can't be all bad"; and Tarrant made remarks about me in his breakfast show in spring 1994, when he said, "you know this bloke? he says we're trying to kill him. We should be done for attempted manslaughter."

Unfortunately I didn't record those previous, much more conclusive instances of harassment by Capital DJs, and Capital Radio tells me they only keep recordings for three months. But lately I've been recording everything, and here is one product of that recording.

Neil Fox was introducing some petite Swedish songstress, sounded like Amelia, when he said something about her petite-ness ;

"she's a big big girl, actually she's really about tiny, she's this big, would you say what less than....."

then one of his studio staff shouted, "six inches"

then Fox laughed and said, "less than a meter tall, definitely"

What I think the "six inches" referred to should be obvious. I think it's sexual abuse directed at me.

Also there were a lot of words like "crazy", "mad" etc on this programme, which reinforced my belief that this was on purpose directed at myself.

I think Fox may be something of an unwilling participant in this abuse, he doesn't want to be an abuser but the persecutors are using his show and his staff to get at me. This is not the first time this sort of thing has happened from his show; and my guess is that it won't be the last

Yeah I hear if ya all show up with 50 bucks or so, you will get the grand tour, all 4 or 5 stores in town, plus the fillin station. Then ya have to write down your name and address and Moped will sign it for ya's. A few more bucks for the Radar Endorsement.

Might even be able to sign up for BPL service.

Jackie King from the Flying Eye 14/3/99

Certainty level: 40%

In early March 1999, Capital Radio alleged they had received some emails, one of which was forwarded to me. It contained the words, "you know this bloke, he says we're trying to kill him, we should be done for attempted manslaughter!" which Chris Tarrant had said in 1994.

Following these emails there was an explosion in abuse activity, both from Capital Radio, and from MI5 themselves. MI5 followed me around and hurled abuse at me. The following audio file contains what may be abuse from the radio station.

Jackie King from the Flying Eye made these remarks on Sunday (14/3/99) lunchtime 12.24pm; "gas main work being, er, HANDLED if you like (laughs, embarrassed) outside Madame Tussauds, Euston Road obviously feeling the backlash of that".

The key word is "handled", which she sounds embarrassed to be saying; to me it looks like an attempt at a sexual slander. Capital Radio aren't even pretending not to get at me any more. I asked Chris Tarrant several times about his remark from 1994, and he has consistently avoided answering.

Virgin Radio-Johnny Boy (21/August/1998)

Certainty level: 60%

On Saturday 15 August 1998 I attended a gathering of contributors to newsgroup uk.misc at London's Victoria railway station. Also present was Simon G, who had previously given this description of what he would be wearing;

At 06:36 AM 13/8/98 GMT, Simon wrote:
>further clarification to aid recognition, i'll be wearing
>a t shirt, a brown suede waistcoat, a brown suede miniskirt,
>& a pair of patchwork leggings (& may have a widebrimmed straw
>hat, too).

It is my belief that my persecutors, who monitor my home telephone line (and consequently read all modem communications including email), were aware of this meeting, and may even have observed the "meat" taking place.

Following the "meat" it seemed to me that one or two attempts were made by my persecutors to portray me as "gay", on the basis of Simon's suede miniskirt, which in their inventiveness my persecutors attributed to me, not Simon. (Just for the record, Simon is hetero, and has agreed to the above email extract being published.) The following item from Johnny Boy's Wheels of Steel (between 7pm-11pm, Friday 21/8/98) is one such attempt.

(conversation) (J=Johnny-Boy, H=Hipster)

J: Texas of course part of V98 this weekend enjoy it if you're going. Keep your eyes out on Sunday in Chelmsford for Hipster, because he's going to be there. What are you going to be wearing?

H: I'll be wearing my, er, my suede shorts.
(sycophantic laughter)

J: and believe me he ain't joking, he ain't joking. OK coming next at Virgin on the Wheels of Steel...

Why do I think Hipster's "suede shorts" refers to Simon's mini-skirt? Because "suede" in both cases (obvious!); because "suede shorts" indicates "gay" which they were trying to pin on me; because "shorts" = something short, such as a "mini"-skirt; and because the two DJs both laughed as soon as Hipster said "suede shorts", they knew what the joke was, they knew that they were meant (and probably paid) to find it funny.

Virgin Radio-Johnny Boy (19/June/1999)

Certainty level: 30%

I'm not quite sure about this one, so I've given it a one in three chance of being about me. First the background.... from mid-March 1999 for some three or four months, every weekend, I bombarded Westminster MPs with faxes about the terrible, all-encompassing MI5 Persecution. (Jesting aside, it really is terrible and all-encompassing, in the UK anyway.) Of course each week some MPs replied; but in June 1999, after I'd been at it some three months, I started getting "covert" feedback from Virgin Radio.

The first feedback I got was from Danny Baker, on Sunday 13th June. That weekend I was sending an article which contained biting criticism of the police inaction in this case. Danny Baker on his Virgin radio show started an angry rant that "he knows it's rubbish", ie. he was rubbishing what I'd said in that weekend's faxed article. Unfortunately I wasn't recording this programme.

The next possible Virgin-Radio feedback was a week later on 19th June 1999. This is contained in the audio file above, in which Johnny Boy on his "Wheels of Steel" programme says;

"and if you would like to put a triple play together, ahhh.... because quite frankly Hipster and me are running out of ideas...."

He goes on to counter Hipster's "how dare you" with a protestation that he is "only joking".

What I reckon is that my article faxed to MPs that weekend was forwarded by one of the recipients to Virgin Radio. My article had included the words;

"I am beginning to run out of both new topics and energy to write these articles."

So what I reckon is that Johnny Boy read the article.... and rephrased the above line "run out of ... new topics" to "running out of ideas". I recognise that this is a pretty tenuous inference to make.... but do listen to the audio file, from the "ahhh...." pause in JB's speech you can guess he is about to say something "risky" and at someone's expense. Anyway, I listen to the Wheels of Steel regularly and will continue to do so, recording it as I always do - so any future funny remarks will get immortalised on these pages!

Brighton Day Trip - 24/Sept/1998

Certainty level: 5%

On a day trip to Brighton, carrying a minidisc recorder, I managed to collect several indistinct instances of what I think were people swearing at me. Between the 0.5 and 1.5 second marks of the above recording is something that sounds like "nutter". I recorded at least three other much more obscene sexual words on the same day.

I don't honestly think the "nutter" recorded here is part of the conspiracy against me. I've been called similar things elsewhere, where it's been blindingly clear that the insult does form part of the conspiracy - but not in this case. This illustrates quite a worrying point - as a result of the many years of abuse "in public", I now sometimes simply don't know whether somebody is insulting me because they think I look like a dweeb, or whether the conspiracy is in action. Sometimes, due to background noise and people talking quietly relative to ambient noise, I can't be sure of what's being said, even after listening to it again on my minidisc. Or put another way, I now have a mild form of what I recognise to be occasional auditory delusions - but these are fuelled by the many years of actual verbal abuse.

POSK Cafe - 2/Feb/1998

Here are two independent segments, both of which occurred in London on the same day, the first at a Polish cafe, the second on the Tube.

Certainty level: 100%

POSK is the Polish Social-Cultural Centre in Hammersmith, London. It has quite a nice cafe which does pierogi, golabki etc. I went there with my mother early in 1998. Seated at the window table were three Polish men talking amongst themselves. One of them let rip with a sexual obscenity which was clearly directed at me (it's the same one that's been heard again and again since about November 1995), and which was recorded on my minidisc walkman. I have not included it in the above excerpt, which shows the reaction of another of the trio to the first man's swearing - namely, "jestes swinia jednak" which in English is "nevertheless you're a swine".

Certainty level: 20%

Somewhere on the London Underground. "Psycho" (I think - a little unclear).

Leicester Square - 9/Feb/1998

In February 1998 I spent some time in Leicester Square, in the West End of London. This is a very busy area of London, and one which can be relied on to produce "contacts". Capital Radio's offices and their cafe are located here, the Trocadero is nearby, and the place is full of cinemas and entertainment venues.

Certainty level: 100%

A young girl is heard to say, "Alright I'm going to talk to myself" to her friends, followed by all of them laughing together, as I passed by.

Believe me, I do not look mad in real life, these young people would not have directed their comments and laughter at me unless they had already been told by others that I was ill. I am absolutely certain that their behaviour was directed at me, and this audio file is particularly clear.

Certainty level: 60%

This one was recorded in a cafe in Green Park. Two women are talking to each other, one of them says to the other, "something wrong with him", with an emphasis on the "wrong".

The words "something wrong with him" have been repeated at me dozens of times, at my former workplace in Canada, in England, etc. The words are quite deliberately chosen to have two meanings; they obviously imply that I am ill, without forcing the abusers to demean themselves by using more pejorative terms, although they have shown that they have no compunction in that area; and secondly, the words "wrong ... him" make me at fault, and place the guilt for the abusers' wrongdoing on my shoulders.

Certainty level: 30%

Recorded on a Victoria line tube train leaving Green Park station.
If you listen carefully you can pick up the word "hunchback". The speaker had emitted a swear word immediately before this excerpt; both the swear word, and the "hunchback", were (I believe) directed at me.

Hi Jay

Yeah sounds like a bad deal all the way around, I've not heard much about
it in these parts except for some chatter on the radio about jamming it if
it ever comes to fruition.

Speaking about ignorant, I just remembered that a few
years ago or so when I was walking around at the Mayday
Parade in that same county, I had only one radio with
me, and I was stopped and told I wasn't allowed to have
it.

For some reason, they didn't want me having any transmitter that I
could talk to other people on while I was
there, although they didn't have any signs posted saying so.

However, this "transmitter" that I coud "talk to other people
on" was an IC-R3 scanner!!!!

I didn't even own any radio transmitters at the time!!!!

So I told him "it doesn't transmit, it only receives"
and I turned on the regular tv portion of it with the
screen on to a regular tv station.

Then he said it was okay for me to have it and left thinking
it was a regular ordinary pocket tv!!!

The authorities in that county really do need some radio lessons and
some radio law lessons.

They can't tell the difference between a cb and a ham
radio.

And even more surprisingly, they can't even tell the
difference between a radio transmitter and a radio
reciever that only recieves!!!!

That's a good price for a 100 watt mobile linear. Just tonight on channel 21 in OKC someone was trying to sell a 250 watt amp for 75 dollars.

Nah, buy an old icom or kenwood or (insert brand name) For less than
$3-500. I like icom except for changing microphones, they have the relay
and alc output to the amp as rca jacks. Nice touch.

Yes it can. The real issue is that DSP is not a cure all. Al lot
depends on implementation as to how good the filtering is done via DSP
along with the associated A/D and D/A converters. Sample rate and
sample depth in bits are important. A/D convertors need at least 16
bits to get real good signal to noise ratios and dynamic range.

A 10 meter radio is for the 10 meter amateur (ham) radio band. You
need a ham radio license use it there.

I also like Icom but some of the 100 Watt SSB amateur rigs
does not have good AM audio.
5 Watts does get out, need a good antenna. Height needed.

To learn the technical TRUTH about CB Radio without all the hype from people who are just plain ignorant, check out the following books from CBC International. They're selling right now at a big discounts on our EBAY & AMAZON stores too.

Check it out!

To see exactly what these books look like, plus all the specific, chapter-by-chapter details, see our Web at:

www.cbcintl.com

Some of the books included are:

BOOK #1: THE "SCREWDRIVER EXPERT'S" GUIDE To Peaking Out & Repairing CB Radios. List $25. The most popular "big dummy's" guide ever published on do-it-yourself CB repairs & modifications. Covers peaking of receivers, transmitters, modulation, mike problems, antenna & SWR problems, detailed frequency modifications for both crystal & PLL radios. Loaded with charts, illustrations, and specific instructions for most brands including the new export models. This latest edition also covers slider and broadbanding tricks, FM conversions, and much more!

BOOK #2: THE CB PLL DATA BOOK. List $20. The only complete reference source on CB PLL synthesizer circuits ever published! Detailed PLL theory explained in layman's terms. How they work, and how to modify them for many more channels. Includes specific PLL block mixing diagrams, truth charts, & IC pin function diagrams for nearly every PLL chip ever used. Covers all the most popular U.S. & export chassis, with specific listings of all models using the chip.

BOOK #3: UNDERSTANDING & REPAIRING CB RADIOS. List $42. Giant 370-page technical book for the professional repairman. Picks up where the "SCREWDRIVER EXPERT'S" GUIDE leaves off. Includes circuit descriptions & troubleshooting guide for 23- & 40-Ch., crystal & PLL, solid-state & tube, AM, FM, SSB, CW, American & export models. Covers test equipment (& where to find it), transistor basics, synthesizers, receivers, transmitters, power supplies, T/R switching, antennas, interference, parts & accessory sources. Over 350 illustrations including schematics, charts, and photos. Huge subject index also lets you look up repairs by symptoms. This is "must" reading for any serious CB technician!

Hello Steveo: (anyone show up for a Lic?)

Yeah the DSP and digital IF filters work great, but as james said not a fix all. Good call.

The DSP does reduce some noise and such. But the Digital IF Filters allows the operator to select wide or narrow IF filters that allow a great deal of flexible to the operator.

I use to have a sharp/narrow IF crystal filter in a Heathkit receiver, it allowed you to receive AM signals during the jamming hour. It allowed you to only receive one sideband if the station you wanted to understand was a little low on the frequency, it worked.

While listening in on 10 and 11 meters, I have had stations from the central and south america come in on the opposite sideband. On 38 LSB one day I was trying to hear a station at Easter Island (357) but had bleed over from a station on USB, the digital filters allowed me to significantly reduce the USB signal/bleed over to hear 357. Usually I can reduce stations from signal strength from the beam, by pointing the null towards them, but in this case 357 was in the same direction.

I also use a DSP Speaker in the mobile that significantly reduces some noises. But again it ain't a fix all. Shielding and by-passing the iginition system and grounded the fenders, firewall, and hood was a tremendous reduction in noises.

Next time your in AES or HRO have the sales dude show you the DSP and digital filters on a Icom Pro 746 radio.

You can also do some really neat things with the attunator, different
bandwidths of the IF Filters, and rotating the beam around.

I have a one dB step attunator wired into the Icom 746.

Hi Jay, Thanks for the explanation. I guess I need to actually hear it to
really know if I want to shell out the cash for a rig that has DSP. I've
heard guys comment on the air comment on both sides of the fence about it,
one guy says he doesnt's particularly like the tone quality with it. I'm
more interested in pulling out weak ground wave stations than filtering.
Does the DSP help with that?

Thanks, James. As I was telling Jay, I'm wondering if it helps receive very
weak ground wave signals on an otherwise quiet frequency.

10 meter radio is an amateur rig and you need a license to transmit with it.

You dont need an amp if you have a really good antenna, feed line,
ground, etc.

Them 811's ain't in in love with the pot holes or speed bumps in my mobile
home park.

(pot smokers seem to go trouble free tho) go figure

Yes Jay, do everything please! hehe

I'll bet there will be a lot of Ham Bones want a "Bitchen" old AM
Transmitter like this, for the lower bands. I have listened in to them,
some pretty neat-O stuff out there.

That may be fine for those ancient mary operators Jay, but I run strictly
ssb only with my 811's. Although I do get the occasional bleed-over from

them am-tards. (mostly misguided trucker fucksticks) in my trailer park.

Yeah I use to live close to the freeway when I lived in the San Fernando Valley. But I installed a 1 dB and 10 dB step attenuator into the receiver. Usually let it set on 6 dB down, kept everything quiet.

Again with my DSP, Digital IF Filters, Beam Antenna, and attunator, I can usually dial em out. Unless there are in the front yard throwing beer cans at me and calling me a sissy.

Yes the Electro Voice Mic's worked GREAT! Had one hooked up to my Johnson Viking Valant Transmitter. Had broadcast quality audio. I know that there are mic equalizers out there that can adjust the different bands in the audio voice band. To make what ever mic you have hum like you want it too.

You have to play with the thing to get it to where you want it tho. I like a low base response, and a ever so slight echo. Going to work one day as the sun was coming up I heard a station in Fla skip in to California, his signal was neck and neck with the noise, but he had a slight echo and I could copy every word he said.

Sop I would have a Electro Voice mic with one of those shit hot equalizers, and a echo board in the mic. But thats just me.

Yeah they have a unique kinda sound..and them suckers are pretty COOL to
look at! I talk to a guy outside of Detroit from time to time that runs an
elctro-voice 640 iirc straight to a kenwood 430, and his audio cuts right
though the pile everytime. He gets tired of the compliments with it. I
dunno but I been told elctro voice is mighty bold! hehe

Steveo:

Look at E-Bay for those mic's I seen all kinds of Electro Voice Mics
there. Or just look around, you will run one down.

Jay in the Great Mojave Desert, ...just down the road ah ways from the

Hey btw I got that 520SE working, we had to replace the band-switch..I hear
that was a common problem on those rigs so no surprise. That radio is set
for a high impedance vintage studio boom mounted mic of some sort, with
those tube finals.

Tube finals into a tube amp usually makes for fairly good audio, right?

Look, Americans in DC, are by 'judicial threat', being injected with provable poisons, not newsworthy, but the JENA6, violent criminals who nearly beat a innocent man to death should be released without questions spoken. Please support my call to allow Christ to speak openly for public defense of our dying interests. Demand George Norry take our call.

The Whole Truth - Christ Claims Torture Illegal

Torture IS illegal, yet, the TV threat is trying to teach America that We, The People, haven't spoken on this issue since Law came to be. Please, I beg, please fight back for Humanity by not excepting a zionist's betrayal to G-D on this subject. TV celebs are programming that waterboarding, head slapping, and the burning of innocent people to death for a treasonous bushite's satanic pleasure, is arguably in support of defending my dying America, through assisting in the neocon's escape for 911. Death to the torturers of innocent people, death to the enemies of Christ in America.

sabbah.biz/mt/archives/2007/11/12/nazis-were-right-said-alan-dershowitz

/ / Welcome to the world of the reality in which a Jewish American Zionist man can cite Nazis in defence of torture tactics. \ \

The demon isn't Jewish my friend, isn't Jewish. I'm the King of Jews, who would advocate the death sentence for such criminal tactics to defend our innocent selves from the ungodly. Wouldn't you too?, cheer to hear the arrests of the satanic enemies of Man deprived our wills, instead of ourselves as the innocent they victimize to thieve from for Zionist Nazi fascist enemies? A person accused of a criminal offense without any evidence is innocent. Demand open communications on our, happy happy demonized to suffer dumber than dumb coast to coast air waves.

Look, torture is criminal. Do you physically slap your
neighbors, to find out if they did the criminal's crime?
Should we slap Rivkin to ask him if he plans to commit crimes
against the innocent, and if he then says no, again repeat
till he's rightly dead from hearing a liar's denial?

Torture is a crime warranting a life term sentence or death in
America by LAW - firmly established already by the "War Crimes

Act" of 1986. Demand Justice to save the lives of our innocent selves forsaken by the for cash profit, private news parrots. Believe in US demanding open debate for a positive change why don't you.. Nazi Germans were a happy happy bunch too over the growing threats of torture and enslavement through blanket annihilation... initially. Don't let Bush further hurt my dying America through his personal self contempt for our shared values.

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. If you can't believe it is important for you to raise your cries for justice likewise, we're all going to be done for lost to indifference. Title says it all. They are demon enemies of G-D, so, of course, the last thing the zionist thieves want is Peace for Humanity. Too much money in murdering innocent folks for American 'charity'.

THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as we speak, to further terrorize a dying America lost to the indifference broadcasted daily on almost every radio and TV network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American." Johnny America begs to disagree with criminals actually, and has taken a stand against these 911 war mongers escaping our authority for proper Public acknowledgment. If you, my reader, would only support yourself.

Please, my friends, fight for our dying America. The TV and radio celebs deliberately refuse to allow US to know: Ahmad funded Atta, and, of the videos of steel flowing like water from the WTC towers - all to KILL ourselves for the enemy liar neocon. To KILL. OUR innocent families are being robbed and murdered. CJOB, in Winnipeg, like FOXNEWS, lies daily to dumber than average teen soldiers, not to defend freedom, or Canada, but to die for dope pushing Islamic fundamentalism in assisting the truly evil neocons escape for the crimes of 911. How can anyone be so truly evil to Humanity you may hide in fear of confronting directly? CJOB relentlessly THIEVES from Manitobans, with our seriously corrupt lotteries they pocket millions in criminal gains stolen from our most poor and desperate, they work to CRIMINALLY give away our public resources to their self described Zionist, 'kill the Jews, kill the Jews' anti-humans. These nazi pigs celebrate their public hatred for innocent humans with LIES about 911, Israel, and anything else that threatens Justice to win through free open communications. Bush, as does every neocon, needs to be tried publicly then executed for the crimes of 911 with his partner, General Ahmad, according to every honorable Police agency that uses evidence to form OUR conclusions. Please fight for Justice, please fight for Life, please fight for yourself by picking up YOUR phone and calling for a Humanity that would care if you tried to do what was right. Do you expect yourself to fail trying? Just try for your life's sake

I beg, just try. Or.. die you will, die YOU will. Christ kills a bushite with a Love for GOD that will never die, but I AM ONLY ONE MAN. WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability. Don't be cowardly stupider than stupid allots.

It is not just a Muslim who sees the bushite as an enemy to Humanity. These lawless savages have been acting without accountability to anyone, because they are largely enemies of every American, who cowardly run from responsibility in America to defend their own brothers and sisters from the LIAR neocon, and die instead as/with rapists, torturers, and Art Bell liking THIEVES. An Oath to God means nothing to a busite grunting savaged criminal, claiming to be lawless as an enemy to EVERY HUMAN BEING. Remember: these thieves have stolen from all still paying Americans dying from true self contempt. No evidence against an accused is US being truly abused.

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>? WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however, in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through. Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow Human beings. All they as bushmob amerika have done, is thieve, destroy and murder from everyone of US since 911. I am growing wearily concerned over whether Americans even can still express real anger over their continuing sacrifice.

Twisted demon nazi LIAR, America's TV "preacher", Jack Van Impe

"He wants to wipe every Jew off the face of the earth, and he's said it many times!" referring to Iran's elected President, a nation with a large living 'hidden' Jewish community Impe would MURDER to not let YOU truly know of.

"We love you so very much.."

What love lies to murder the innocent to feed the greed of the selfish EVIL Jack Van Impe family? Every show the demon does, is filled with LIES that are made to murder more as Satanic, and it ain't no accident to continually lie like that, each and every time to support lawless tyranny to enslave the human race for more ungodly neocon plunders as their personal richly growing treasures.

ZIONIST NAZIS LIKE IMPE LIE TO QUOTE US SAYING everyday 'Kill the Jews, kill the Jews' No, bill the escaping un-arrested zionist god betrayers who rape, murder and steal from Humanity as LIARS - all done by US to DEFEND Jews, to Defend G-D, To defend Christ. Christ - Born King of the Jews, as true King of Kings - I am by no accident in every word, truly great

FREEDOM

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place. CBC, CNN, FOXnews et al. know the Bushmob did 911 in other words. Live for freedom dying America! Johnny America wants to be invited on Coast to Coast. Make it happen Man. Justice for god, is Justice for all.

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of wondrous tragedy?, Jeeze.. I seriously need money to feed myself.

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

http://groups.google.com/group/talk.politics.guns/msg/92b29b55b50f7779

/ / REAL Soldiers: try calling the pro-bush radio station, CJOB, and ask them to stop thieving from our community, and demand they allow open, honest, intelligent discussions on their contempt for the Canadian flag. Thanks. P.S. You may have to wade through 45 minutes of their for profit commercials. Fuk, on weekends, when People are home from work, they run continuous commi crap to take even further more silenced. \ \

CJOB STEALS millions from poor Winnipeggers through their fraud of lotteries, and as a consequence, they'll cheer our sons and daughters to die cowardly instead, for lawless Bush

rule, where evidenced findings of Our police agencies are forbidden topic material, like mathematics, and instead, bin Laden did "it", now die for the demon antichrist LIAR ENEMY OF GOD. Al-Qaida = General Mahmoud Ahmad

/ / "I grabbed her little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite enemy and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

Oath to God

The bushite took an Oath to God and country to defend America from war criminals, and instead, as cowardly neocon bush bitches, commit war crimes of theft and mass murder against the great Iraqi People. A soldier in the air force, is a dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to

'escape' the neocons for 911. Your magic TV exec excuses don't mean squat when the facts are so readily available. But a bushite don't read, or write, or think freedom. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

Look, do you want to defeat the bad guys, or not? Bush gave US zero evidence to form our free thoughts on the 911 Justice issue. Treason. Simple.

I have the plan. Return all the stolen monies, and hunt those who rape torture, or murder. And.. get the neocons for treason on 911 most especially. So, here we go..

/ / Putin recently declared that Iran does not possess nuclear weapons, is not pursuing a nuclear weapons program and poses "no threat" to any nation, least of all the United States. [...] If Putin is evil, surely Bush is worse than Satan himself. \ \

Bush is the most evil anyone through space-time can 'be'. He uses hypnosis over the too weak as blindly supporting the murder of innocent others. Hitler wasn't even so openly naively evil as Our Mr. bush Jr is truly. Our. What are YOU going to do about it... PnK.! Answered silent the God of Hosts echoed: Support our rise to find ANY soldier who honors the American flag, who doesn't agree Bush, Cheney, and Rumsfeld must be publicly arrested immediately for the continuing war crime trials of 911. (And Condi with Myers too as just getting started then.) Otherwise, we WILL find ourselves in secret agreement, even without Coast to Coast Inc., network 'group think' programming. Justice for America is Our Cause. And you America.. love LIFE by fighting to win against the traitor neocon thieving terrorists, who will the death of innocent families to escape themselves our accountability. False accusers who deny respect for yourself as a New Yorker included in forming our conclusions with facts as understood actual. Military heads generally do not have the skills to communicate such clarity, for they are not swinging guitarists, as too cowardly to speak a care for Freedom through Justice in Johnny's America. Babble babble..

Bombs Kill People

Nazi Israel, the ungodly nation that murders Christians in G-D's name AS THIEVES, deserves to die as proven war criminals, to bring about a living nation that respects the Jew by Law, to be just me or You living freely for happiness. Israel is a nation who's nazi government HATES GOD, because they are known BY ALL as a criminal in nature, a unjust first

degree murdering zionist demonic thieving enemy non-entity of dying life. I would ask Syria to consider hiring me on as defensive minister, or yous in Iraq, Iran, Canada, or Europe. WOW! 'BIG LOVE' China!! Moscow! Hey buddies... I'm coming over for drinks no matter which way you look at it. Business first.

/ / By simply deciding that something is a "state secret," the Bush government has avoided answering for its brutal treatment of innocent [TORTURE] victims in the war on terror. This is a perversion of the principle of American justice. \ \ Realize: Mr. Bush, the demon enemy of all humanity, out of the same mouth, states torturing [innocent victims as satanic liars] would be ungodly, and isn't done. Like bin Laden did "it", Saddam wouldn't let inspectors in, and neocon thieving soldiers who murder our families indiscriminately as zionist betrayers to Christ and America are Heros.

bush "We do not torture"

Kill the bushite enemies BY AMERICAN LAW for torturing innocent people to death as lawless 'whore yah' thieving disciples of the ungodly antichrist who bombed Iraq for NO REASON WHATSOEVER.

To Kill a Bushite, is to be Heroic

Pro child killer George Norry, enemy of the American soldier, still blabs about how more must die unjustly for bin Laden with LIES, knowing full well, video of steel flowing like water from the WTC exists, and that General Ahmad funded Atta. George Norry is a traitor to the FBI, who further plans more to die sacrificed under the censorship of the tyrant antichrist. Who cares I ask about America truly dying as neoCONNED, for George Norry has millions to not take your calls for protection, and honestly, 'Americans' couldn't care much less for Our Humanity's future. MAKE OATH AND SAY

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. CNN must, and WILL be tried for high treason for their demon lies broadcasting the northern alliance don't push dope, while the Taliban did, and do. CNN execs will be put to death for such demonic claims that stand no ground in the light of all evidence. Plus, the Taliban were honorable in defending America by demanding facts to form our conclusions on how bin Laden is in anyway connected to the crimes of 911. Example: how did bin Laden sneak the explosives into building seven with his bulky dialisis machine dumfuks? I HATE bushite to death I DO. Death to the bushite, death to the enemies of Mankind.

I, Johnny Wizard, in the city of Winnipeg, Province of Manitoba MAKE OATH AND SAY:

1.

Pakistani ISI Director General Ahmad orders an aide to wire transfer about $100,000 to hijacker Atta. Ahmad later resigns after the transfer is disclosed in India and confirmed by the FBI. [Dawn, 10/8/01, Times of India, 10/9/01, Wall Street Journal, 10/10/01, AFP, 10/10/01]

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence to back up the allegation, thereby, securing criminal invasion.

Protestor's sign: "killing innocent people is the problem not the solution."

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Soldiers of fortune: kill the lawless bushite nazi savages to defend MY dying America.

-

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / It is strange that the 'Secret Organization of Al Qaeda in Europe,' the group that is allegedly responsible, would have escaped notice (to say nothing of their odd, 'double secret probation' type of name). \ \

Bushite are EVIL to all, as enemies to Human kind. During Katrina, the bushites responsible for protecting America, slaughtered everyone's confiscated pets for joy and happiness. Three schools filled with hundreds of dogs, cats, snakes and bats. There was no need to kill everyone's beloved pet, but as the bushite will FREELY tell YOU, it was fun to serve demonically as the antichrist enemies of God and love. demand Justice for God, demand Justice for Johnny.

/ / The mere fact that one can deduce a motive for a person or a group does not mean that they perpetrated the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better' CBC, CNN, or FOXNEWS censors. Look at me!! They refuse to acknowledge my documented info as REALLY important to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies of America at the Coast to Coast radio network, who would kill Americans for the rich neocons without question. It's JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the

'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let anyone out of the city, because [enemy Sattler LIED] pro-bushite Zarqawi was there present, so the innocent families who believed they had nothing to fear from the liar disciples of the ungodly enemy of ALL HUMAN LIVES, remained in the tiny city to be indiscriminately 'protected' with more than nine two thousand pound bombs, or made dead instead by heinous pro-bush escaping war criminals who used white phosphorous on civilization. All to die our Humanity for the thieved loss of evidence to demand ourselves of some official freedom time to deal with our terrorized as suffering reality.

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney,
consults with neocon authority in Egypt, and anti-Jew Saudi

TRUE enemies of Man. Has anyone read the fiction 1984? 'Why

General Ahmad that's why.. and threatening Humanity with
torture, is how the neocons plan to fear YOU into speaking
nothing for the defense of innocent others.. As a
consequence, more than half the monies spent each month on
this war against civilized Life, isn't accounted for by
anyone. Except those at the Pentagon STEALING from a deafened
America. In fact, Moyers at PBS reported none! of the
billions flowing out of American pocket books EVERY MONTH for
the bushmob war monger shysters is actually audited for the
taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen
billions, instead wants to kill even more innocent others as
neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values.

.I guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you know anything worth living for? my dying unjustly brothers and sisters? My friends, please fear not wisdom communicated by a REAL Man, for, we explain ourselves to the best of YOUR ability to listen simply. G. W. Bush used no evidence to form America's "conclusion" on who did US wrong on 911. So, Please, stop forsaking yourself, for, we're going nowhere. Support Johnny's call to demand open debate without censorship from the magic radio and TV execs, who hide in darkness, pretending to be our friends, while refusing intelligent dialog to answer any of our big troubles easily. Why? because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

I want air time with the one and only real man in these here parts, Mr. Johnny America, our glorious make believe creator of all we perceive religiously, self realized. He's a genius!

No evidence against an accused is US being truly abused

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. {KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being

robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV

doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

Investigating the Investigation
http://www.alternet.org/story.html?StoryID=17816

/ / After playing a tape of Cheney's statement, Russert asked Daschle, "Did the vice president call you and urge you not to investigate the events of Sept. 11?" \ \

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Our Mr. Bush Jnr. "Torture is not a part of our soul."

Signed,

Johnny America

P.S. Get on the radio to speak our lives as worth something! Or, what? you're worthless to the neocon's commanding pronouncements on what you conceive? There really IS a GOD, committed to dealing death to torturers and murderers, and a place reserved as "Hell", where such Satanic behaviors are nothing to get up and roar over. Please support my rise for acknowledgement, and in turn, speaking for freedom where it counts, with You and Yours. / / [...] the [New York Times] piece details the torture of [Innocent People] Sunni prisoners at one of the new American-Iraqi "security stations" \ \

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

See? bushites are cowardly, or ignorantly evil - as thieving dumfuk grunts for the enemy liar neocons. Look, they refuse to kill on sight, soldiers who kidnapped Iraqi children to be beaten to death on video tape, or any Aegis employees for actually murdering INNOCENT Iraqi men, women, or children for stolen cash profit, over the loss of LIFE the bushite TRULY pays in collateral. DIES! And, as such, the cowardly American enemies, refuse by willful silence to speak bravely for the up coming war crime trials of every neocon traitor - all for the sinister evil actions of mass murder in America on 9/11. ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

I propose we try CNN's Glenn Beck for nazi treason, and upon easily successful conviction, we put the demon liar to death along with bushite Tatum who confesses freely to slaughtering innocent Iraqi civilians for satanic pleasures all to serve the neocon agenda of swindling America TO DEATH for cash profit through neocon censorship. Mattis, the woman hating documented child killer, was made into a 'Judge' for the bushite's version of a war crimes 'trial', that hasn't even yet truly transpired, for the evidence was not brought to light through the proceeding, such as Tatum's full confession. But, of course, Glenn Beck, the treasonous liar, doesn't want America, the dying by contempt, to truly know that. For, he'd

be likely dead as sworn enemy.

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" = "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. CHRIST RETURNS

I again, beg Humanity to speak in opposition to Amerika in the defense of our innocent forsaken dying lives. CBC producers know the bushmob did 911 but lie with propaganda to kill our families for the ungodly as thieving neocon enemies. They refuse to inform ourselves that Al-Qaida is General Mahmoud Ahmad, as according to the FBI. Or that video of iron flowing like water from the WTC towers exists indicating without doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to? What can you lose when you have granted to be blindly stolen from?

Zionist nazi Israelis, do tell as LIARS, that Israel, the nation that openly thieves, tortures, and murders daily thoses THEY ADMIT are commpletely innocent, are enemies of every religious person denied access to honestly speak the facts as firmly established since the dawn of Man.

$4.50 for Every Pop Can?

Did you hear? A DOJ manager charges American tax payers $4.50
for every can drink he, and the rest of his cadre can swallow.
Buying bulk, the pop cans likely truly cost 35 or so cents.
So... who's pocketing the stolen loot? Cause, you know that
would be FRAUD. CNN reported that your 'meatball' story would
cause no demands for the returns of stolen funs, no bushite
would lose it's high costing position, as no one would be
tried for treason and gloriously put to death publicly for the
defense of God and country. ..They were actually laughing..
This seems as good a reason as any to take back our TV world
from the bushite neocon enemies of freedom through openly
communicating. wadyahsay??!!? I want to address America, on
how to return a reason for believing.

Make it so.

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent
people in Fallujah, and they speak nothing but lies on how
such demonic behaviors are godly as just ignored. Our Lives
forsaken, as they hold their very own to die sacrificed for
the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

Tatum, who freely confesses he's a proud child killer without apology, is being made a free man in evil bushite amerika. The TRAITOR prosecutor has ridiculously stated to our world -

/ / Lt. Col. Paul J. Ware wrote in a 29-page report that there is insufficient evidence to show that Lance Cpl. Stephen B. Tatum did anything other than follow Marine Corps rules when he killed [for no reason, innocent] women and children \ \

TATUM ADMITS he enjoyed slaughtering the defenseless families deliberately!! In fact, he wrote a card to a dead marine's family, testifying that he murdered the innocent young girls for the tyrannies of the antichrist. Evidence that TRAITOR Paul Ware and Mattis hides from the Christian American Family. Will YOU, as an American man, allow these two bush bitch nazi punks to survive as furthering the commitment of more war crimes against the INNOCENT? as a zionist neocon's "Hero"? Will You defend our girls? Peoples of Earth! Help Me save our children.. please.. please..please

TRAITOR Paul Ware "Tatum shot and killed people in houses 1 and 2, but the reason he did so was because of his training and the circumstances he was placed in, not to exact revenge and commit murder."

TATUM STATED DIRECTLY IT WAS TO EXACT REVENGE AND COMMIT MURDER!! HE WROTE SO TO THE FAMILY OF THE MARINE WHO DIED! A FAMILY WHO WOULD MOST CERTAINLY SUPPORT TATUM'S EXECUTION AS DEMONIC TRAITOR TO FREEDOM IN AMERICA!! ASK THEM!!

See?, Tatum is a zionist, but not Jewish!!! While neocons suggest our reality impossible without corporate challenge for exploitation of our 'unrepresented' lives.

Prosecutor Lt. Col. Paul Atterbury "Lance Corporal Tatum entered a home and participated in the killing of Iraqis who were not legitimate targets, then entered a second home and participated in the murder of [more innocent] women and children,"

/ / One of the Marines charged with murdering civilians in Haditha, Iraq, in 2005 knew that only women and children were huddled in a back bedroom in a house there, but he [TATUM] opened the door and shot them anyway, a squadmate testified Tuesday. \ \

Will You try?, or go silent to die as unworthy? Your call bud...

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

Johnny America Speaks Out

"what's this freedom war against Life for again"?

Hannity is a perfect example of what a neocon is. It's a one way communications system. He tells us what we think, and he'll never takes our calls, they won't read our emails, and they'll continue to pretend WE don't exist. AND... when WE die, they'll be richer for it. AND you'll be dead, your innocent brother will be dead, your innocent child will be dead. No evidence against an accused is US being truly abused. George Walker Bush is Guilty for 911, while every irrational bushite is a traitor to the American Family.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these

ideas, but they ain't going to speak out against us. Example
'I don't want to be held accountable to the American public,
cause I want to steal that 16 billion dollars for myself.
That's my public opinion.' What are we going to do but defend
ourselves of deathly lawless tyranny, eventually. Or, you
won't by DECIDING not to decide. Support our rise as the top
cop of Humanity, coming down for diplomatic talks to engage
the flagrant wanton stupidity of the bushite grunters. All on
hopes you'll consider also, these Kingly texts worth a couple
hedge funder salaries, a sixty cent barrel of oil marked up to
74 dollars, or a thousandth of the money America would save in
a year, if you adopted Canadian Health care systems overnight
for yourself to immediately provide all People the respect for

/ / Last month its cartographers quietly admitted that Lebanon
is right in claiming sovereignty [..] \ \

Nazi zionists gave US Jews a bad rap again I see. They're
despicable criminal savages the neocon.. who steal the rights
and privileges of US peopled folks, all to fall victimized
with their self confessed contempt for love and justice.
Condi's crew dropped seven million land mines to murder
ourselves for generations, and, shouldn't she and the neocons
responsible be put to death for such conducts?? If not then,
when? discuss.. They openly target innocent human beings
indiscriminately without apology, but excuses that don't hold
water. Not that corporate news professionals are even
pouring! It's most definitely the re-occurring true story of
a censored mankind with You as it's innocent victim. For,
what human would support victimizing others for the tyranny of
blind terror? Only bushite amerika would fall silent under
such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it
will discontinue its practice of "capturing" populated
Palestinian villages during military training exercises. The

IDF states it will "reexamine their policy" of conducting
such raids on uninformed, panic-stricken Palestinian villages. \ \

Tell me, is this the godly people the neocon boast of for
defense in? Or, just again examples of standing terrorism
against life ourselves - committed by the censored as will
giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly
the very same terrorist acts they say we should all be
outraged against? Somalia is a case to point. They murder
helpless people as bushite, then say they'll remain dying to
thieve further as enemies to Humans being. It doesn't fool
me, but perhaps it does you. A neocon soldier murders
innocent Iraqis, while selling you they are all there risking
their lives to bring freedom. So, they die. For lies. Die.
Again, KNOWN Aegis goons openly commit crimes against Iraq
done officially to get killed! the supposed to be Patriot
Marine. P2OG. Soldiers under bushite command would rather
die cowardly, than to honorably demand the bushmob's arrest
for public trials as defeating ungodly fascist war criminal
savages.

Why suffer otherwise this way under the tyrannies of naked
neocon plunder to deny our lives for measured justice I ask
YOU again, please believe: truth will set us free.

don't want democracy, they want slave governments. If it's a
slave dictatorship - that's fine. If it's a slave elected

government - that's also fine. The only thing that matters is that the government is a slave government. That is why they will never invade Egypt. They will never invade Saudi Arabia. They only invade countries, or threaten to invade countries, who stand against them and who refuse to be slaves to them. That is why they hated Iraq, that's why they hate Iran. That is why they hate Syria. Of all the faults of all the three regimes in these three countries - they were never slaves to the United States, and that's why they were attacked. [...^] In Iran, 17 million people voted for the president, Ahmadinejad, and 10 million voted for his opponent Rafsanjani. Those 27 million are determined to exercise their right to nuclear power. The response of Bush and Perle is to threaten them with invasion. These are the people who murdered Salvador Allende, the elected president of Chile. These are the people who have overthrown elected governments all over the world."

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

Jason Bermas "I just want to let people know, that if this is a hit piece that involves, you know, saying that we're all blaming the Jews, or the Zionists, or something ridiculous, where we go after an ethnic group, [Jason Bermas suggests "Jews" = "Zionists"?] 'we' can not be associated with ANTI-SEMITISM, space beams, utter kookery.

Alex Jones "Or Jesus! they have 911 leaders saying they are Jesus now. They have people saying it's space beams from Pluto. And folks, I've tracked these people, they all were formally in intelligence, or connected to the Bushes, the space beam thing came from a almost cabinet member level Bush member, and folks this is a setup to poison our movement."

Now??

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow

US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening)
suggest G.W. Bush and Co. have publicly acted nothing
warranting immediate arrest, or have openly supported the
great Kucinich's plan for Impeachment, and consequently, are
leveraging America into this mess 'because' we were portrayed
as sold to the U.N. for freedom as Iraqi's Grand Strategy.
BOGUS! Nothing about the PLANNING of killing people

I, as the Son of Man, DEMAND, America order millions of gallons of clean drinking water to be shipped immediately to Iraq to save the lives of US, the Human species. Please, help US make this a reality. Today. Please.

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

Ten "CIA" bushite enemies have been found to have kidnapped near one thousand innocent Americans to be tortured to death, in tyrannical nations friendly under American funding by Bush unquestioningly. Fight back for your neighbor, fight back for America, fight back for YOURSELF. Or, don't.

See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. "Do you care if another bomb went off in Tikrit?
Does it mean anything? NO! It doesn't mean anything."

Why should WE continue to silently die unjustly victimized?, for the bushite's contempt of Mankind censored?, the Eternal Son of Man to GOD forever answers correctly.

Kill a bushite as the Love of Justice for Humanity

The Son of Man BEGS all honorable men to defend Life

from bushite enemies of GOD who murder, rape and steal from innocence through lawlessness as thieves of everyone. Please kill the bushite for the love of women and children. kill the bushite for the love of GOD. Please, defend ourselves further hardships by supporting immediate war crime trials to begin against all neocon traitors who LIE OPENLY to kill America's America as enemies to truth, as enemies to Christ.

'Kill Anyone Still Alive': American Special Ops
http://www.atlanticfreepress.com/content/view/1784/81/

Can you not as a American Man, destroy bushite brayers to defend innocent life? Americans could not care less presently for the value of Human life. Americans do nothing to defend their lives, but officially plan to murder more for the Satanic demon antichrist in silence. Out of millions, how many even bother to make a phone call to talk radio against the neocon. how many? Five or six? Seriously.. How many? I know bushites

are demon liars for the neocon, but is it really impossible for "Americans" to try speaking?, in the face of murdering millions more forsaken by enemy mortal, pro child killer George Norry? George Norry too nice of a guy to even bother question the value of American children? The THIEF Art Bell's voice too soothing to care that neocons own pirated America, and on everything she stands whoring as WAR CRIMINALS to the FOR REAL antichrist?

Death to the lawless bushite, death to the enemies of Mankind

/ / The U.S. State Department recently issued a report calling Sudan a "strong partner in the war on terror." \ \

The high jacking Bush regime is supporting financially a TYRANNICAL 'government' that openly practices Genocide, as just the sort of "American" partner to assist in determining which further murder victims are terrorists. While the same demon administration confesses to FUNDING middle eastern al-Qeada to commit TERRORIST acts in Iran, as demon evil tyranny against the sleeping Sheeple. Again, it is fully confessed that the Satanic bushmob is pro terror now. Death to the enemies of Freedom, death to the bushite betrayers of Life instead of YOU my innocent friends. Instead of US.

To Kill a Bushite, is to be Heroic

To further murder as these ungodly bushite liars do today as our suffering Mankind, is to blindly swear public allegiance to the for real DEMONIC antichrist THIEVES. Bushite enemies are evil nazi dumfuk scum, liars who cowardly watch America in her weakness be high jacked, and squeak nothing for Just words in our REAL defense for dying. Play pretending their actually real men, because to really be so, requires real strength. Not bush bitch Marines "WHORES YEAH!" strength, where they cowardly can't figure to defend America from ungodly war criminals. War criminals who deliberately set them up with Satanic 'black magic' to be killed in criminal actions. P2OG. But see?, the bushite fodder, can't care enough for Life to read, because it already knows like the zionist, it's an ungodly coward and a thief, as siding to lying and censorship, this will out work for evil doers in the long run without any consequences to themselves as Our sworn eternal enemy.

Bushites who war as the neocon enemies, war for the 911 perpetrators to escape American Justice. that is why I, as of GOD, cheer to hear the deaths of these pro torture, pro theft, pro Satanic enemies of Man. They confess freely to targeting INNOCENT People for murder.

PEOPLE

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

Demon bush told us Saddam wouldn't let inspectors in, and that's why he irrationally started this war against God conflict. Impeach him, then have him PUNISHED for high treason against a further dying as truly unheard from America - for that lie alone - we ALL could/should stand together as equals demanding re-dress for the innocent murder victims who've suffered for such contempt, and belligerence for the basic precepts of freedom as Justice, or G-D as Johnny.

People of Earth, know, these bushite soldiers war Creation proudly with repeatedly committing aggravated felons, and South African death squad goons, all to war Love for the neocon god haters. Who, as peenacking atheists, as their very own documents stress, would murder anyone of US for a stolen nickel.

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun, paid for by the silent American tax payer. Americans refuses to bother making a simple phone call to Coast to Coast to raise some concern. THEY don't. They refuse to hunt bushite down in their streets for death to defend the innocent held indefinitely against GOD'S will. Death to the bushite, death to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

"Al-Qaida" = "General Mahmoud Ahmad"

Defend freedom, and the FBI, by demanding Coast to Coast radio hosts allow free communications, absent their personal contempt for preserving freedom to be our America. pleasure of the president

US Attorneys don't serve "the pleasure of the president", they serve freedom lovers dedicated to defending America from willful criminality. But, americans are too stupidly weak to demand Coast to Coast hosts allow open communications on America's highest of concerns. Bushite america would rather, in silence, thieve from God as our Humanity, than serve the protections of Justice as ourselves.

/ / According to the Islamic understanding of power, the Mujahideen don't compete for the positions in the leadership. \ \

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Hmmm. Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. The tribal strategy of Afghan fighters, where Allah is Oonerroh, seems to be not the only thing missing from the statements of this "Taliban" RELIGIOUS FUNDEMENTALIST top top top leader. Only "second" to Omar the Just. (Apparently an individual this current bushite incantation of "Dadullah" is totally un-familiar of.) Omar, the Just, whom Dadullah claims he receives his Top Secret nobody can see'im orders. In other winds: Bill a bushite for God and America, an all day long you'll have good faith in a world freeing ourselves of godless dumfuk tyranny implemented by the horribly foolish, as deeply ignorant of Allah, bushite demon liars for the traitor neocon. TRAITORS!

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. While America's fun guy, zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his

personal contempt of YOUR DYING LIFE, while further wanting to invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Typical bushite. Ending with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every

last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida = General Mahmoud Ahmad

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless

dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in

lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

'A military judge ruled last week that Watada cannot base his defense on the war's legality.'

Telling US what?, that it is a crime to not commit a crime? It isn't only high treason against America the ungodly bushite are guilty of, but of a madness held by those truly Satanic..

No bushite was found gloriously killed for country, yet, they, the godless bushite enemy, continued to shoot innocent People indiscriminately for a distance of six miles, while likely, secretly masturbating each other as bushite liars do always.

The pro-bush irrational military said only eight innocent un-armed Afghans were counted as murdered deliberately, by those who believe our Mankind, can not ever find themselves accountable, without zionist controlled, corporate news permission. See? The military counts mankind as zionist, but I am a man of real men, committed to defend our world from all enemies, foreign, or domestic. Unlike a bushite traitor to God and America, who's word, as Oath, means as much to them, as we do. Ungodly as they are loveless, the bushite, is Life's enemy.

My friends, People are dying because the, Israel=Jew, magic radio and TV crews, wont broadcast THE TRUTHS of our publicly available findings. Police findings. People are dying needlessly, illegally, irrationally like meaning really stupidly on Bush's behalf, for they claim, we don't want to be 'embarrassing ourselves' with MY wisdom, You people seem to not be there for God when the chips are way down, and truth is plain to see.. 911 was an inside job, and CBC with CNN don't want to tell us about it, but will watch our LOVED children lied to, to go out and die further for a causeless war of criminality unparalleled in it's wickedness.

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in

Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

BA984 LHR->TXL 13/June/1998

Certainty level: 100%

In June 1998 I travelled on the above British Airways flight to Berlin with my mother, to visit her family. There were two women in seats 30D/E, about 4/5 rows behind us. It was quite obvious from the torrent of abuse during these flight that these women had been instructed to harass me and attempt to obtain a reaction.

I did manage to record much of the flight, but unfortunately much of the recording is unclear because of high background noise on the aircraft. The following three excerpts from the recording are the best I can do.

The segment at position 11:34 minutes on my recording contains a fairly quiet word "paranoid", followed immediately by a much louder "yeah, he's paranoid, yeah". During the flight the abuse was not sexual, as it so often is elsewhere, but attacking my mental health.

One of the women in seats 30D/E said "paranoid" very clearly towards the end of the flight, but unfortunately I had run out of minidisc space and stopped recording by then. There is absolutely no doubt in my mind that these women were directed to harass me. This harassment happens without fail on British Airways flights; I've been on something like three or four BA flights in the last 5 years and it's happened each time. Presumably this is because of international law which says incidents on aircraft during flight are actionable in the airline's country of origin - so my persecutors want a reaction from me, and they want to see me "done" in the UK where they can influence the justice system.

These incidents never happen on foreign-domiciled carriers.

Evil old bat in BHS 18/12/98

Certainty level: 40%

Not quite sure how sure I am about this one. I went down to Croydon (Surrey) with my mother to buy her a beret. After doing the shopping, we went to the BHS store restaurant to lunch on fish and chips.

You can guess the rest. Auditory hallucinations my shrink calls them, faithfully recorded on Sony minidisc. Some old cow going on about "see that chap, the one over there, something's wrong with him".

It is quite tiring being attacked by random idiots in the street, or as in this case, by some random, evil old bat in a restaurant. Fortunately it is only a sporadic occurrence. My enemies seem of late reluctant to waste resources in my direction. Should I take this as an insult? Am I not worth the millions of taxpayers money which has been wasted on me? Are the obsessives of MI5 themselves the "nutters" and "really mad" which they accuse me of being? Interestingly this suggestion as to the psychological profiles of Security Service personnel has been made by others... it does lead one to wonder, doesn't it?

Ravenscourt Park 20/3/99

Certainty level: 70%

On Saturday I went to Hammersmith, specifically Ravenscourt Park. There had recently been a resurgence of persecution activity, following the Capital spams. I went to the cafe in the park and had a cup of coffee outside, with my mother. As I went inside the cafe to return the cups, a woman shouted a sexual obscenity (not present on this audio file - don't ask), and she said loudly "something's wrong with him". You can just about hear it in the audio file; listen very carefully, several times; it is distinguishable.

Much less subtle is the male voice shouting "take care he's a nutter" immediately after the woman's voice. As on the other recordings there's a lot of noise, but what the people say can be clearly heard.

Given that I take medication and look and behave quite sanely, and that there had been increased abuse over the last couple of weeks, it seems pretty unlikely that this incident was just spontaneous.... of course, you couldn't prove otherwise, but then that's the way MI5 mean their abuse to look.

Hello Steveo:

Worked on putting up a Tower and antenna today out by Victorvile Ca,
there a bunch of guys there, got sun burned and all. But the antenna is
up and humming.

Yeah that high impedance mic should work well with the that older hi Zo
input. Worth a try Id say.

I was ah thinkin about making a custom made mic head that would fit on
the D-104 Mic stands, UG8 or 9 or something like that. Something that is
large with ribs or fins, like a 59 Cadalack, something out of the 1950's

looking type ah thing. Have bright LED's lights and be able to switch to a few different mic cartridges for different sounds.

Battersea Library 29/3/99

Certainty level: 60%

This one is quite dull. During the month of March 1999, MI5 made another determined attempt to "get" me, substantially through radio programmes, through Jon Snow on Channel Four News, and through abuse in public, of which this is one example.

Recorded on my minidisc-walkman on Monday 29 March 1999, this audio file consists of two girls talking. One says to the other, "he's got something wrong with him." The usual words. How many millions a year do the Security Service waste on this? But they've denied it - how silly of me to forget. And they're not liars either, are they?

Another "day in the life of", this one. January and February were quiet;
in March it all started again; by the middle of April the resurgence of
abuse had been going on for over a month. And this, with 100% certainty,
is one manifestation of the abuse.

On Thursday 15 April 1999, 1pm lunchtime, I was at the booking office at
the Royal Festival Hall near Waterloo Station in London, buying a ticket
for a friend. A woman was at the counter next to me. She said;

"it would kill it, you know, it would just be overkill...
.. they can't stop can they"

It was obvious to everyone, the ticket agents included, that her comments
were directed at me, and that "they" (ie. MI5) were "killing" me.

I've heard similar things said at various other times, but rarely have their
intentions been expressed as clearly as this. The woman also expressed the
obsessive nature of MI5's preoccupation with me, by saying, "they can't
stop can they".

Balham - LT bus (8/July/1999)

Certainty level: 90%

I am very sure about this one. I got back from holidays on Wednesday. There were two incidents, both on the tube, on the way back from the airport. There was a further incident the following day, Thursday, on the bus (the 155 I think) in Balham, where two girls started spouting abuse about "crazy", etc. Naturally I had my minidisc with me and was able to record their words.

The cynical reader might think my demeanour or behaviour had given rise to the taunts of "crazy" recorded above. But I assure you my behaviour on the bus would not have made anyone think I was ill; and the taunts the previous day were the same sexual words as previously; so I'm quite sure that these incidents are either deliberately staged, or indicative of an overall high level of awareness among the London public, particularly in the part of London where I live.

Clapham South (17/Feb/2000)

Certainty level: 100%

In February 2000, MI5's hate campaign against me was in full swing. They sent people into the road where I live in south London, to swear at me and abuse me as I was leaving or returning home. One such instance is recorded on the above audio file.

On Thursday 17 February 2000, I had just left my home, en route for Croydon, when two youths approached, going in the other direction. One of them said with a smile on his face something which I didn't recognize, and still don't understand despite it being on this audio clip. His demeanour made it clear his statement was directed at me. I coughed, and in response to that, he continued his insult, calling me a "wanker", which is very clearly recorded on this audio clip.

Two days later, in the very early morning of Sunday 20 February 2000, MI5 inflicted another insult against me just outside my house, when, returning from Croydon, two youths approached (MI5 agents always go in packs of at least two - they're too cowardly to go anywhere on their own) and one of them said quietly and bitterly to the other that "he's shitty, very shitty".

It is still comparatively rare for MI5 to send people to my house, or to my road, to harass me. Usually they know where I'm going to, since they have bugs on my phone and in each room of my house; and they send people to that location, or on the train or tube getting there.

Clapham Junction (6/May/2000)

Certainty level: 60%

On Saturday 6 May 2000, I was in Clapham Junction, shopping and visiting the library. At precisely 12:29pm, the above audio clip was recorded, in front of Arding and Hobbs department store. One girl was saying to her friend,

"He's a homosexual, they can say whatever they want."

There are several reasons why I think this comment might be about me. Firstly, temporal proximity to other such incidents. The persecution had restarted about two to three days before this clip was recorded. Cause of restart unknown. Personally I think it's because I was going on holiday to France the following Monday - MI5 do like to take holidays abroad at the taxpayer's expense, and inventing reasons to resurrect their hate campaign just before I go on holiday is something they've done before.

Secondly, although I am not gay, they have used such references against me before. At Oxford Computer Group in 1994, manager Steve Mitchell simultaneously abused me and another employee but saying we were "of a similar bent". Such insults show latent or quite overt homosexuality on the part of the abuser.

Thirdly, the sort of people who abuse on the basis of mental illness are the same people who abuse others on the basis of sexuality, race, religion, etc. If they can abuse a disabled man, then they will surely do so based on the other criteria mentioned.

There is still some room for doubt, though, which is why I have assigned this recording a certainty level of only slightly above evens. But "they can say whatever they want" is what gives the game away; they just choose a differentiating feature on which to base their abuse; and if one such feature gets too boring ("we've called him a nutter for the last ten years so now we'll call him something else") then they invent a different lie to throw at me.

On 3 November 2000, I had just got off the bus in Balham High Road,
when I heard a group of schoolgirls shouting and laughing. One of them yelled;

"He's an idiot you know."

You can hear this on the above clip; it is followed by laughter. I am
not quite sure this is about me, which is why I have only given it
a two in three probability. I have been attacked many times with the
word "idiot", which seems to be a favourite with intellectual lightweights
who want to bring down bigger game. (Back in 1992 I was so worried by the
attacks on my intelligence that I took the test and joined Mensa......
does that make me a *clever* idiot? Never mind.)

Crescent Grove, Clapham Common (2/Dec/2000)

Certainty level: 100%

This is one of those clips where I am absolutely, 100% certain it's inflicted by MI5 on me, because of background, context. On Saturday 2 December 2000, I was walking from my home to a pub on Clapham Common, and on the way was in proximity to a group of three English youths who were walking the other way. They turned from the main road into a private estate called Crescent Grove. Here is what they said;

(first youth) "He masturbates!"
(his mate responds) "Yeah, he masturbates!"
(and again) "Thief!"

There is a lot of context associated with this incident, which I will now relate.

Firstly, the verbal sexual abuse is a popular one with MI5, and as a statement about me is currently mostly in their imaginations. The accusation has to be seen relative to MI5's persecutory actions in late November and early December 2000, and in fact for some months leading up to this. Their relevant activities in June 2000 are documented in a message in this evidence item; following from that, they sent someone to simulate an act in front of my window, which was captured on film.

It is the publication of the video of their agent performing the act on himself which caused MI5 to restart this thread of harassment in the first few days of December 2000. But there are some subtleties; I uploaded the digitised video to this website on 26/November/2000; but I did not announce its existence on the newsgroups until Sunday 3/December/2000. These youths' slur was made the previous day, on Saturday 2/Dec. That tells us quite a lot. According to my website logs, there were no accesses to the video file before Sunday 3/Dec. So why did MI5 restart this particular thread of abuse, before their agent's activities were published on the newsgroup? The conclusion we reach is that they were watching my internet connection, either decoding the telephone line, or at the ISP; and/or they may be able to physically see what is on my notebook computer's screen, from RF transmissions from its VGA circuitry. I do not know whether the latter is technically feasible, but the former certainly is, and I have known for years that MI5 bugs my internet activities and phone calls. It is from their observation of my internet connection that they were able to tell, without accessing the video file over the net, that it was of their agent in a compromising position; and it was from that observation that their shouted slur on 2/Dec emanates.

The second accusation, "Thief!", is even more interesting. It relates to occurrences from June of 2000, some six months before these youths threw the word at me. It shows just how wide in reach geographically and temporally the MI5 persecution is; they react to something which happened half a year previously.

In the first half of 2000, MI5 made a determined assault on my friendships. In one particular case, that of A. whom I had known for virtually all my life, they partly succeeded. This person made pointed references to me which made it clear he knew what was happening; at one point he started asking "do you know anything about the FBI and the CIA". In June 2000, we went to see a film in the West End. I paid for both of us, and then asked him to return what I had paid for his ticket, some £7.50. He was reluctant to do so. Eventually he returned £5, settling for the lesser gain of £2.50.

I did not call him a thief to his face, but I may have spoken the word while I was at home, either conscious or in my sleep. MI5 have very tight control over everything I do and say in my home through their bugs; if I say anything against someone in "their" camp, they turn round the accusation against me. So, from the fact that A. tried to garner a few pounds at my expense, MI5 create the accusation, six months later..... "thief!".

Virgin Radio-Jon Holmes (4-5/Jan/2002)

Here are two segments from Virgin FM, one on Friday, the other on Saturday,
both from the Jon Holmes evening show.

Certainty level: 80%

In early January 2002 I listened for the first time in some months to Virgin Radio,
specifically to the Jon Holmes evening show on Friday 4 January 2002. They promptly
attacked me verbally. Again, context is relevant. There are three instances in the
space of two minutes on this extract;

00:18 "are you lying?"
00:22 "it's not fair"
01:24 "everyone at the amateur c+ turbo programmers club found it hilarious"

The first phrase is a straight slander. MI5 were trying to portray me as a liar at
around this time; I have other audio with the same accusation. "are you lying?";
unsophisticated.

It's closely followed by the words "it's not fair". Note carefully the way he says it,
quickly, as if to deny what he says. The phrase "not fair" was first created by OCTS MD
H S.-W. in Nov/1992, and picked up on my first visit to hospital soon after
"they should have paid your fare").
Again, unsophisticated parrotting of a key phrase.

The third phrase is explicable through contemporaneous context. That morning I had
phoned about a C++ course. "c+ turbo programmers club"... again, somewhat brazen
we're-listening-to-what-he-says-on-the-phone, and he-can't-prove-it. Something got lost
in translation from MI5's watchers to Virgin, because "c+ turbo" means nothing.... there
is no C+ turbo language, only C++, of which Turbo C++ is one implementation.

Certainty level: 80%

I wasn't entirely convinced from Friday's programme, but the following evening's
show confirmed it. It contained a number of references to my condition, of which the
following excerpt is one such;

00:09 "I'm not well, and no-one cares"
00:24 "my voice sounds all funny"
01:01 "do you mean people that aren't mad"
01:05 "medical problem is it"

"I'm not well" doesn't mean he has a cold; it means he is being sarcastic about my
mental illness. "my voice sounds all funny" refers to the change in nature of my
voice when acute illness hits. "do you mean people that aren't mad" is obvious.

"medical problem is it"..... rubbing salt into the wound.

Balham Hill Post Office (14/Nov/2002)

Certainty level: 80%

By mid-November 2002 the persecution had again dwindled, as happens sometimes, when along came this item.
I spent most of my time at home, going occasionally to the shops in Clapham South, or into town to meet people. On this particular
Thursday I only left the house once, for less than fifteen minutes to post a letter (special delivery, because my ordinary and
recorded delivery letters had been disappearing en route for some time - not that anyone would accuse MI5 of such petty harassment).
At the post office counter there was an Asian guy talking into his mobile phone and grinning away. There is a probability that
his comments were directed at me, as I will explain further. The second segment of audio closely follows the first segment.

"you'll do it today? let's meet about 3 o'clock and have some lunch. I got stuff to do and I'll go to the bank,
get this sh.. fucking moving yeah. Even just a little bit do something. He doesn't understand, you know what it is,
I don't want to tell him again cause then he might, he thinks we're having a go at him, I'm not having a go at him,
I'm explain to him"

Explanation: The guy is talking about some bloke who is unnamed, however it might be interpreted as being in code about me.
"I'll go to the bank"... variously interpretable, either literally, or as sounds-like "wank" which has been a consistent
theme in MI5's abuse. "get this shit fucking moving"... abuse... could be interpreted as MI5's criticism of my inertness.
The state spends hundreds of thousands of pounds a year - they want to see some result, not just neutrality and ordinariness.
"he doesn't understand"... MI5 claim I'm stupid... but the numbers and bits of paper prove otherwise, so perhaps what that
is really about is their agents' subconscious perception of themselves.

"having a go at him"... sounds like they're having a go at me, doesn't it? You might take the audio at face value and assume
it's about some other guy, but it's normal MI5 procedure to pretend to be talking about someone else, and make the content of
the message very relevant to me, or their perception of me.

"for some reason it doesn't get into his head, I don't know why... he's lost it completely, hasn't he"

What reason is there for it not getting into his (my) head? Stupidity is implied. Also implied is that it does get into his head;
we're intentionally causing him damage. He's lost it completely... for some time I have suffered from OCD... lost it completely
is the persecutors' observation of my illness, which they see through the surveillance on my home, which they caused.

Eclipse pub in Balham (20/Dec/2002)

Certainty level: 70%

On Friday 20/December/2002 I went to Balham to do some shopping and eating. When I went into the Eclipse pub for a meal
there were two girls already at the bar being server, I ordered and sat down near the window. They sat down at the opposite
window seat, out of sight. After a few minutes they started screaming repetitively "section, section". They were reading
something and were trying to pretend that they were just repeating from what they were reading, but in reality it was quite
obvious they were talking about me, specifically to confinement under mental health.

As you can guess the behaviour of these unwise young things shows them to be from the underprivileged category which due to
the natural laws of society is seldom seen in the better classes of restaurant - the McDonald's next door is their more
usual habitat. My guess is that these two females were deliberately placed in the Eclipse with orders to be offensive to
me personally. The alternative would be that no-one had ordered them and they were just being rude on their own account,
but that is improbable, for two reasons; first, I was out of sight of them and one does not usually "pick on" a person
one cannot see; secondly, there had that afternoon in Balham been other, less distinct incidents immediately preceding this,
and it is inferable that MI5 were making quite a serious effort to create a physical incident, as they have done on
numerous occasions previously. I give my interpretation a two in three chance of validity.

Yeah it still isn't much around there. Have to go in Parblossum to Billey Bobs restaurant for good food and the best old movie photos I have ever seen. We use to go there ever other Saturday morning for breakfast. I loved the furnace there with the gas pipe coming out of the ceiling feeding it.

Barbican Library - 6/Feb/2003

Certainty level: 100%

Here's an item from early February 2003, at which time Security Service were re-igniting hostilities against me, a direct result of my appeal
for a legal hearing against their organisation. On Thursday 6/Feb/2003 I went to the Barbican in central London with my mother to visit the library
and have a meal. Security Service naturally knew about it because it had been mentioned the previous day in our house which is under constant
surveillance on grounds of "National Security", so they may have been able to inform staff there to say something to me, as has been done elsewhere.
Two of the people at the Enquiries desk in the library obviously knew of my circumstances, I spoke to one of them who was very polite, and while
I was waiting I heard the other speaking with a little less politeness, as recorded on this audio file. He said, "I spy", to start a game of
guess what "I spy"; unsubtle, MI5 Spy. Then, at the 34 second mark on this clip he said;

"So obvious you couldn't even get that. I shall have to kill you. ha, ha, ha"

The words "I shall have to kill you" are interesting because such overt expression is rarely heard. Security Service wish me extinct.
Some years ago they were openly shouting "suicide" at me, so that is established. But there is an element of doublethink in their attitude;
they use people's natural prejudice against mentally ill, who are popularly painted by media as being aggressive, to try to tinge the group's
view of me and MI5's actions against me. The Security Service religion is that the country's enemies are deadly, and must therefore be
extinguished. Hence, we must seize eagerly upon the disabled schizophrenic from Clapham, and throttle him, because who knows what'll happen if we don't.

There may be a subtle agenda of population control in what the Security Service have been doing in this country since 1990. In the current issue
of 2600 Magazine (the Hacker quarterly, which I read from time to time) there is a quote from Hermann Goering on page 2; "the people can always
be brought to the bidding of the leaders. All you have to do is tell them they are being attacked. It works the same in any country".
2600 printed the quote as a comment on the projected war against Iraq, which does not appear to pose any threat to the territory of
those countries which wish to invade it. However the quote is somewhat relevant to my case, which is widely known about within Britain;
the security service instructs all right thinking citizens to do MI5's bidding and band together against a common enemy, while at the same time
there is a suggestion of "look what'll happen to you if you don't obey us".

2369. MI5 Persecution: Bernard Levin - The Times (32056)

Fanatic's Fare for the Common Man

Certainty level: 90%

The article reproduced below was penned by Bernard Levin
for the Features section of the Times on 21 September 1991. To my mind, it
described the situation at the time and in particular a recent meeting with
a friend, during which I for the first time admitted to someone other than
my GP that I had been subjected to a conspiracy of harassment over the
previous year and a half.

There is a madman running loose about London, called David Campbell; I have
no reason to believe that he is violent, but he should certainly be
approached with caution. You may know him by the curious glitter in his
eyes and a persistent trembling of his hands; if that does not suffice, you
will find him attempting to thrust no fewer than 48 books into your arms,
all hardbacks, with a promise that, if you should return to the same
meeting-place next year, he will heave another 80 at you.

If, by now, the police have arrived and are keeping a close watch on him,
you may feel sufficiently emboldened to examine the books. The jackets are
a model of uncluttered typography, elegantly and simply laid out; there is
an unobtrusive colophon of a rising sun, probably not picked at random.
Gaining confidence - the lunatic is smiling by now, and the policemen, who
know about such things, have significantly removed their helmets - you
could do worse than take the jacket off the first book in the pile. The
only word possible to describe the binding is sumptuous; real cloth in a
glorious shade of dark green, with the title and author in black and gold
on the spine.

Look at it more closely; your eyes do not deceive you - it truly does have
real top-bands and tail-bands, in yellow, and, for good measure, a silk
marker ribbon in a lighter green. The paper is cream-wove and acid-free,
and the book is sewn, not glued.

Throughout the encounter, I should have mentioned, our loony has been
chattering away, although what he is trying to say is almost impossible to
understand; after a time, however, he becomes sufficiently coherent to make
clear that he is trying to sell the books to you. Well, now, such quality
in bookmaking today can only be for collectors' limited editions at a
fearsome price - £30, £40, £50?

No, no, he says, the glitter more powerful than ever and the trembling of
his hands rapidly spreading throughout his entire body; no, no - the books

are priced variously at £7, £8 or £9, with the top price £12.

At this, the policemen understandably put their helmets back on; one of them draws his truncheon and the other can be heard summoning reinforcements on his walkie-talkie. The madman bursts into tears, and swears it is all true.

And it is.

David Campbell has acquired the entire rights to the whole of the Everyman's Library, which died a lingering and shameful death a decade or so ago, and he proposes to start it all over again - 48 volumes this September and 80 more next year, in editions I have described, at the prices specified. He proposes to launch his amazing venture simultaneously in Britain and the United States, with the massive firepower of Random Century at his back in this country, and the dashing cavalry of Knopf across the water, and no one who loves literature and courage will forbear to cheer.

At the time this article was written I had believed for some time that columnists in the Times and other journalists had been making references to my situation. Nothing unusual about this you may think, plenty of people have the same sort of ideas and obviously the papers aren't writing about them, so why should my beliefs not be as false as those of others?

What makes this article so extraordinary is that three or four days immediately preceding its publication, I had a meeting with a friend, during the course of which we discussed the media persecution, and in particular that by Times columnists. It seemed to me, reading the article by Levin in Saturday's paper, that he was describing in some detail his "artist's impression" of that meeting. Most telling are the final sentences, when he writes, "The madman bursts into tears, and swears it is all true. And it is." Although I did not "burst into tears" (he seems to be using a bit of poetic licence and exaggerating) I did try hard to convince my friend that it was all true; and I am able to concur with Mr Levin, because, of course, it is.

At the beginning of the piece Levin reveals a fear of being attacked by the "irrational" subject of his story, saying "I have no reason to believe that he is violent, but he should certainly be approached with caution". This goes back to the xenophobic propaganda of "defence" against a "threat" which was seen at the very beginning of the harassment. The impression of a "madman running loose" who needs to be controlled through an agency which assigns to itself the mantle of the "police" is also one which had been expressed elsewhere.

In the final paragraph of this extract, his reference to Everyman's Library as having "died a lingering and shameful death a decade or so ago" shows clearly what sort of conclusion they wish to their campaign. They want a permanent solution, and as they are prevented from achieving that solution directly, they waste significant resources on methods which have been repeatedly shown to be ineffective for such a purpose.

Private Eye, 23 Oct 1992

Certainty level: 25%

I'm not really sure whether this cover was intended to get at me,
or whether it was re-interpreted after publication to be about me.
This issue of Private Eye came out in October 1992, by which time I had
been under severe continuous pressure at work and from the general
population in Oxford for many months. It had John Major saying to his
wife, "Come back, Norma!" under the title "Major's support lowest ever".

There's a story behind this. In late October I was in the local pub
(the Rose and Crown, nice traditional name eh) with two people from
work, Simon and Phil. Phil had with him a copy of the current Private
Eye. These are both "nice people" and on my side, I hasten to add.
Simon pointed out the message on the magazine's cover to Phil, and asked
"what do you think about that". Phil answered, "Well usually they
[Private Eye] get it right". This exchange happened in front of me.
Although I was ill at the time (this was before I'd started taking
medicines) I hadn't read anything into the Eye cover until these guys
pointed it out to me.

Sometime later, again in the same road, a student shouted to
one of his friends, "so when are you COMING BACK?", again in front
of me.

What I realised Phil thought it meant was a double-entendre, the
"coming" referring to the act of ejaculation, the "back" referring
to the human back-side. So in a play on words you get a person who
is referred to as a back-side ejaculating. Charming.

Of course, Phil could have been wrong. Perhaps there was no such meaning
intended by Private Eye. Perhaps he saw meaning which wasn't there.
Perhaps the moon is made from green cheese. Who knows?

Victor Lewis-Smith

Certainty level: 10%

Victor Lewis-Smith has issued a denial through his webmaster
John Hayward-Warburton regarding this article; he says quite categorically
it's not written about me. I kind-of sort-of believe him, but I think
the conspiracy is so wide that the phrase "Eventually, I had to leave
because they were all trying to kill me" could have been intended to be
as if from any paranoid person, but could have been influenced by my
case in the particular. So the influence could have been sort-of
subconscious.

This article is from the Evening Standard of Thursday May 8, 1997.
It is titled "Goon, and best forgotten" and may be found on page 31.

I think VLS has written/produced stuff specifically about me in the past,
both in his Evening Standard column, one of which is reproduced below
(in another case, he was talking about computer hacking, and I think that
was directed at me), and a television programme in around late 1993
when he has a taxi driver who says "they're all trying to kill me guv"
and VLS responds "you're supposed to be quite intelligent aren't you".

However, his webmaster has issued a formal denial on his behalf, so it
is not for me to oppose what he has stated categorically.

2373. MI5 Persecution: Introduction to Sent Faxes (1606)

Newsgroup: rec.radio.cb
Date: 2007-11-18 13:00:43 UTC
From: MI5Victim@mi5.gov.uk
Message-ID: <m07101816571090@4ax.com>
Source record: 235194
Cross-posted to:
alt.sex.doom.with-sound,alt.support.crohns-colitis,rec.radio.cb,sci.image.processing,alt.games.video.sony-playstation

Introduction to the Sent Faxes webpages

Between 1998 and April/2000 I sent some thirty articles on the subject of the MI5 Persecution to
British politicians, media, legal and diplomatic entities in the UK. Of those articles 24 are reproduced
on this part of the website. They were originally composed as Microsoft Word documents, and saved to HTML
form for publication here. A few of them were slightly edited in format for readability.

You will see that these articles cover quite comprehensively what has been going on since 1990, there being
quite a lot of material to cover, since it is a rare week that goes by without MI5 making some harassing
or threatening action against me. "How could it be True?"... they use the mental illness which they induced
in me as a ready explanation for my complaints. Who started it, why did it start, why it continues...
these faxed articles provide examination in more depth of the treatment in the Frequently Asked Questions webpages.
The sheer meaninglessness of the Secret Police actions is highlighted; their operatives make their livelihoods
by cynically exploiting the taxpayers, when in a more responsible country they would be looking at the inside of
prison cells.

The validity of this observation is proven by their reaction to my several suggestions in the articles that I
would cease sending faxes if MI5's agents (and it's always the same people doing the persecution) desisted from
continually harassing me. A number of times, you will see in the faxed articles, I have suggested that
we come to a "peace of mind agreement" where I cease complaining and they cease harassing. On one occasion,
I wrote to Hugh S.-W., the director of OCTS where I was employed in 1992-94 and who is aware of the
circumstances, asking that he intercede to bring this matter to a close, by initiating a meeting between
myself and the persecutors to mutually settle our differences; he didn't reply, but MI5 did soon after - they said "This is what you wanted, wasn't it?, some sort of confrontation?". The reality is the people stalking me are not interested in any settlement; for them crime pays, and
pays handsomely; moreover it is State-approved crime; the Police will never investigate or

take action;
it is corruption on an incredible level and scale, and it has gone on for over a decade.

You will see that the articles contain three elements; firstly, there are original written articles,
many in the first half of 1999 when I was writing new articles every week and sending them by email and
fax during the weekend; then there are "MI5 Persecution Update" articles, which list happenings recent to
a particular transmission; and finally there is the "old faithful" Frequently Asked Questions article
which was sent on a few occasions during the three year period. These articles generated a number of
interesting responses from politicians and other recipients, many of which are documented in the
"received faxes" area of these webpages.

I hope you enjoy reading these articles. I'm not as angry as these articles necessarily make out,
only sometimes, usually soon after the persecutors have said something unpleasant at me; the purpose
of putting lots of fire and ire into the mix is to try to chuck it into the public domain which might
lead to MI5 being forced to curb their actions. Unfortunately that aim was not achieved, despite
many, many thousands of faxes being sent. Also, if any policemen are reading this, then I'm (a bit) sorry
about the rude things I said about "the Bill" in one or two of the articles; the police have never done me
any harm (yet) by commission, only by omission of doing anything to investigate my complaints or treat
them seriously.

Faxes Sent to British Diplomatic/Legal logs

During the 1998-2000 period my records indicate that I sent at least 3,642 faxes to diplomatic and legal offices
located in the British isles, of which 3,345 went via TPC's email-to-fax service and 297 were sent via fax-modem
direct from my computer. The actual figure is somewhat higher since, for most of this period, whenever a recipient
asked to be deleted from my mailing list, I totally wiped all entries including that from the logfile.

In the records "Y" indicates successful transmission from fax-modem, "N" indicates failed transmission from fax-modem.
"E" indicates an error occurred while transmitting via fax-modem and a fax may have been only partly transmitted.
"y" and "n" indicate success or failure via TPC.

In April 2000 I changed the method of operation by recording "R" when a recipient requested removal, rather than
wiping their details from my mailing list and records; and keeping "B" records for when TPC actioned a ban on a
recipient's fax-number, but the recipient did not write to ask me to cease faxing. The purpose of these changes
was to keep more accurate and complete records, but the intention was thwarted by the police complaint.

Faxes Sent to British Media logs

During the 1998-2000 period my records indicate that I sent at least 6,137 faxes to the British media,
of which 5,775 went via TPC's email-to-fax service and 362 were sent via fax-modem direct from my computer.
The actual figure is obviously higher since, for most of this period, whenever a recipient asked to be deleted
from my mailing list, I totally wiped all entries including that from the logfile.

In the records "Y" indicates successful transmission from fax-modem, "N" indicates failed transmission from fax-modem.
"E" indicates an error occurred while transmitting via fax-modem and a fax may have been only partly transmitted.
"y" and "n" indicate success or failure via TPC.

In April 2000 I changed the method of operation by recording "R" when a recipient requested removal, rather than
wiping their details from my mailing list and records; and keeping "B" records for when TPC actioned a ban on a
recipient's fax-number, but the recipient did not write to ask me to cease faxing. The purpose of these changes
was to keep more accurate and complete records, but the intention was thwarted by the police complaint.
Also in April 2000, I added some further fax numbers to my media mailing list and records, which is why some of the
faxnumbers below have only a single entry, and some indeed have none.

Look, Americans in DC, are by 'judicial threat', being injected with provable poisons, not newsworthy, but the JENA6, violent criminals who nearly beat a innocent man to death should be released without questions spoken. Please support my call to allow Christ to speak openly for public defense of our dying interests. Demand George Norry take our call.

The Whole Truth - Christ Claims Torture Illegal

Torture IS illegal, yet, the TV threat is trying to teach America that We, The People, haven't spoken on this issue since Law came to be. Please, I beg, please fight back for Humanity by not excepting a zionist's betrayal to G-D on this subject. TV celebs are programming that waterboarding, head slapping, and the burning of innocent people to death for a treasonous bushite's satanic pleasure, is arguably in support of defending my dying America, through assisting in the neocon's escape for 911. Death to the torturers of innocent people, death to the enemies of Christ in America.

/ / Welcome to the world of the reality in which a Jewish American Zionist man can cite Nazis in defence of torture tactics. \ \

The demon isn't Jewish my friend, isn't Jewish. I'm the King of Jews, who would advocate the death sentence for such criminal tactics to defend our innocent selves from the ungodly. Wouldn't you too?, cheer to hear the arrests of the satanic enemies of Man deprived our wills, instead of ourselves as the innocent they victimize to thieve from for Zionist Nazi fascist enemies? A person accused of a criminal offense without any evidence is innocent. Demand open communications on our, happy happy demonized to suffer dumber than dumb coast to coast air wave specialists.

Liar Liar

http://www.crooksandliars.com/Media/Download/23339/1/twaw_rivkin_swift_111107.wmv
ect..

Look, torture is criminal. Do you physically slap your
neighbors, to find out if they did the criminal's crime?
Should we slap Rivkin to ask him if he plans to commit crimes
against the innocent, and if he then says no, again repeat
till he's rightly dead from hearing a liar's denial?

Torture is a crime warranting a life term sentence or death in
America by LAW - firmly established already by the "War Crimes
Act" of 1986. Demand Justice to save the lives of our

innocent selves forsaken by the for cash profit, private news parrots. Believe in US demanding open debate for a positive change why don't you.. Nazi Germans were a happy happy bunch too over the growing threats of torture and enslavement through blanket annihilation... initially. Don't let Bush further hurt my dying America through his personal self contempt for our shared values.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. If you can't believe it is important for you to raise your cries for justice likewise, we're all going to be done for lost to indifference. Defeating the neocon is serious business my brothers, serious business.

/ / commanders may give orders to "shoot first and ask questions later." \ \ KING RULES: Aim to and kill innocent people, your guilty of murder. Order such conduct, like amerika's George Norry would boastfully crow, your guilty of nazi war crimes.

Bill a bushite to defend Humanity, to return a freedom for believing. Every thieving bushite dumfuk grunt of the Air Force is a demonic LIAR, accessory to mass murder. And even though, CNN, CBC, and MSNBC suggest TORTURING innocent people to death isn't illegal warranting the death sentence, it still is, and will remain so for as long as we live to die a bushite war criminal for defense in America and God, so says the Son of God, as Man of men. Die bushite die.

The bushite has murdered many thousands in Afghanistan to push dope, more than a million in Iraq to steal life as lawlessly demonic, all the while actively thieving to destroy Johnny's America for the praised by TV 'neocon who?' news peelers.

Bush closed 911 investigations immediately after the terrorist offense of no questions! no questions!

AMERICA RISE FOR AMERICA

indiscriminately bombing populated cities to MURDER US People.
All to help 'escape' the neocon ENEMIES of America - they also
support "officially" destroying Our public infrastructure,
thieving humanitarian aid, while incarcerating innocent people
to collectively be punished by the TRULY Satanic enemies of

THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as
we speak, to further terrorize a dying America lost to the
indifference broadcasted daily on almost every radio and TV
network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen
billions, instead wants to kill even more innocent others as
neoconner traitor. In your name as "American." Johnny America
begs to disagree with criminals actually, and has taken a
stand against these 911 war mongers escaping our authority for
proper Public acknowledgment. If you, my reader, would only
support yourself.

Please, my friends, fight for our dying America. The TV and radio celebs deliberately refuse to allow US to know: Ahmad funded Atta, and, of the videos of steel flowing like water from the WTC towers - all to KILL ourselves for the enemy liar neocon. To KILL. OUR innocent families are being robbed and murdered. CJOB, in Winnipeg, like FOXNEWS, lies daily to dumber than average teen soldiers, not to defend freedom, or Canada, but to die for dope pushing Islamic fundamentalism in assisting the truly evil neocons escape for the crimes of 911. How can anyone be so truly evil to Humanity you may hide in fear of confronting directly? CJOB relentlessly THIEVES from Manitobans, with our seriously corrupt lotteries they pocket millions in criminal gains stolen from our most poor and desperate, they work to CRIMINALLY give away our public resources to their self described Zionist, 'kill the Jews, kill the Jews' anti-humans. These nazi pigs celebrate their public hatred for innocent humans with LIES about 911, Israel, and anything else that threatens Justice to win through free open communications. Bush, as does every neocon, needs to be tried publicly then executed for the crimes of 911 with his partner, General Ahmad, according to every honorable Police agency that uses evidence to form OUR conclusions. Please fight for Justice, please fight for Life, please fight for yourself by picking up YOUR phone and calling for a Humanity that would care if you tried to do what was right. Do you expect yourself to fail trying? Just try for your life's sake I beg, just try. Or.. die you will, die YOU will. Christ kills a bushite with a Love for GOD that will never die, but I AM ONLY ONE MAN. WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability. Don't be cowardly stupider than stupid allots.

It is not just a Muslim who sees the bushite as an enemy to Humanity. These lawless savages have been acting without accountability to anyone, because they are largely enemies of every American, who cowardly run from responsibility in America to defend their own brothers and sisters from the LIAR neocon, and die instead as/with rapists, torturers, and Art Bell liking THIEVES. An Oath to God means nothing to a busite grunting savaged criminal, claiming to be lawless as an enemy to EVERY HUMAN BEING. Remember: these thieves have stolen from all still paying Americans dying from true self contempt. No evidence against an accused is US being truly abused.

http://www.crooksandliars.com/Media/Download/22786/1/rice_iran_sanctions_102507.wmv

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on

Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>? WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however, in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through. Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow Human beings. All they as bushmob amerika have done, is thieve, destroy and murder from everyone of US since 911. I am growing wearily concerned over whether Americans even can still express real anger over their continuing sacrifice.

Twisted demon nazi LIAR, America's TV "preacher", Jack Van Impe

"He wants to wipe every Jew off the face of the earth, and he's said it many times!" referring to Iran's elected President, a nation with a large living 'hidden' Jewish community Impe would MURDER to not let YOU truly know of.

"We love you so very much.."

What love lies to murder the innocent to feed the greed of the selfish EVIL Jack Van Impe family? Every show the demon does, is filled with LIES that are made to murder more as Satanic, and it ain't no accident to continually lie like that, each and every time to support lawless tyranny to enslave the human race for more ungodly neocon plunders as their personal richly growing treasures.

ZIONIST NAZIS LIKE IMPE LIE TO QUOTE US SAYING everyday 'Kill the Jews, kill the Jews' No, bill the escaping un-arrested zionist god betrayers who rape, murder and steal from Humanity as LIARS - all done by US to DEFEND Jews, to Defend G-D, To defend Christ. Christ - Born King of the Jews, as true King of Kings - I am by no accident in every word, truly great

FREEDOM

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place. CBC, CNN, FOXnews et al. know the Bushmob did 911 in other words. Live for freedom dying America! Johnny America wants to be invited on Coast to Coast. Make it happen Man. Justice for god, is Justice for all.

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of wondrous tragedy?, Jeeze.. I seriously need money to feed myself.

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

http://groups.google.com/group/talk.politics.guns/msg/92b29b55b50f7779

/ / REAL Soldiers: try calling the pro-bush radio station, CJOB, and ask them to stop thieving from our community, and demand they allow open, honest, intelligent discussions on their contempt for the Canadian flag. Thanks. P.S. You may have to wade through 45 minutes of their for profit commercials. Fuk, on weekends, when People are home from work, they run continuous commi crap to take even further more silenced. \ \

CJOB STEALS millions from poor Winnipeggers through their fraud of lotteries, and as a consequence, they'll cheer our sons and daughters to die cowardly instead, for lawless Bush rule, where evidenced findings of Our police agencies are forbidden topic material, like mathematics, and instead, bin Laden did "it", now die for the demon antichrist LIAR ENEMY OF GOD. Al-Qaida = General Mahmoud Ahmad

/ / "I grabbed her little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite enemy and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

Oath to God

The bushite took an Oath to God and country to defend America
from war criminals, and instead, as cowardly neocon bush
bitches, commit war crimes of theft and mass murder against
the great Iraqi People. A soldier in the air force, is a
dishonorable nazi savage, worthy the death sentence for
assisting in bombing Humanity indiscriminately as zionist
enemies of Christ, attempting to destroy Johnny's America with
their provable DEMONIC LIES. Death to the bushite enemies of
Life, who lawlessly war Creation with torture and slavery to
'escape' the neocons for 911. Your magic TV exec excuses
don't mean squat when the facts are so readily available. But
a bushite don't read, or write, or think freedom. Zionist
enemies of ALL Our humanity, murder to believe US won't ever
hunt them down by Law to defend ourselves over. Hammurabi
LAWS to bill the false capital accusers first, and everything
else will fall into place. [note: Hammurabi founded
Civilization.]

Look, do you want to defeat the bad guys, or not? Bush gave
US zero evidence to form our free thoughts on the 911 Justice
issue. Treason. Simple.

I have the plan. Return all the stolen monies, and hunt those
who rape torture, or murder. And.. get the neocons for
treason on 911 most especially. So, here we go..

/ / Putin recently declared that Iran does not possess nuclear
weapons, is not pursuing a nuclear weapons program and poses
"no threat" to any nation, least of all the United States.
[...] If Putin is evil, surely Bush is worse than Satan himself. \ \

Bush is the most evil anyone through space-time can 'be'. He
uses hypnosis over the too weak as blindly supporting the
murder of innocent others. Hitler wasn't even so openly
naively evil as Our Mr. bush Jr is truly. Our. What are YOU
going to do about it... PnK.! Answered silent the God of
Hosts echoed: Support our rise to find ANY soldier who honors
the American flag, who doesn't agree Bush, Cheney, and
Rumsfeld must be publicly arrested immediately for the
continuing war crime trials of 911. (And Condi with Myers too
as just getting started then.) Otherwise, we WILL find

ourselves in secret agreement, even without Coast to Coast Inc., network 'group think' programming. Justice for America is Our Cause. And you America.. love LIFE by fighting to win against the traitor neocon thieving terrorists, who will the death of innocent families to escape themselves our accountability. False accusers who deny respect for yourself as a New Yorker included in forming our conclusions with facts as understood actual. Military heads generally do not have the skills to communicate such clarity, for they are not swinging guitarists, as too cowardly to speak a care for Freedom through Justice in Johnny's America. Babble babble..

Bombs Kill People

Nazi Israel, the ungodly nation that murders Christians in G-D's name AS THIEVES, deserves to die as proven war criminals, to bring about a living nation that respects the Jew by Law, to be just me or You living freely for happiness. Israel is a nation who's nazi government HATES GOD, because they are known BY ALL as a criminal in nature, a unjust first degree murdering zionist demonic thieving enemy non-entity of dying life. I would ask Syria to consider hiring me on as defensive minister, or yous in Iraq, Iran, Canada, or Europe. WOW! 'BIG LOVE' China!! Moscow! Hey buddies... I'm coming over for drinks no matter which way you look at it. Business first.

/ / By simply deciding that something is a "state secret," the Bush government has avoided answering for its brutal treatment of innocent [TORTURE] victims in the war on terror. This is a perversion of the principle of American justice. \ \ Realize: Mr. Bush, the demon enemy of all humanity, out of the same mouth, states torturing [innocent victims as satanic liars] would be ungodly, and isn't done. Like bin Laden did "it", Saddam wouldn't let inspectors in, and neocon thieving soldiers who murder our families indiscriminately as zionist betrayers to Christ and America are Heros.

"...advanced forms of biological warfare that can target specific genotypes may transform biological warfare from the realm of terror to a politically useful tool."

USEFUL! Tell me, wouldn't YOU have publicly tried, then executed neocon traitors for mass murder if you were dying as Johnny's America?

AIDS as a weapon used by those of "Project Paperclip", zionist neocons who war as enemies of humankind? What evidence does a bushite need, when it thoughtlessly murders America for demon bush as it's "G-D"?, the thing that does all it's opinioning for it?, on who is guilty of evil doing in complete blind faith puppeting LIES? If anything, bush would be Puppeteer, before "he's only a puppet, he's only a puppet, look away! look away!" of the Old World Order of illiterate nazi savages who murder innocent people to thieve from as our enemies. To kill a bushite, is to be truly heroic. Ask anyone. What WE want is public accountability.

http://www.newdawnmagazine.com/Article/The_Secret_Origins_of_AIDS.html

I'm telling you America, George Norry is a blatant naked traitor talking the love of your innocent dying sons and daughters as too stupid and cowardly to defend our dying America from the actual 'escaping' neocon 911 perpetrators.

MAKE OATH AND SAY

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. CNN must, and WILL be tried for high treason for their demon lies broadcasting the northern alliance don't push dope, while the Taliban did, and do. CNN execs will be put to death for such demonic claims that stand no ground in the light of all evidence. Plus, the Taliban were honorable in defending America by demanding facts to form our conclusions on how bin Laden is in anyway connected to the crimes of 911. Example: how did bin Laden sneak the explosives into building seven with his bulky dialisis machine dumfuks? I HATE bushite to death I DO. Death to the bushite, death to the enemies of Mankind.

I, Johnny Wizard, in the city of Winnipeg, Province of Manitoba MAKE OATH AND SAY:

1.

Pakistani ISI Director General Ahmad orders an aide to wire transfer about $100,000 to hijacker Atta. Ahmad later resigns after the transfer is disclosed in India and confirmed by the FBI. [Dawn, 10/8/01, Times of India, 10/9/01, Wall Street

Journal, 10/10/01, AFP, 10/10/01]

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence to back up the allegation, thereby, securing criminal invasion.

then the demon enemies of America, closed outstanding criminal investigations..

Investigating the Investigation

AMERICA HATES BUSHITE

/ / The [BUSHITE ENEMY] US has said it would refuse any request by Italy to extradite the accused [satanic bushite torturers of completely INNOCENT PEOPLE]. \ \

Protestor's sign: "killing innocent people is the problem not the solution."

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the

innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Soldiers of fortune: kill the lawless bushite nazi savages to defend MY dying America.

-

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / It is strange that the 'Secret Organization of Al Qaeda in Europe,' the group that is allegedly responsible, would have escaped notice (to say nothing of their odd, 'double secret probation' type of name). \ \

Bushite are EVIL to all, as enemies to Human kind. During Katrina, the bushites responsible for protecting America, slaughtered everyone's confiscated pets for joy and happiness. Three schools filled with hundreds of dogs, cats, snakes and bats. There was no need to kill everyone's beloved pet, but as the bushite will FREELY tell YOU, it was fun to serve demonically as the antichrist enemies of God and love. demand Justice for God, demand Justice for Johnny.

/ / The mere fact that one can deduce a motive for a
person or a group does not mean that they perpetrated
the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better'
CBC, CNN, or FOXNEWS censors. Look at me!! They refuse
to acknowledge my documented info as REALLY important
to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies
of America at the Coast to Coast radio network, who would
kill Americans for the rich neocons without question. It's
JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC
zionists, actual treasonous LIARS, actually smile to dying
Canadian soldiers with only true contempt. CBC kills Canadian
kids, with their intentional demon lies, trying to subvert
Justice for God and Johnny. In fact, yesterday, they did a
special, all on how "God is NOT Great", giving that bush bitch
demon LIAR, all the space to pontificate it's hatred for
Wisdom, Science, and GOD, with only nods and smiles from the
'illiterate' hord. Remember: A zionist KNOWS it's an enemy of
Humanity when it supports dropping seven million land minds to
murder indiscriminately OUR CHILDREN for decades, or stealing
a Christians Home because they say God says Jews would do such
ungodly acts. Blame innocent Jews the holocaust denying
zionist shout, of which not one, is a Jew. Like me.

-

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let
anyone out of the city, because [enemy Sattler LIED]
pro-bushite Zarqawi was there present, so the innocent
families who believed they had nothing to fear from the liar
disciples of the ungodly enemy of ALL HUMAN LIVES, remained in
the tiny city to be indiscriminately 'protected' with more
than nine two thousand pound bombs, or made dead instead by
heinous pro-bush escaping war criminals who used white
phosphorous on civilization. All to die our Humanity for the
thieved loss of evidence to demand ourselves of some official
freedom time to deal with our terrorized as suffering reality.

Senior Military analyst, Rob Riggle "In the field John, the
soldiers are out there, every day, risking their lives, for a
common Ideal: that none of the President's decisions be

This is more true than a bushite would admit before murdering
a honorable father to rape his young child, like Lcpl
Boudreaux freely confesses. Boudreaux will tell you, openly,
you have to murder the Arab father of the Arab child your
planning to rape, because if you don't, that Father will spend

you limb from limb for it.

Let US, me and the few, proud, and the brave, bring that
Father's intent to bare on lancing Boudreaux, and any other
who would sing in it's ungodly defense.

Zionist american media news celebs do tell, everyday, soldiers

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney, consults with neocon authority in Egypt, and anti-Jew Saudi Arabia, on how to best torture innocent people to death as TRUE enemies of Man. Has anyone read the fiction 1984? 'Why is it so crazy'?, you might ask an un-responsive big sky of Love? Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values.

.I guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you know anything worth living for? my dying unjustly brothers and sisters? My friends, please fear not wisdom communicated by a REAL Man, for, we explain ourselves to the best of YOUR ability to listen simply. G. W. Bush used no evidence to form America's "conclusion" on who did US wrong on 911. So, Please, stop forsaking yourself, for, we're going nowhere. Support Johnny's call to demand open debate without censorship from the magic radio and TV execs, who hide in darkness, pretending to be our friends, while refusing intelligent dialog to answer any of our big troubles easily. Why? because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who

thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

I want air time with the one and only real man in these here parts, Mr. Johnny America, our glorious make believe creator of all we perceive religiously, self realized. He's a genius!

No evidence against an accused is US being truly abused

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before

allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. ¿KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in

America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage

for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Our Mr. Bush Jnr. "Torture is not a part of our soul."

Signed,

P.S. Get on the radio to speak our lives as worth something! Or, what? you're worthless to the neocon's commanding pronouncements on what you conceive? Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard

in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

DIES! And, as such, the cowardly American enemies, refuse by willful silence to speak bravely for the up coming war crime trials of every neocon traitor - all for the sinister evil actions of mass murder in America on 9/11. ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well

he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

Lying Enemy Traitor to America, Glenn Beck

www.crooksandliars.com/Media/Play/22003/1/Beck-Limbaugh-100207.wmv

"Media Matters didn't have a word to say when congressman John Murtha accused American Marines of being guilty of murdering innocent Iraqi civilians, service men who actually turned out to be innocent heroes."

I propose we try CNN's Glenn Beck for nazi treason, and upon easily successful conviction, we put the demon liar to death along with bushite Tatum who confesses freely to slaughtering innocent Iraqi civilians for satanic pleasures all to serve the neocon agenda of swindling America TO DEATH for cash profit through neocon censorship. Mattis, the woman hating documented child killer, was made into a 'Judge' for the bushite's version of a war crimes 'trial', that hasn't even yet truly transpired, for the evidence was not brought to light through the proceeding, such as Tatum's full confession. But, of course, Glenn Beck, the treasonous liar, doesn't want America, the dying by contempt, to truly know that. For, he'd be likely dead as sworn enemy.

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" = "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and

you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. Dumfuks to their bitter end.

To Kill a Bushite, is to be Heroic

American soldier: Your enemy is TRULY LIAR happy George Norry. The demon knows of Ahmad, and forbids any guest from uttering such understandings in defense of the DYING dumfuk grunt nazi - Good riddance? Do you care that your country men are dying for the criminal zionist neocon as traitors? Support my demand for US to be heard GOD DAMN YOU. ...or die by the hands of Humanity.

All fighters, listen up. ANY bush bitch neocon biter who pretends as a cowardly child killing traitor, it can't ever hear my manly voice from here, YOU kill to defend ourselves over, in the cage or otherwise. Kill any or all thieving bushite ENEMIES of America responsible for 'escaping' the 911 perpetrators, why don't you help US out some my loves...?

CHRIST RETURNS

I again, beg Humanity to speak in opposition to Amerika in the defense of our innocent forsaken dying lives. CBC producers know the bushmob did 911 but lie with propaganda to kill our families for the ungodly as thieving neocon enemies. They refuse to inform ourselves that Al-Qaida is General Mahmoud Ahmad, as according to the FBI. Or that video of iron flowing like water from the WTC towers exists indicating without doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to? What can you lose when you have granted to be blindly stolen from?

Zionist nazi Israelis, do tell as LIARS, that Israel, the nation that openly thieves, tortures, and murders daily thoses THEY ADMIT are commpletely innocent, are enemies of every religious person denied access to honestly speak the facts as firmly established since the dawn of Man.

$4.50 for Every Pop Can?

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all

headed up by a blatant traitor to America named Sattler.
Reminder: after the indiscriminate carnage, they couldn't
find near anyone for weeks who would take money offered to any
citizen freely who survived for their satanic benefactor. So
insanely disturbing as ungodly evil doing, war criminal
Sattler called a halt to giving out charitable considerations
from Americans to the unseen surviving victims - all in an
'escape' attempt to make it look better for US, the paying
audience. So, where did our stolen values go to then eh?

Treasonous George Norry CONS Americans to murder for the evil neocons with threat of his going "ballistic" against any or all Americans who try to stand up as a Just peoples for what is righT, for Life and/or God by SPEAKING FREELY. Will You try?, or go silent to die as unworthy? Your call bud...

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt

for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

Johnny America Speaks Out

"what's this freedom war against Life for again"?

Hannity is a perfect example of what a neocon is. It's a one way communications system. He tells us what we think, and he'll never takes our calls, they won't read our emails, and they'll continue to pretend WE don't exist. AND... when WE die, they'll be richer for it. AND you'll be dead, your innocent brother will be dead, your innocent child will be dead. No evidence against an accused is US being truly abused. George Walker Bush is Guilty for 911, while every irrational bushite is a traitor to the American Family.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these ideas, but they ain't going to speak out against us. Example 'I don't want to be held accountable to the American public, cause I want to steal that 16 billion dollars for myself. That's my public opinion.' What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Support our rise as the top cop of Humanity, coming down for diplomatic talks to engage the flagrant wanton stupidity of the bushite grunters. All on hopes you'll consider also, these Kingly texts worth a couple hedge funder salaries, a sixty cent barrel of oil marked up to 74 dollars, or a thousandth of the money America would save in a year, if you adopted Canadian Health care systems overnight for yourself to immediately provide all People the respect for life we deserve. Or don't, and needlessly continue to pay twice as much, while dying broke as self made losers without a cause worth preserving. A free market open to waste for profit

/ / Last month its cartographers quietly admitted that Lebanon is right in claiming sovereignty [..] \ \

Nazi zionists gave US Jews a bad rap again I see. They're despicable criminal savages the neocon.. who steal the rights and privileges of US peopled folks, all to fall victimized with their self confessed contempt for love and justice. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. The IDF states it will "reexamine their policy" of conducting such raids on uninformed, panic-stricken Palestinian villages. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminal savages.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

Elected Governments All Over The World

Galloway "These are the people who have overthrown elected governments all over the world. and he [Richard Perle] comes on your program to prattle about democracy. These people don't want democracy, they want slave governments. If it's a slave dictatorship - that's fine. If it's a slave elected government - that's also fine. The only thing that matters is that the government is a slave government. That is why they will never invade Egypt. They will never invade Saudi Arabia. They only invade countries, or threaten to invade countries, who stand against them and who refuse to be slaves to them. That is why they hated Iraq, that's why they hate Iran. That is why they hate Syria. Of all the faults of all the three regimes in these three countries - they were never slaves to the United States, and that's why they were attacked. [...^] In Iran, 17 million people voted for the president, Ahmadinejad, and 10 million voted for his opponent Rafsanjani. Those 27 million are determined to exercise their right to nuclear power. The response of Bush and Perle is to threaten them with invasion. These are the people who murdered Salvador Allende, the elected president of Chile. These are the people who have overthrown elected governments all over the world."

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

Jason Bermas "I just want to let people know, that if this is a hit piece that involves, you know, saying that we're all blaming the Jews, or the Zionists, or something ridiculous, where we go after an ethnic group, [Jason Bermas suggests "Jews" = "Zionists"?] 'we' can not be associated with ANTI-SEMITISM, space beams, utter kookery.

Alex Jones "Or Jesus! they have 911 leaders saying they are Jesus now. They have people saying it's space beams from Pluto. And folks, I've tracked these people, they all were formally in intelligence, or connected to the Bushes, the space beam thing came from a almost cabinet member level Bush member, and folks this is a setup to poison our movement."

Now??

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense

for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

Who as America will bother to care they die by naked zionist criminal command? Johnny Wizard has been screaming for help to America, begging them to pick up their phones leastly, to air concern for the survival of the Nation, for YEARS! to publicly challenge happy happy, joy joy pro-child killer demon enemy George Norry and bullshitter no-national thief of Life Art Bell, and they've near completely refused while laughing and singing by who cares for you zionist news command. They, as America's Coast to Coast voices, would rather richly die YOU sacrificed for CRIMINAL zionist Israel, (Israel, where the government leaves actual Jews to die in the streets starving as garbage dumps, to make it look good for MORE giving American charitable donations to disappear elsewhere) before saving the lives of THEIR VERY OWN. Americans don't seem to care they die by their own unwillingness to communicate openly for Justice. I ask you again, to spare me a few dollars so I can feed myself. I am actually, near starving, and never in my most feared nightmares, thought this world, with our communication technology, would leave me without any financial assistance. I seriously need to eat. Please help me, by supporting our cause to not starve to death. If you appreciate my words in defense of the once great Human race, donate a few dollars to this cause. TRAITORS TO LIFE

"I told him, there's women and kids in that room," Lance Cpl. Humberto M. Mendoza said of Lance Cpl. Stephen B. Tatum. Tatum's response was, "Well, shoot them,"

If Americans don't proudly put to death Tatum, on behalf of the Family that lost their son, their Marine, Johnny will formally conclude, Bushite america is an ungodly evil nazi fascist state of intolerance and hate to US, the Great Human Race. Bushite amerka does not own Freedom, nor do they own our rights to be Just. Join me in demanding the Public execution of the satanic demon liar Tatum, on his Public insistence that murdering innocent families to thieve from for the neocon, is a crime not warranting the death sentence enforced by any family man. Death to the bushite. death to the enemies of man. The neocons will be arrested, tried, and executed for the crimes of 911 as traitors to Life.

Death to the bushite instead of the innocent loved in God

/ / IntelCenter issued a tacit warning \ \

Don't EVER forget, the private company Aegis has been officially found dressing up as AL-QAIDA! - AL-QAIDA! - AL-QAIDA! to murder pro-western forces in Iraq, while desecrating Elvis. Elvis Presley. If you don't love Elvis, there is something seriously wrong with America. Now yous messing with a real son-of-bitch. HeY!, question: why don't Americans kill a bushite for Yourself bud? - because Bushites insist "we're" willingly being led by the antichrist enemy of all human life as Satanic LIARS who intend to cheat ourselves of freedom through self respect. Pro-neocon-media enemies are nazi savages, and I don't like it..How about you?

Death to the bushite instead of the innocent loved in God

Time is Up

Al-Qaida Kagan "Al-Qaida, their whole strategy revolves around generating sectarian violence, because that is how they embed themselves within local communities "

What?? For friendship?

What is the demon TRAITOR to HUMANITY in America saying about the reasons he embeds an Iraqi under 50 odd divergent NEOCON labels? Wouldnt most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? These LIAR dumfuk grunts who cheer "whore yeah", routinely, can barely read or write, so, how possibly does this FOXNEWS expert, expect such ungodly antichrist forces to delineate Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan: Put Everything Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. They both have continued to Publicly advocate murdering more innocent peoples indiscriminately they call, "Al-Qaida", all to rob further monies from an undefended America. It is easily learned by any as all, the victims of bushite tyranny are exclusively, US, The People, guilty of nothing but our shared love of GOD. Remember forever: there was NO JUSIFIED REASON for bombing PEACEFUL Samara, NONE! that bombers confess was done as ordered by Allawi INDISCRIMINATELY, all for getting killed Marines sent in later for more stolen cash from America. P2OG. [hundreds of bushited Marines died rightly almost immediately - (wow eh?)] A Satanic action, Kistol and Kagan, both blame without thought to question on "Al-Qaida".

The action of Satanic bushite bombers targeting Samara as war criminals is FULLY documented.

Death to the bushite neocon LIARS, death to the enemies of Freedom for Humanity. My beloved friends of GOD, please, when you see the mute bushite, kill it for Christ, kill it for Love, kill it to defend your loved family. (Any soldier who doesn't proudly talk of how it hunts those British soldiers who kidnapped barefoot children and victimized them on video, is a soldier worth destroying NOW to defend GOD and Life from needless death.) I HATE the REAL demon antichrist Christ says.

Kagan "You rarely know in the middle of a war, what the outcome will be."

Johnny Wizard the Creator "I win."

/ / The US has also been backing some pro-western politicians like Iyad Allawi \ \

Do you know who Allawi is? Allawi confesses to blowing up school buses filled with children for "CIA" money. NOT THEORY. HE ADMITS IT AS AN ACTUAL SATANIC DEMON! Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. All three, pro-private-bank zionist news stations are well aware that the bushmob did 911, but lie to YOU as forsakenly dying for their growing riches and world wide broadcast fame.

CBC National Newz - July 11th 2007 'tens of thousands have died in Iraq since the war against truth started.'

Anyway, these two Allawi incidences are fully documented, look it up, then demand the "The US" pro-western politician person quoted as supporting Allawi - be found guilty of CRIMES AGAINST HUMANITY, Demand publicly, having the neocon zionists EXECUTED by America, for America, as America. A Just America that defends America from criminal madness. Or don't. Death to the bushite, death to the enemies of Man I say.

-

George Bush "The same folks that are bombing innocent people in Iraq were the ones who attacked us in America on September the 11th"

George Bush 'Iraq has nothing to do with 911, you bunch of nazi dumfuk grunting LOSERS. Whore yeah - praise Satan - die America die. I mean... I love Jesus'

So it was as I thought too: the direct co-operation of the joint chiefs of staff assisting General Ahmad, in committing the murder of thousands in America on 911 for the neocon TRAITORS, as the same 'escaping' enemies today, responsible for 'secretly' ordering these indiscriminate terror attack bombings against YOUR Humanity for their continuing stolen pleasures as Satanic.

/ / U.S. Marines are said to have killed as many as eight unarmed Iraqi prisoners when U.S. forces attacked Fallujah in November of 2004. \ \

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun,
paid for by the silent American tax payer. Americans refuses
to bother making a simple phone call to Coast to Coast to
raise some concern. THEY don't. They refuse to hunt bushite
down in their streets for death to defend the innocent held
indefinitely against GOD'S will. Death to the bushite, death
to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but
will smile while watching your son or daughter sent out to die
CONNED by their demonic hatred for US freely communicated.
How do I know this? I made the effort of making the phone
calls.

"Al-Qaida" = "General Mahmoud Ahmad"

Defend freedom, and the FBI, by demanding Coast to Coast radio
hosts allow free communications, absent their personal
contempt for preserving freedom to be our America. George
Norry WILL kill Your American child for the contempt he truly
holds for our lives here. He says he only supports murdering
Arab children for the neocon, but when your not looking in his
'shadows', he'll kill your child too, don't doubt it for a
second.

-

Allah is all, and negotiating for freedom from naked bushite
tyranny is won EASILY through communicating understanding.
Omar the Just knew this to say so, as do I. And this is why
corporate news professionals forbid me to speak openly without
nazi censorship, ON OUR AIR-WAVES, because I am honorable,
right, and true as believable. While America's fun guy,
zionist George Norry, states to support PUBLICLY, the ungodly
murder of innocent Arabic children for nothing but his
personal contempt of YOUR DYING LIFE, while further wanting to
invite thoughtlessly nuking places on Earth all for his secret
hatred of US freely commutating. Typical bushite. Ending
with to tell US again 'convincingly', that bin Laden did do
911 as a terror-ist bad guy in G's World!!?! How so? EH?
How so? he don't care man, he don't care. He and his family
have millions of dollars to sell you out, so why care for your
struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida = General Mahmoud Ahmad

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

/ / The Mujahideen aren't students of power and don't compete for power like others do. We are students of truth and work for establishing this truth and for this cause we sacrifice our power \ \

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid, Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

Like Coast to Coast's fun guy, he ain't taking our screams, George "pro Arab child Killer" Norry??

Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911.

/ / As a result, the Defense Department put up a Web site in 2005 designed to clarify [to the dumfuk bushite demon liars] that sexual assault is illegal [...] \ \

Let's save some lives, what do you say guys?

"If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious

man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if
they tried. Ahmad funded Atta. bin Laden claimed he played
no part in 911. And video of iron running like water moments
before the first tower fell is freely available for download
all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has
been completely overhauled. Where are the many who served there NOW
eh?]

Look: America has kidnapped countless thousands without evidence to
be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide
OPENLY in America's uniform. [let US hunt them down for GOD, despite
what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for
Bush are officially deemed lawlessly unaccountable to
anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency
water provision money

Look: Sattler OPENLY committed the worst war crimes of
all Humanity's history

'A military judge ruled last week that Watada cannot base his

Telling US what?, that it is a crime to not commit a crime?
It isn't only high treason against America the ungodly bushite
are guilty of, but of a madness held by those truly Satanic..

No bushite was found gloriously killed for country, yet, they,
the godless bushite enemy, continued to shoot innocent People
indiscriminately for a distance of six miles, while likely,
secretly masturbating each other as bushite liars do always.

The pro-bush irrational military said only eight innocent
un-armed Afghans were counted as murdered deliberately, by

those who believe our Mankind, can not ever find themselves accountable, without zionist controlled, corporate news permission. See? The military counts mankind as zionist, but I am a man of real men, committed to defend our world from all enemies, foreign, or domestic. Support Johnny Wizard's personal challenge against thieving LIAR traitor Hannity, and his corporate nazi bush whores who lore our stolen values by how much they can deny US privilege of equal standing.

Get it done brother.

Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

Death to our Enemies

My friends, People are dying because the, Israel=Jew, magic radio and TV crews, wont broadcast THE TRUTHS of our publicly available findings. Police findings. People are dying needlessly, illegally, irrationally like meaning really stupidly on Bush's behalf, for they claim, we don't want to be 'embarrassing ourselves' with MY wisdom, You people seem to not be there for God when the chips are way down, and truth is plain to see.. 911 was an inside job, and CBC with CNN don't want to tell us about it, but will watch our LOVED children lied to, to go out and die further for a causeless war of criminality unparalleled in it's wickedness.

Corporate News America's Terror Expert, Gaffney, who publicly advocates the rape and murder of the innocent in Iraq to thieve from for the 'escaping' neocons, (as the truly UNGODLY,) stated these words about why American Soldiers continue to lawlessly DIE sacrificed for no better good or reason understood, as total willing dumfuks under deep hypnosis:

"It is not George Bush, it is not the Neocons,"

Don't let these neocon zionist bastards doe this to US.

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who

attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

are OPENLY traitors, as the TRUE enemies of evidenced Justice,
as the Freedom to do our own things loving God on our own.
Besides, most bushites aren't even registered American

2. That the Iraq war never had, nor ever will have a justification.

I am getting some bad hits in searches. Does anyone know if there is a "Schematic" and /or "Parts List" on the web for a PC 76 XL? Any sites for similar info on "any" radio? I think I have 2 more here with no sams.

Of all the Sams I have - not that one - if covered at all.

Anyone have a parts number for the finals? The driver number isn't in my cross references. - CB20W . Not sure of the driver - didn't look it up yet. Stopped with the final. I'm sure they're probably common - just curious as to "this" part number.

I found the dope on the CB20W. Just as I suspected - a replacement for the
2SC1969. Was thrown by the number - just wanted to be sure it was what was
supposed to be in there! Schematic of this radio would still be cool.

Happy Thanksgiving to everyone here.

The problem with the Jets is, for the last 25 years, they have been unable to draft adequate linemen on both sides of the ball. The get manhandled on each line. Forget the coaches, This team is in need of some serious overhaul in the scouting dept.

Hello All:

As everyone has talked about the conditions changing not a hole lot is being done. So I figured it was on me to get things going here.

The old adage of washing your car knowing this will bring rain. So I have taken down my beam antenna for a few adjustments. This should bring in massive band openings and such. Needing to install a new winch assembly as this small tower is used to raise and lower all my test antennas and such, the winch needs replacing. I have eating up 3 of the cheap winches from Harbor Freight. They just arn't made for the powerful gear reduction torque motor I use to lower and raise the tower, sometimes ten times a day or even more. Depends how misinformed I am thinking how the antenna works.

So as you can I am doing my part. Your cooperation would be appreciated, by keeping an ear open for the band openings.

Color of Law?

Look, families are threatened with arrest for not agreeing
to cause neurological damage to their children. The cause
for why their children are not in school, is not the parents
fault, but the unlawful decision by the health authority to
not allow the children in school. So, arresting the parents
is irrational, for, it is the school authority that has
disallowed the children an education. So, arrest those that
refused children Justice, or, go blinded with Alex Jones.

This ain't right

Look, the guy who murdered the two thieves, is guilty for
such. He acted to intentionally murder. MURDER. Do cops kill
kids who steal bubble gums?, or if they did, would an American
then think justice lacking? Cops were near the scene, and the
murderer held no pause to kill thieves with their hands full.
How about, 'drop to the ground' before pulling the trigger? No,
the murderer told US he wanted to murder. Would spitting on
the ground in America blindly call for executions because who knows
what the spitter would have then done later? The thieves were of
no alleged personal threat to life by the murderer, and would
have likely been caught by smarter cops who were in waiting.

What unspeakable evil is this, that CNN, FOXNEWS, and CBC
doesn't believe YOU deserve to know the science of?

The Whole Truth - Christ Claims Torture Illegal

Torture IS illegal, yet, the TV threat is trying to teach America that We, The People, haven't spoken on this issue since Law came to be. Please, I beg, please fight back for Humanity by not excepting a zionist's betrayal to G-D on this subject. TV celebs are programming that waterboarding, head slapping, and the burning of innocent people to death for a treasonous bushite's satanic pleasure, is arguably in support of defending my dying America, through assisting in the neocon's escape for 911. Death to the torturers of innocent people, death to the enemies of Christ in America.

ect..

Look, torture is criminal. Do you physically slap your
neighbors, to find out if they did the criminal's crime?
Should we slap Rivkin to ask him if he plans to commit crimes
against the innocent, and if he then says no, again repeat
till he's rightly dead from hearing a liar's denial?

Torture is a crime warranting a life term sentence or death in
America by LAW - firmly established already by the "War Crimes
Act" of 1986. Demand Justice to save the lives of our
innocent selves forsaken by the for cash profit, private news
parrots. Believe in US demanding open debate for a positive
change why don't you.. Nazi Germans were a happy happy bunch

through blanket annihilation... initially. Don't let Bush

contempt for our shared values.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the
neocons ordered the murder of more than a million innocent
Iraqis indiscriminately because, he was simply enforcing UN
resolution 1441. HE LIED. [how else could the UN officially
declare bushites as war criminal? NO CAUSE!!] And
multi-million dollar salaried, "American" reporters, who full
time, claim to represent American interests while you slog
double full-time for corrupt private bankers, refused to call
him on it to defend ourselves from his easily provable demonic
tirades against God as the innocent. On the scene, and still
today... YOU, as American are TRULY dying for George Walker
Bush's continuing LIES. Johnny Wizard is Forever King of

is, and will remain so for as long as we live to die a bushite

war criminal for defense in America and God, so says the Son of God, as Man of men. Die bushite die.

The bushite has murdered many thousands in Afghanistan to push dope, more than a million in Iraq to steal life as lawlessly demonic, all the while actively thieving to destroy Johnny's America for the praised by TV 'neocon who?' news peelers.

Bush closed 911 investigations immediately after the terrorist offense of no questions! no questions!

THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as we speak, to further terrorize a dying America lost to the indifference broadcasted daily on almost every radio and TV network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American." Johnny America begs to disagree with criminals actually, and has taken a stand against these 911 war mongers escaping our authority for proper Public acknowledgment. If you, my reader, would only support yourself.

Please, my friends, fight for our dying America. The TV and radio celebs deliberately refuse to allow US to know: Ahmad funded Atta, and, of the videos of steel flowing like water from the WTC towers - all to KILL ourselves for the enemy liar neocon. To KILL. OUR innocent families are being robbed and murdered. CJOB, in Winnipeg, like FOXNEWS, lies daily to dumber than average teen soldiers, not to defend freedom, or Canada, but to die for dope pushing Islamic fundamentalism in assisting the truly evil neocons escape for the crimes of 911. How can anyone be so truly evil to Humanity you may hide in fear of confronting directly? CJOB relentlessly THIEVES from Manitobans, with our seriously corrupt lotteries they pocket millions in criminal gains stolen from our most poor and desperate, they work to CRIMINALLY give away our public resources to their self described Zionist, 'kill the Jews, kill the Jews' anti-humans. These nazi pigs celebrate their public hatred for innocent humans with LIES about 911, Israel, and anything else that threatens Justice to win through free open communications. Bush, as does every neocon, needs to be tried publicly then executed for the crimes of 911 with his partner, General Ahmad, according to every honorable Police agency that uses evidence to form OUR conclusions. Please fight for Justice, please fight for Life, please fight for yourself by picking up YOUR phone and calling for a Humanity that would care if you tried to do what was right. Do you expect yourself to fail trying? Just try for your life's sake I beg, just try. Or.. die you will, die YOU will. Christ kills a bushite with a Love for GOD that will never die, but I AM ONLY ONE MAN. WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability. Don't be cowardly stupider than stupid allots.

It is not just a Muslim who sees the bushite as an enemy to Humanity. These lawless savages have been acting without accountability to anyone, because they are largely enemies of every American, who cowardly run from responsibility in

America to defend their own brothers and sisters from the LIAR neocon, and die instead as/with rapists, torturers, and Art Bell liking THIEVES. An Oath to God means nothing to a busite grunting savaged criminal, claiming to be lawless as an enemy to EVERY HUMAN BEING. Remember: these thieves have stolen from all still paying Americans dying from true self contempt. No evidence against an accused is US being truly abused.

http://www.crooksandliars.com/Media/Download/22786/1/rice_iran_sanctions_102507.wmv

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>? WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however, in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through. Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow Human beings. All they as bushmob amerika have done, is thieve, destroy and murder from everyone of US since 911. I am growing wearily concerned over whether Americans even can still express real anger over their continuing sacrifice.

Twisted demon nazi LIAR, America's TV "preacher", Jack Van Impe

"He wants to wipe every Jew off the face of the earth, and he's said it many times!" referring to Iran's elected President, a nation with a large living 'hidden' Jewish

community Impe would MURDER to not let YOU truly know of.

"We love you so very much.."

What love lies to murder the innocent to feed the greed of the selfish EVIL Jack Van Impe family? Every show the demon does, is filled with LIES that are made to murder more as Satanic, and it ain't no accident to continually lie like that, each

and every time to support lawless tyranny to enslave the human race for more ungodly neocon plunders as their personal richly growing treasures.

ZIONIST NAZIS LIKE IMPE LIE TO QUOTE US SAYING everyday 'Kill the Jews, kill the Jews' No, bill the escaping un-arrested zionist god betrayers who rape, murder and steal from Humanity as LIARS - all done by US to DEFEND Jews, to Defend G-D, To defend Christ. Christ - Born King of the Jews, as true King of Kings - I am by no accident in every word, truly great

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of wondrous tragedy?, Jeeze.. I seriously need money to feed myself.

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

http://groups.google.com/group/talk.politics.guns/msg/92b29b55b50f7779

/ / REAL Soldiers: try calling the pro-bush radio station, CJOB, and ask them to stop thieving from our community, and demand they allow open, honest, intelligent discussions on their contempt for the Canadian flag. Thanks. P.S. You may have to wade through 45 minutes of their for profit commercials. Fuk, on weekends, when People are home from work, they run continuous commi crap to take even further more silenced. \ \

CJOB STEALS millions from poor Winnipeggers through their fraud of lotteries, and as a consequence, they'll cheer our sons and daughters to die cowardly instead, for lawless Bush rule, where evidenced findings of Our police agencies are forbidden topic material, like mathematics, and instead, bin Laden did "it", now die for the demon antichrist LIAR ENEMY OF GOD. Al-Qaida = General Mahmoud Ahmad

/ / "I grabbed her little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite enemy and his demonic ilk, for our

love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

Oath to God

The bushite took an Oath to God and country to defend America from war criminals, and instead, as cowardly neocon bush bitches, commit war crimes of theft and mass murder against the great Iraqi People. A soldier in the air force, is a dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to 'escape' the neocons for 911. Your magic TV exec excuses don't mean squat when the facts are so readily available. But a bushite don't read, or write, or think freedom. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

Look, do you want to defeat the bad guys, or not? Bush gave US zero evidence to form our free thoughts on the 911 Justice issue. Treason. Simple.

I have the plan. Return all the stolen monies, and hunt those who rape torture, or murder. And.. get the neocons for

treason on 911 most especially. So, here we go..

/ / Putin recently declared that Iran does not possess nuclear weapons, is not pursuing a nuclear weapons program and poses "no threat" to any nation, least of all the United States. [...] If Putin is evil, surely Bush is worse than Satan himself. \ \

Bush is the most evil anyone through space-time can 'be'. He uses hypnosis over the too weak as blindly supporting the murder of innocent others. Hitler wasn't even so openly naively evil as Our Mr. bush Jr is truly. Our. What are YOU going to do about it... PnK.! Answered silent the God of Hosts echoed: Support our rise to find ANY soldier who honors the American flag, who doesn't agree Bush, Cheney, and Rumsfeld must be publicly arrested immediately for the continuing war crime trials of 911. (And Condi with Myers too as just getting started then.) Otherwise, we WILL find ourselves in secret agreement, even without Coast to Coast Inc., network 'group think' programming. Justice for America is Our Cause. And you America.. love LIFE by fighting to win against the traitor neocon thieving terrorists, who will the death of innocent families to escape themselves our accountability. False accusers who deny respect for yourself as a New Yorker included in forming our conclusions with facts as understood actual. Military heads generally do not have the skills to communicate such clarity, for they are not swinging guitarists, as too cowardly to speak a care for Freedom through Justice in Johnny's America. Babble babble..

Bombs Kill People

Nazi Israel, the ungodly nation that murders Christians in G-D's name AS THIEVES, deserves to die as proven war criminals, to bring about a living nation that respects the Jew by Law, to be just me or You living freely for happiness. Israel is a nation who's nazi government HATES GOD, because they are known BY ALL as a criminal in nature, a unjust first degree murdering zionist demonic thieving enemy non-entity of dying life. I would ask Syria to consider hiring me on as defensive minister, or yous in Iraq, Iran, Canada, or Europe. WOW! 'BIG LOVE' China!! Moscow! Hey buddies... I'm coming over for drinks no matter which way you look at it. Business first.

USEFUL! Tell me, wouldn't YOU have publicly tried, then
executed neocon traitors for mass murder if you were
dying as Johnny's America?

AIDS as a weapon used by those of "Project Paperclip",
zionist neocons who war as enemies of humankind? What
evidence does a bushite need, when it thoughtlessly murders
America for demon bush as it's "G-D"?, the thing that does
all it's opinioning for it?, on who is guilty of evil doing

MAKE OATH AND SAY

Christ, The Son of Man, begs the godly men of Earth, to
judicially bill on sight, any neocon soldier who supports the
carnage waged in Afghanistan as cop killing dope pushers. CNN
must, and WILL be tried for high treason for their demon lies
broadcasting the northern alliance don't push dope, while the

Taliban did, and do. CNN execs will be put to death for such demonic claims that stand no ground in the light of all evidence. Plus, the Taliban were honorable in defending America by demanding facts to form our conclusions on how bin Laden is in anyway connected to the crimes of 911. Example: how did bin Laden sneak the explosives into building seven with his bulky dialisis machine dumfuks? I HATE bushite to death I DO. Death to the bushite, death to the enemies of Mankind.

I, Johnny Wizard, in the city of Winnipeg, Province of Manitoba MAKE OATH AND SAY:

1.

Pakistani ISI Director General Ahmad orders an aide to wire transfer about $100,000 to hijacker Atta. Ahmad later resigns after the transfer is disclosed in India and confirmed by the FBI. [Dawn, 10/8/01, Times of India, 10/9/01, Wall Street Journal, 10/10/01, AFP, 10/10/01]

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence to back up the allegation, thereby, securing criminal invasion.

then the demon enemies of America, closed outstanding criminal investigations..

Protestor's sign: "killing innocent people is the problem not the solution."

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Soldiers of fortune: kill the lawless bushite nazi savages to defend MY dying America.

-

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / It is strange that the 'Secret Organization of Al Qaeda in Europe,' the group that is allegedly responsible, would have escaped notice (to say nothing of their odd, 'double secret probation' type of name). \ \

Bushite are EVIL to all, as enemies to Human kind. During Katrina, the bushites responsible for protecting America, slaughtered everyone's confiscated pets for joy and happiness. Three schools filled with hundreds of dogs, cats, snakes and bats. There was no need to kill everyone's beloved pet, but as the bushite will FREELY tell YOU, it was fun to serve demonically as the antichrist enemies of God and love. demand Justice for God, demand Justice for Johnny.

/ / The mere fact that one can deduce a motive for a person or a group does not mean that they perpetrated the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better' CBC, CNN, or FOXNEWS censors. Look at me!! They refuse to acknowledge my documented info as REALLY important to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies of America at the Coast to Coast radio network, who would kill Americans for the rich neocons without question. It's JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let anyone out of the city, because [enemy Sattler LIED]

pro-bushite Zarqawi was there present, so the innocent families who believed they had nothing to fear from the liar disciples of the ungodly enemy of ALL HUMAN LIVES, remained in the tiny city to be indiscriminately 'protected' with more than nine two thousand pound bombs, or made dead instead by heinous pro-bush escaping war criminals who used white phosphorous on civilization. All to die our Humanity for the thieved loss of evidence to demand ourselves of some official freedom time to deal with our terrorized as suffering reality.

Support my cause, which is your cause.

Senior Military analyst, Rob Riggle "In the field John, the soldiers are out there, every day, risking their lives, for a common Ideal: that none of the President's decisions be questioned."

This is more true than a bushite would admit before murdering a honorable father to rape his young child, like Lcpl Boudreaux freely confesses. Boudreaux will tell you, openly, you have to murder the Arab father of the Arab child your planning to rape, because if you don't, that Father will spend the rest of this life, hunting you down in the streets to rip you limb from limb for it.

Let US, me and the few, proud, and the brave, bring that Father's intent to bare on lancing Boudreaux, and any other who would sing in it's ungodly defense.

Zionist american media news celebs do tell, everyday, soldiers for the neocon are all Heroes.

Please, my brothers, join me in hunting each and every bushite present in this video down for death. For a Love of God that will never end, until we have seen each and every responsible child killing bushite present brought to true Justice extreme.

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney,
consults with neocon authority in Egypt, and anti-Jew Saudi
Arabia, on how to best torture innocent people to death as
TRUE enemies of Man. Has anyone read the fiction 1984? 'Why
is it so crazy'?, you might ask an un-responsive big sky of
Love? Well, the Bush administration committed 911 with
General Ahmad that's why.. and threatening Humanity with
torture, is how the neocons plan to fear YOU into speaking
nothing for the defense of innocent others.. As a
consequence, more than half the monies spent each month on
this war against civilized Life, isn't accounted for by
anyone. Except those at the Pentagon STEALING from a deafened
America. In fact, Moyers at PBS reported none! of the
billions flowing out of American pocket books EVERY MONTH for
the bushmob war monger shysters is actually audited for the
taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen
billions, instead wants to kill even more innocent others as
neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making
an effort to demand real Justice for dying American values.

.I guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you
know anything worth living for? my dying unjustly brothers
and sisters? My friends, please fear not wisdom communicated
by a REAL Man, for, we explain ourselves to the best of YOUR
ability to listen simply. G. W. Bush used no evidence to
form America's "conclusion" on who did US wrong on 911. So,
Please, stop forsaking yourself, for, we're going nowhere.
Support Johnny's call to demand open debate without censorship
from the magic radio and TV execs, who hide in darkness,
pretending to be our friends, while refusing intelligent
dialog to answer any of our big troubles easily. Why?

because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if

they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

I want air time with the one and only real man in these here parts, Mr. Johnny America, our glorious make believe creator of all we perceive religiously, self realized. He's a genius!

No evidence against an accused is US being truly abused

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. ¿KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida =

General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones

agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

Lying Enemy Traitor to America, Glenn Beck

www.crooksandliars.com/Media/Play/22003/1/Beck-Limbaugh-100207.wmv

"Media Matters didn't have a word to say when congressman John Murtha accused American Marines of being guilty of murdering innocent Iraqi civilians, service men who actually turned out to be innocent heroes."

I propose we try CNN's Glenn Beck for nazi treason, and upon easily successful conviction, we put the demon liar to death along with bushite Tatum who confesses freely to slaughtering innocent Iraqi civilians for satanic pleasures all to serve the neocon agenda of swindling America TO DEATH for cash profit through neocon censorship. Mattis, the woman hating documented child killer, was made into a 'Judge' for the bushite's version of a war crimes 'trial', that hasn't even yet truly transpired, for the evidence was not brought to light through the proceeding, such as Tatum's full confession. But, of course, Glenn Beck, the treasonous liar, doesn't want America, the dying by contempt, to truly know that. For, he'd be likely dead as sworn enemy.

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" = "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. Dumfuks to their bitter end.

To Kill a Bushite, is to be Heroic

American soldier: Your enemy is TRULY LIAR happy George Norry. The demon knows of Ahmad, and forbids any guest from uttering such understandings in defense of the DYING dumfuk grunt nazi - Good riddance? Do you care that your country men are dying for the criminal zionist neocon as traitors? Support my demand for US to be heard GOD DAMN YOU. ...or die by the hands of Humanity.

All fighters, listen up. ANY bush bitch neocon biter who pretends as a cowardly child killing traitor, it can't ever hear my manly voice from here, YOU kill to defend ourselves over, in the cage or otherwise. Kill any or all thieving bushite ENEMIES of America responsible for 'escaping' the 911 perpetrators, why don't you help US out some my loves...?

CHRIST RETURNS

I again, beg Humanity to speak in opposition to Amerika in the
defense of our innocent forsaken dying lives. CBC producers
know the bushmob did 911 but lie with propaganda to kill our
families for the ungodly as thieving neocon enemies. They
refuse to inform ourselves that Al-Qaida is General Mahmoud
Ahmad, as according to the FBI. Or that video of iron flowing
like water from the WTC towers exists indicating without
doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi
savage thieves for the neocon die rightly, before the innocent
they target for murder. All in an attempt to 'escape' those
truly responsible for the crimes of 911 a bushite whore
practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or
evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to?
What can you lose when you have granted to be blindly stolen
from?

Zionist nazi Israelis, do tell as LIARS, that Israel, the
nation that openly thieves, tortures, and murders daily thoses
THEY ADMIT are commpletely innocent, are enemies of every
religious person denied access to honestly speak the facts as
firmly established since the dawn of Man.

$4.50 for Every Pop Can?

Did you hear? A DOJ manager charges American tax payers $4.50 for every can drink he, and the rest of his cadre can swallow. Buying bulk, the pop cans likely truly cost 35 or so cents. I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you

hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to

escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

Johnny America Speaks Out

"what's this freedom war against Life for again"?

Hannity is a perfect example of what a neocon is. It's a one way communications system. He tells us what we think, and he'll never takes our calls, they won't read our emails, and they'll continue to pretend WE don't exist. AND... when WE die, they'll be richer for it. AND you'll be dead, your innocent brother will be dead, your innocent child will be dead. No evidence against an accused is US being truly abused. George Walker Bush is Guilty for 911, while every irrational bushite is a traitor to the American Family.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these ideas, but they ain't going to speak out against us. Example 'I don't want to be held accountable to the American public, cause I want to steal that 16 billion dollars for myself. That's my public opinion.' What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Support our rise as the top

cop of Humanity, coming down for diplomatic talks to engage
the flagrant wanton stupidity of the bushite grunters. All on
hopes you'll consider also, these Kingly texts worth a couple
hedge funder salaries, a sixty cent barrel of oil marked up to
74 dollars, or a thousandth of the money America would save in
a year, if you adopted Canadian Health care systems overnight
for yourself to immediately provide all People the respect for
life we deserve. Or don't, and needlessly continue to pay
twice as much, while dying broke as self made losers without a
cause worth preserving. A free market open to waste for profit

Nazi zionists gave US Jews a bad rap again I see. They're
despicable criminal savages the neocon.. who steal the rights
and privileges of US peopled folks, all to fall victimized
with their self confessed contempt for love and justice.
Condi's crew dropped seven million land mines to murder
ourselves for generations, and, shouldn't she and the neocons
responsible be put to death for such conducts?? If not then,
when? discuss.. They openly target innocent human beings
indiscriminately without apology, but excuses that don't hold
water. Not that corporate news professionals are even
pouring! It's most definitely the re-occurring true story of
a censored mankind with You as it's innocent victim. For,
what human would support victimizing others for the tyranny of
blind terror? Only bushite amerika would fall silent under
such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it
will discontinue its practice of "capturing" populated
Palestinian villages during military training exercises. The
IDF states it will "reexamine their policy" of conducting
such raids on uninformed, panic-stricken Palestinian villages. \ \

Tell me, is this the godly people the neocon boast of for
defense in? Or, just again examples of standing terrorism
against life ourselves - committed by the censored as will
giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminal savages.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

I can't understand why you can't help get this party up as starting by supporting our rise to highest acclaim with my

authority free willed to anyone. Let's face it, we're great because Your great. However, for greed, corporate america aren't taking our concerns nightly. We want Justice, and WE will get it if we reflect together with impeccable credentials as standing with measured reason for proper assessment on rights making might. Who is who here, a freeing peoples I tell you, arriving to bring a true patriotism to Life for US. Are you with yourself as respected an equal under the law devised fairly for all concerned parties?.. well then... let's g o ! ! !

Elected Governments All Over The World

British MP Galloway and Richard Perle on TV together!!

Galloway "These are the people who have overthrown elected
governments all over the world. and he [Richard Perle] comes
on your program to prattle about democracy. These people
don't want democracy, they want slave governments. If it's a
slave dictatorship - that's fine. If it's a slave elected
government - that's also fine. The only thing that matters is
that the government is a slave government. That is why they
will never invade Egypt. They will never invade Saudi Arabia.
They only invade countries, or threaten to invade countries,
who stand against them and who refuse to be slaves to them.
That is why they hated Iraq, that's why they hate Iran. That

is why they hate Syria. Of all the faults of all the three regimes in these three countries - they were never slaves to the United States, and that's why they were attacked. [...^] In Iran, 17 million people voted for the president, Ahmadinejad, and 10 million voted for his opponent Rafsanjani. Those 27 million are determined to exercise their right to nuclear power. The response of Bush and Perle is to threaten them with invasion. These are the people who murdered Salvador Allende, the elected president of Chile. These are the people who have overthrown elected governments all over the world."

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

Jason Bermas "I just want to let people know, that if this is a hit piece that involves, you know, saying that we're all blaming the Jews, or the Zionists, or something ridiculous, where we go after an ethnic group, [Jason Bermas suggests "Jews" = "Zionists"?] 'we' can not be associated with ANTI-SEMITISM, space beams, utter kookery.

Alex Jones "Or Jesus! they have 911 leaders saying they are Jesus now. They have people saying it's space beams from Pluto. And folks, I've tracked these people, they all were formally in intelligence, or connected to the Bushes, the space beam thing came from a almost cabinet member level Bush member, and folks this is a setup to poison our movement."

Now??

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of

global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the

great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! Don't they know of what You speak? Now???

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

Ten "CIA" bushite enemies have been found to have kidnapped near one thousand innocent Americans to be tortured to death, in tyrannical nations friendly under American funding by Bush unquestioningly. Fight back for your neighbor, fight back for America, fight back for YOURSELF. Or, don't.

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our

calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to

TRAITORS TO LIFE

"I told him, there's women and kids in that room," Lance Cpl. Humberto M. Mendoza said of Lance Cpl. Stephen B. Tatum. Tatum's response was, "Well, shoot them,"

If Americans don't proudly put to death Tatum, on behalf of the Family that lost their son, their Marine, Johnny will formally conclude, Bushite america is an ungodly evil nazi fascist state of intolerance and hate to US, the Great Human Race. Bushite amerka does not own Freedom, nor do they own our rights to be Just. Join me in demanding the Public execution of the satanic demon liar Tatum, on his Public insistence that murdering innocent families to thieve from for the neocon, is a crime not warranting the death sentence enforced by any family man. Death to the bushite. death to the enemies of man. The neocons will be arrested, tried, and executed for the crimes of 911 as traitors to Life.

Death to the bushite instead of the innocent loved in God

/ / IntelCenter issued a tacit warning \ \

Don't EVER forget, the private company Aegis has been officially found dressing up as AL-QAIDA! - AL-QAIDA! - AL-QAIDA! to murder pro-western forces in Iraq, while desecrating Elvis. Elvis Presley. If you don't love Elvis, there is something seriously wrong with America. Now yous messing with a real son-of-bitch. HeY!, question: why don't Americans kill a bushite for Yourself bud? - because Bushites insist "we're" willingly being led by the antichrist enemy of all human life as Satanic LIARS who intend to cheat ourselves of freedom through self respect. Pro-neocon-media enemies are nazi savages, and I don't like it..How about you?

Death to the bushite instead of the innocent loved in God

-

Time is Up

Al-Qaida Kagan "Al-Qaida, their whole strategy revolves around generating sectarian violence, because that is how they embed themselves within local communities "

What?? For friendship?

What is the demon TRAITOR to HUMANITY in America saying about the reasons he embeds an Iraqi under 50 odd divergent NEOCON labels? Wouldnt most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? These LIAR dumfuk grunts who cheer "whore yeah", routinely, can barely read or write, so, how possibly does this FOXNEWS expert, expect such ungodly antichrist forces to delineate Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan: Put Everything Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. They both have continued to Publicly advocate murdering more innocent peoples indiscriminately they call, "Al-Qaida", all to rob further monies from an undefended America. It is easily learned by any as all, the victims of bushite tyranny are

exclusively, US, The People, guilty of nothing but our shared love of GOD. Remember forever: there was NO JUSIFIED REASON for bombing PEACEFUL Samara, NONE! that bombers confess was done as ordered by Allawi INDISCRIMINATELY, all for getting killed Marines sent in later for more stolen cash from America. P2OG. [hundreds of bushited Marines died rightly almost immediately - (wow eh?)] A Satanic action, Kistol and Kagan, both blame without thought to question on "Al-Qaida".

The action of Satanic bushite bombers targeting Samara as war criminals is FULLY documented.

Death to the bushite neocon LIARS, death to the enemies of Freedom for Humanity. My beloved friends of GOD, please, when you see the mute bushite, kill it for Christ, kill it for Love, kill it to defend your loved family. (Any soldier who doesn't proudly talk of how it hunts those British soldiers who kidnapped barefoot children and victimized them on video, is a soldier worth destroying NOW to defend GOD and Life from needless death.) I HATE the REAL demon antichrist Christ says.

Kagan "You rarely know in the middle of a war, what the outcome will be."

/ / The US has also been backing some pro-western politicians like Iyad Allawi \ \

Do you know who Allawi is? Allawi confesses to blowing up school buses filled with children for "CIA" money. NOT THEORY. HE ADMITS IT AS AN ACTUAL SATANIC DEMON! Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. All three, pro-private-bank zionist news stations are well aware that the bushmob did 911, but lie to YOU as forsakenly dying for their growing riches and world wide broadcast fame.

CBC National Newz - July 11th 2007 'tens of thousands have died in Iraq since the war against truth started.'

Anyway, these two Allawi incidences are fully documented, look it up, then demand the "The US" pro-western politician person quoted as supporting Allawi - be found guilty of CRIMES AGAINST HUMANITY, Demand publicly, having the neocon zionists EXECUTED by America, for America, as America. A Just America that defends America from criminal madness. Or don't. Death

to the bushite, death to the enemies of Man I say.

-

George Bush "The same folks that are bombing innocent people in Iraq were the ones who attacked us in America on September the 11th"

George Bush 'Iraq has nothing to do with 911, you bunch of nazi dumfuk grunting LOSERS. Whore yeah - praise Satan - die America die. I mean... I love Jesus'

So it was as I thought too: the direct co-operation of the joint chiefs of staff assisting General Ahmad, in committing the murder of thousands in America on 911 for the neocon TRAITORS, as the same 'escaping' enemies today, responsible for 'secretly' ordering these indiscriminate terror attack bombings against YOUR Humanity for their continuing stolen pleasures as Satanic.

-

/ / U.S. Marines are said to have killed as many as eight unarmed Iraqi prisoners when U.S. forces attacked Fallujah in November of 2004. \ \

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun,
paid for by the silent American tax payer. Americans refuses
to bother making a simple phone call to Coast to Coast to
raise some concern. THEY don't. They refuse to hunt bushite
down in their streets for death to defend the innocent held
indefinitely against GOD'S will. Death to the bushite, death
to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but
will smile while watching your son or daughter sent out to die

CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

"Al-Qaida" = "General Mahmoud Ahmad"

Defend freedom, and the FBI, by demanding Coast to Coast radio hosts allow free communications, absent their personal contempt for preserving freedom to be our America. George Norry WILL kill Your American child for the contempt he truly holds for our lives here. He says he only supports murdering Arab children for the neocon, but when your not looking in his 'shadows', he'll kill your child too, don't doubt it for a second.

-

Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. While America's fun guy,

zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his personal contempt of YOUR DYING LIFE, while further wanting to invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Typical bushite. Ending with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the

Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida = General Mahmoud Ahmad

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

/ / The Mujahideen aren't students of power and don't compete for power like others do. We are students of truth and work for establishing this truth and for this cause we sacrifice our power \ \

/ / Timothy Griffin, Karl Rove's assistant, the President's pick as US Attorney for the Eastern District of Arkansas. Griffin, according to BBC Television, was the hidden hand behind a scheme to wipe out the voting rights of 70,000 citizens prior to the 2004 election. \ \ Timothy needs to be arrested for high treason, for fixing an election, or instead, what? we'll make him a State US Attorney in bushville?

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid, Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

because they're LIARS?

Like Coast to Coast's fun guy, he ain't taking our screams,
George "pro Arab child Killer" Norry??

Rapists and torturers must not be allowed to rule our pirated
authority through defending the further 'escape' of the
bushmob for 911.

/ / As a result, the Defense Department put up a Web site in
2005 designed to clarify [to the dumfuk bushite demon liars]
that sexual assault is illegal [...] \ \

Let's save some lives, what do you say guys?

Or, are we going to go further with this: George W. Bush:
"If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering
answers to any question on the science of God as is pertains
to Justice measured, but this is just who I am to be conscious
man. So, if we can get over the shock of me being so
especially normal, maybe we can then realize, I have some
simple good old ideas that transcend through time by rational
understanding communicable between any two people. I am not a
"miracle worker" to all those I advise to not eat Aspartame
because it's a poison that also makes your body crave
un-needed carbs, that will likely convert to more unless fat.
So, it slowly kills you, while making you fatter than you need
be along the dead end journey faithing in "the system". So,
why do some do it religiously? Who cares (for now) but to
say, our governments are failing US miserably. I spoke
personally with one of the head scientists in Canada at
"Health Food and Safety", and he told me the scientific
analysis done by reputable scientists I found freely available
repeatedly on the internet years ago, was completely true.
(It breaks down to formaldehyde, and methanol (a slow lethal

poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like

killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite

what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for
Bush are officially deemed lawlessly unaccountable to
anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency
water provision money

Look: Sattler OPENLY committed the worst war crimes of
all Humanity's history

'A military judge ruled last week that Watada cannot base his
defense on the war's legality.'

Telling US what?, that it is a crime to not commit a crime?
It isn't only high treason against America the ungodly bushite
are guilty of, but of a madness held by those truly Satanic..

No bushite was found gloriously killed for country, yet, they,
the godless bushite enemy, continued to shoot innocent People
indiscriminately for a distance of six miles, while likely,
secretly masturbating each other as bushite liars do always.

The pro-bush irrational military said only eight innocent
un-armed Afghans were counted as murdered deliberately, by
those who believe our Mankind, can not ever find themselves
accountable, without zionist controlled, corporate news
permission. See? The military counts mankind as zionist, but
I am a man of real men, committed to defend our world from all
enemies, foreign, or domestic. Unlike a bushite traitor to God
and America, who's word, as Oath, means as much to them, as we
do. Ungodly as they are loveless, the bushite, is Life's enemy.

/ / KBR's Tiger Team stayed at the five-star Kuwait Kempinski Hotel, where its members ran up a bill of more than $1 million. This outraged the army, whose troops were sleeping in tents at a cost of $1.39 a day. The army asked the Tiger Team to move into tents. It refused. \ \

Death to our Enemies

My friends, People are dying because the, Israel=Jew, magic radio and TV crews, wont broadcast THE TRUTHS of our publicly available findings. Police findings. People are dying needlessly, illegally, irrationally like meaning really stupidly on Bush's behalf, for they claim, we don't want to be 'embarrassing ourselves' with MY wisdom, You people seem to not be there for God when the chips are way down, and truth is plain to see.. 911 was an inside job, and CBC with CNN don't want to tell us about it, but will watch our LOVED children lied to, to go out and die further for a causeless war of criminality unparalleled in it's wickedness.

Corporate News America's Terror Expert, Gaffney, who publicly advocates the rape and murder of the innocent in Iraq to thieve from for the 'escaping' neocons, (as the truly UNGODLY,) stated these words about why American Soldiers continue to lawlessly DIE sacrificed for no better good or reason understood, as total willing dumfuks under deep hypnosis:

"It is not George Bush, it is not the Neocons,"

Don't let these neocon zionist bastards doe this to US.

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through

careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

Anyone in the Air Force deserves to be justly put down, for, I've NEVER seen any legitimate bombing campaign, but for to kill People indiscriminately like NATO regularly does with radio-active toxic waste, while then sending in the dumfuk Marines, or the 'from the coast' Canadians, who of course, rightly get killed on the ground in retaliation for such blind evil stupidity. Please, I beg, help Iraqis, and kill the bushite thieves to defend our forsaken God. American children, help me my loves. Please don't allow the bushmob to escape for the treasons against America on 911, for, bushites are OPENLY traitors, as the TRUE enemies of evidenced Justice, as the Freedom to do our own things loving God on our own. Besides, most bushites aren't even registered American citizens. Bushites need to be hunted down for destruction - by the Loyal Christian American Patriot Soldier, the ones who war to win against those who torture US innocent to death as the ungodly Satanic LIAR enemies. Hi Jay

Yeah you can never tell when it will open up but it is more likely to
happen when you have your gear apart. I just got my relay/alc cable
soldered up for this 430 and want to try it with the dx, so it probably
won't open anytime soon. :)

Yeah, I know, I yell at others for spamming their tawdry wares. But
this is in such good shape I figured it would be a crime -not- to let
you guys know about it:

Gee Whiz Frank for 100 Bucks you'd think that radio would have a bottle opener and a compass.

Neat old radio tho. I like the 3 well light meters. Needs a D104 Mic.

Shamless Spam? Naaah I'd say its on topic.

Jay in the Great Mojave Desert, ...just down the road ah ways for the fillin station.

Gas prices going way out of sight. I asked Miss Dinah at the Fillin station how she can sleep charging so much for gas. I am ignored again!

2453. MI5 Persecution: Faxes Sent to Parliament1 (1606)

Faxes Sent to British Parliament logs

During the 1998-2000 period my records indicate that I sent at least 14,480 faxes to the British Parliament
in Westminster, of which 9,138 went via TPC's email-to-fax service and 5,342 were sent via fax-modem direct from
my computer. The actual figure is obviously much higher since, for most of this period, whenever a recipient asked to
be deleted from my mailing list, I totally wiped all entries including that from the logfile.

In the records "Y" indicates successful transmission from fax-modem, "N" indicates failed transmission from fax-modem.
"E" indicates an error occurred while transmitting via fax-modem and a fax may have been only partly transmitted.
"y" and "n" indicate success or failure via TPC.

In April 2000 I changed the method of operation by recording "R" when a recipient requested removal, rather than
wiping their details from my mailing list and records; and keeping "B" records for when TPC actioned a ban on a
recipient's fax-number, but the recipient did not write to ask me to cease faxing. The purpose of these changes
was to keep more accurate and complete records, but the intention was thwarted by the police complaint.

Hey Jay. I did both ground-wave and skip with my homemade amp cable tonight
so far, I'll call it working in progress. The amp seems OK with it too so
good to go so far.

think yep yaking

Honestly, I wouldn't take any less for it. There's just too much good
stuff about it. Like how the clarifier works as a delta-tune in AM,
and how the headphone jack works with stereo heaphones..... if it
doesn't sell then I'll just keep it. Acutally, I'm tempted to pull the
listing and not sell it at all, but I just have too many radios right
now.

2462. MI5 Persecution: How Could It Be True? (5956)

MI5 Persecution: How Could It Be True?

If you have the patience to read these articles you will be struck by how apparently fantastic the claims being put forward are. You may ask yourself why such seemingly nonsensical assertions are made. This matter has been discussed on the Internets UK-local newsgroups for three years now, and the denizens of the uk.misc newsgroup (the so-called "miscreants") have come up with a number of theories to explain these posts; it has been variously suggested that they are a troll (an artificial creation for the amusement of its author), that they are made by MI5 themselves with the purpose of discrediting other conspiracy theories, and that the poster is mentally ill and the articles are symptomatic of the illness (the view held by most miscreants).

Are these claims the product of mental illness, or is that just a cover?

The most obvious explanation, that the claims made result from the admitted mental illness of the author, is the one which the persecutors intend be the one accepted without consideration being given to the possibility of the claims being true. The persecutors have actually been very clever about this, both in selecting as their target someone who was known from school or university as being borderline schizophrenic, and in ensuring the nature of their persecution corresponds to what often features in the delusions of a schizophrenic.

The very first incident of the persecution occurred in June 1990, when I was still a student at university in London. It consisted of a reaction (giggling) from the newsreader, Sue Carpenter of ITN, to what she saw happening in my living-room at my parents home where I was living. Before your imagination gets the better of you I should make clear that what the newsreader was reacting to was not too embarrassing in nature; my mother had brought an apple for me into the the room, and Sue Carpenter found this amusing.

I recognized that Carpenter had reacted to what she had seen in my living-room, yet this idea still seemed completely fantastic to me. My reaction was to continue watching television, particularly the news, to see if this incident would be repeated. It was, many times, both on BBC and ITV. An intelligent person would have thought to obtain a video recorder and capture some of these incidents in order to try to explain to an observer what he saw in these broadcasts. Unfortunately, I failed this test of intelligence, since I did not record these programmes. I have recently attempted to obtain from ITN tapes of their news programmes dating back to summer 1990, but, unhappily, they have advised me that they

do not have complete programmes including newsreaders comments dating back to that period.

From the outset, the persecutors structured their actions to ensure that any complaint would be met with disbelief, and dismissed as delusional. This is why they chose as their target someone who was known at school and university to be borderline mentally ill; and it is why they fired the first shots of their campaign through the broadcast media. Schizophrenics commonly believe the media harass them; it would be exceptional for "full-duplex television" to exist in reality. Those with schizophrenia also commonly believe people are talking about them; again, the persecutors have shown themselves very rarely, but act through intermediaries, both in the workplace, and in public and during travel.

Mental illness is not the cause of these claims, but the simulation of its symptoms is a cover used by the persecutors to deny their victim the ability to have his compaints believed.

What evidence exists to support these claims of "interactive television/radio";?

Quite frankly, I have very little evidence to support my claims. You may examine the "Evidence" area of my website to see such evidence as I have been able to gather. None of it is remotely conclusive. The "smoking guns" all date back to 1990/91, and it is really rather late now to start trying to look for material dating back seven or eight years. In 1997 I started tape-recording every programme I watched or listened to. I also started carrying with me a high-fidelity minidisc-recorder with good quality microphone to catch incidents of public harassment, but this also has not been as successful or conclusive as I had hoped.

Perhaps the best item in the "Evidence" section is the audio file "Life is so hard" (it is labelled with Garfield the cartoon character on the site), which I have given a certainty level of 100%. This item relates to harassment at my workplace in Canada in 1996. A co-worker called Mark was coming up with phrases and expressions which were repeating things being said at my Canadian residence, consequently leading me to believe that my apartment and home phone were bugged, and that the persecutors were passing their gathered information on to Mark. On one particular evening I said in my apartment, "life is so hard, and then you die". The following day I was able to record Mark saying exactly the same phrase at work.

Unfortunately when "they" know you are recording them, they simply dont say things which would unambiguously show harassment. When Mark the co-worker knew he was being recorded, he only made his remarks out of range of the recorder, for example outside the building. When the TV newscasters or radio disc jockeys know they are being taped, they limit themselves to saying things which are ambiguous, which even in my mind may or may not be personally directed against me.

Who knows about this persecution?

Surprisingly many people know. People in the media, such as BBC and ITN newscasters including Martyn Lewis and Michael Buerk, and radio disc jockeys such as Chris Tarrant of Capital Radio, know what is going on, and take part in it. Some co-workers at my former workplaces in England and Canada have known about the harassment. Quite a few people in the general public are also included. I believe the police are aware of the persecution, but, unfortunately, have chosen not to take any action to stop it. I have complained at my local police station in London several years ago, and I have stated on the internet newsgroups that I have done so, hence the police will be well aware of my wish to see the matter resolved. I believe their inaction denotes a dereliction of duty, but without good evidence, I am powerless to compel them to take steps to prevent further harassment, or deal with what has already taken place.

What is the purpose of sending these faxes?

These faxes are being sent to three distinct groups of people, namely Members of Parliament, the media, and diplomats & legal people. As you will have observed I am making use of the email-to-fax gateway at Demon Internet to send these faxes. I am forced to use this gateway since I currently live in North America, and cannot afford the high cost of direct phone calls to the UK.

My purpose in publicising my claims is firstly to discourage the persecutors from continuing their campaign, and also to attempt to bring their campaign out into the open, and thus perhaps identify the persecutors. Neither aim has been achieved yet, but I hope that with sufficient stimulation these aims may yet be accomplished.

The problem with the second aim is that those who read this article will fall into two groups, those who dont know anything about the persecution and consequently will disbelieve my claims as delusional, and those who do know about the harassment and may have some idea of who is behind it, but realise that if the harassers are exposed and the truth brought out into the open, then powerful British institutions will substantially lose prestige, and be exposed to ridicule.

It would give me hope to believe that these faxes will create a third group of people, those who find out that I am telling the truth, and who follow their consciences in standing up and seeing justice done. Only time will tell if this hope will be realized.

That's the problem -- I've got too many keepers. I feel this need to
'simplify' things right now so I'm thinning out my stuff across the
board. Most I'm selling locally but a few things are going up on ebay.
For instance, I have a super-rare Seahawks jacket I'll be putting up
in a day or two. Hey, you could get it yourself, and the next time
Seattle visits Cleveland you could burn it in effigy.....

ROFL! Yeah but I'd be more interested in the radio instead of the jacket,
if'n I didn't have too many jackets and radio's already. That's a slick
